

# Dorset Police and Crime Panel

Date of Meeting	27 September 2018
Officer	Chief Executive, Dorset County Council
Subject of Report	<b>Spotlight Scrutiny Review – Body Worn Video</b>
Executive Summary	<p>The Police and Crime Panel has committed to a structured process of scrutiny review work. To this end the Panel will recall that it supported a proposal to undertake a spotlight scrutiny review of Body Worn Video.</p> <p>In undertaking these pieces of work it is important to be clear that any scrutiny review that the Panel commissions is specifically designed to assess the Police and Crime Commissioners role in holding the Police to account. It is not for the Police and Crime Panel to seek to directly hold the Police Force to account.</p> <p>For this particular review the Panel appointed Iain McVie to perform the necessary work.</p> <p>On completion of this scrutiny work a final report has been compiled and is attached at Appendix A for formal presentation to the Police and Crime Panel.</p> <p>Overall the review has arrived at a very positive conclusion and provides a high level of assurance in respect of the current arrangements.</p> <p>Also, in the true spirit of constructive scrutiny, the Panel will see that the scrutiny review has included some suggested ‘scrutiny observations for the Police and Crime Commissioner to consider’, which we hope that he will find helpful.</p>
