Dear Sirs

I am the organiser of the enclosed Petition to request DCC to urgently include Meadowlands Estate, West Bay in the plans to restrict car parking in the area, as this problem is now out of control and prevents emergency vehicles accessing our roads.

The Petition has 59 signatures and 6 pages.

Yours faithfully

Ann-marie Knox

We, the undersigned, wish to Petition Dorset County Council to urgently include the Meadowlands estate, West Bay, in its plans to restrict car parking in the area. This problem has become out of control to the point that emergency vehicles cannot access if needed due to the number of visitors parked cars along Meadowlands, Buttercup Way and Bramble Drive. We ask that Dorset County Council restricts parking on these roads to residents ~~only~~ out of season only, and provide visitor permits.

18th April, 2017
