Briefing for Dorset Health Scrutiny Committee

<p>Draft Joint Health and Wellbeing Strategy, 2016 to 2019</p>	<p>Contact Name: Ann Harris</p> <p>Contact address: Adult and Community Services, Dorset County Council</p> <p>Email: a.p.harris@dorsetcc.gov.uk</p> <p>Tel: 01305 224388</p>
<p>Dorset Health and Wellbeing Board is currently revising its Joint Health and Wellbeing Strategy (JHWS) for the Health and Wellbeing Board to consider on 8 June 2016. Following discussion and any amendments to the draft Strategy by the Board, it is intended that a consultation period will enable stakeholders (including the Health Scrutiny Committee) to comment on and contribute to the Strategy and that a delivery action plan will be developed, based on the principles and priorities outlined.</p> <p>Local Authorities and Clinical Commissioning Groups have an equal duty to prepare JHWSs, based on the findings of Joint Strategic Needs Assessment (JSNA). The first JHWS adopted by Dorset HWB in June 2013 largely focused on the description of health and wellbeing priorities, supported by evidence from the JSNA, identifying six specific priorities for action: Reducing the harms caused by smoking; Reducing circulatory disease; Reducing the harms caused by road traffic collisions; Reducing the harms caused by diabetes; Reducing anxiety and depression; and Improving care for people with dementia. Over the past three years a great deal of work has gone into tackling these priorities, but the Board has recognised that, at the heart of these issues, prevention is the key and inequalities and deprivation are often triggers to poor health and poor outcomes.</p> <p>It is therefore proposed that the three priorities for 2016 to 2019 are:</p> <ul style="list-style-type: none"> • Reducing inequalities; • Promoting healthy lifestyles and preventing ill health; • Working better together to deliver prevention and early intervention at scale, high quality care and better value. <p>The revised Strategy has been jointly developed with the Bournemouth and Poole HWB, reflecting the pan-Dorset landscape of many services and partner organisations. In addition, the Strategy reflects the priorities and focus of the Sustainability and Transformation Plan, which is currently under development.</p> <p>The intention is for the Strategy to be formally agreed by the Board on 31 August 2016, following the period of consultation in June and July.</p>
