

Appendix B

PARKING ON MILLDOWN ROAD

BLANDFORD

The residents of Milldown Road are becoming increasingly concerned about parking of cars between Jubilee Way and the gates to Milldown Primary School.

It is extremely dangerous for a number of residents to exit their driveways on to the road safely. Parking near to the pinch points makes it extremely difficult to see what is coming and when it is safe to go. There are accidents just waiting to happen.

Will the Town Council and County Highways please support our concerns by installing double yellow lines along the road to stop this unsafe, dangerous parking as a matter of urgency.
