To consider the following Notice of Motion submitted by Cllr S Bartlett:-

That there has been a failure of the Shadow Executive Committee to fulfil a promise to involve members from minority groups on Task & Finish Groups, which were originally set up to formulate policies and procedures for the new Dorset Council.

That the Shadow Council agrees that it has not, as promised, involved or engaged adequately with Town and Parish Councils regarding their future contribution to Dorset Council or any potential impact of establishing the new council on the services they provide.

That the Shadow Council acknowledges the importance of ensuring a clear statement of intent is placed on record such that in future within the Dorset Council there be cross party involvement immediately in the development of policies and procedures, as set out within the approved structure of the Dorset Council Constitution. And that further, Town and Parish Councils will be robustly engaged, on an ongoing basis, in respect of future service provision by the Dorset Council, which may have an impact on their councils.

The motion has been supported by:-
