Dorset County Council

Date of Meeting	13 March 2017
Officer	Chief Executive
Subject of Report	Draft Annual Governance Statement 2016/17
Executive Summary	<p>The Accounts and Audit (England) Regulations 2015 require a body such as the County Council to “approve an annual governance statement, prepared in accordance with proper practices in relation to internal control.”</p> <p>The attached draft Annual Governance Statement for 2016/17 sets out key features of the governance framework in place in the Authority and provides a review of its effectiveness. It has been prepared in line with the recommendations published by CIPFA and SOLACE.</p> <p>Section 5 of the statement reports on the Council's Local Code of Corporate Governance Compliance Assessment 2015/16, and in particular the three elements on which the Council is considered to be only partially compliant.</p> <p>The statement also discusses those risks that are contained in the Councils Corporate Risk Register which are classified as ‘high’ and, as such, represent significant governance issues the Council is currently facing.</p> <p>Members of the Committee can view both the full Compliance Assessment and Corporate Risk Register from the Intranet links noted in the Evidence section of this report.</p> <p>Under the 2015 regulations, the accounts are not approved by the</p>

	<p>Council (or the Committee to which the responsibility is delegated) until after the external audit has been carried out. However, Members are still asked to consider the draft Annual Governance Statement, so that the auditors can review a document that has been subject to member scrutiny.</p> <p>Final adoption of the Annual Governance Statement will take place, alongside the accounts, at the Audit and Governance Committee in July 2017. As the statement has to reflect any significant issues that arise until its final approval, if necessary, subsequent amendments will be made and reported to this Committee.</p>
