

RECEIVED
6 MARCH 2019

Petition.

Rylands Lane has traffic calming with humps and a chicane neither have been effective.

The chicane creates regular road rage incidents.

There is a busy entrance to a school on the lane and a very busy scout hut. The location of the lane and the frequent hold-ups on Portland Road encourage use of Rylands Lane as a 'rat-run'.

Petition signed requesting further investigation of traffic calming with the possible introduction of 20mph speed limit.

Submitted by Leah Ahmed,
38 Rylands Lane,
Wyke Regis
