

## Resources Scrutiny Committee - 19 August 2020

### Public Questions

#### Questions from Sarah Carney

- 1) We understand that £700,000 was spent on the hire of hotel beds to enable discharge of vulnerable patients from acute hospitals. Is it possible to know how many people in total were accommodated in the hotel rooms?
  
- 2) Is it possible to explain how and by whom the decision was made to hire these rooms?
