**Building a Council for the 21st Century - Design Principles for the New Dorset Council Operating Model**

The Committee considered a report by the Interim Head of Paid Service on the principles for designing a council for the 21st century, which would include its role, the services it would provide, and the culture, structures, skills and ways of working required to deliver the new council. This built upon earlier sessions with the Institute of Local Government Studies (Inlogov). The development of the vision and operating model would be undertaken in early September 2018 and a date would be circulated to members very soon.

Decision

That the Design Principles be agreed.

Reason for Decision

These principles would support the next stages of designing the transformational work for the new council.
