

Petition to Dorset County Council signed by over 700 residents

Against Proposed Drug and Alcohol Recovery Hub

22 Abbotsbury Rd, Weymouth, Dorset

20th July 2017

This petition is concerned with the proposal to open a drug and alcohol recovery facility (a new hub for wraparound holistic recovery support) at 22 Abbotsbury Rd, Weymouth. The intention is for this Weymouth based facility to serve those affected by addiction, coming from across the whole of Dorset. The proposed property and its location are both *inadequate* and *inappropriate* to meet such needs, and this petition asks Dorset County Council to reconsider.

Over 700 individuals, plus those registered on line, have signed this petition against opening a drug/alcohol recovery hub at 22 Abbotsbury Rd.

Siting this facility in this location is not fair on the local residents, holiday makers, Weymouth as a holiday resort, local business nor it's potential clients.

*Petition is organised by Mr John Richards, Warwick Court Guest House, 20 Abbotsbury Rd,
Weymouth, Dorset.*
