Dear Denise Hunt

Re: Audit and Governance Committee "Call to Account" Ironman Event

Thank you for your letter dated 22nd November in response to my letter to Councillor Jones. If possible, depending upon work commitments, our Chairman [REDACTED], is hoping to attend but at present I cannot confirm this.

A suggestion was made by our Committee which might be helpful to your Committee when discussing the matter.

It was suggested that in future, the event could be run more in the way that the Olympic Triathlon was, as this could avoid a lot of problems. Having a circuit with a number of laps, rather than a single extended route for the running and cycling, would limit the affected area significantly and provide hugely enhanced spectator interest and value as competitors' positions would be seen on successive laps. Retaining the circuits south of the Ridgeway would not only limit the disruption to the rest of the county but also give a Weymouth based event a much more distinctive Weymouth flavour and focus.

I would be grateful if this could also be tabled at your meeting on our behalf.

Yours sincerely,

[REDACTED]
