Dorset Coast Strategy

Policy Details

What is this policy for?	<p>The Dorset Coast Strategy 2011-2021 (DCS) is a high level non-statutory document which aims to set out a consensus view on the way in which the members of the Dorset Coast Forum will work together to improve the planning and management of the Dorset Coast and inshore waters. The goals of the Strategy are to:</p> <ul style="list-style-type: none"> • Establish integrated policy • Establish guidelines for more detailed coastal management plans • Identify strategic opportunities for resource development • Engage and develop participation of a wide range of partners • Develop a co-ordinated approach to strategy implementation • Identify solutions for sustainable coastal development, management and access • Evaluate success and report results throughout Europe and the UK
Who does this policy affect?	<p>This is a Strategy for the whole of the Dorset coast and for the members of the Dorset Coast Forum including Dorset Council. It is a document that promotes sustainable coastal and marine management. The philosophy behind the objectives and policies presented in the Strategy are supported in the many management plans, spatial plans, action plans and policy documents relevant to the management of the Dorset coast and sea.</p>
