#### **1. Executive Summary**

The Dorset Police and Crime Panel's focus is to support and scrutinise the actions and decisions of the Dorset Police and Crime Commissioner.

Transparency is a key tool for the Panel; ensuring information is available to the public so that they can hold the Commissioner to account for his decisions.

The Panel's current work programme is attached. However it is important that the Panels Work Programme retains a sufficient level of flexibility to ensure that it can prioritise and consider any emerging issues. Panel members are therefore invited to review their Work Programme and identify any amendments or additions they wish to make.

The programme will be developed and updated over the course of the year to reflect new and emerging areas of work identified by the Panel.
