

Weymouth and Portland – Key Results

Consultation Questionnaire and Household Survey Results ^[1]

This area summary report is provided for convenience and should be read in conjunction with the full report and executive summary.

To what extent do you agree or disagree ...

	... that Dorset's councils should focus on cutting out duplication and reducing administration costs wherever possible?			... with the proposal to replace the NINE existing councils (option 1) with TWO new councils (options 2a– 2c) in order to protect services as far as possible? ^[2]		
Open questionnaire	92%	4%	4%	78%	5%	16%
Representative Household Survey	87%	8%	5%	70%	12%	16%
	Agree	Neither	Disagree	Agree	Neither	Disagree

Please rate how important you think each of these criteria are where "10" means that the criteria is critically important and "0" means the criteria is of no importance.

Criterion	Open Questionnaire		Household Survey	
	Rank	Overall average score (out of 10)	Rank	Overall average score (out of 10)
Accountability	2=	9.0	2=	8.8
Quality	2=	9.0	1	9.0
Local Identity	5	7.5	5	7.7
Access	4	8.2	4	7.9
Value For Money	1	9.1	2=	8.8

If two new councils were created, to what extent do you support or oppose each of the possible options that are being considered? ^[2]

	Option 2A				Option 2B				Option 2C			
	Open Questionnaire	33%	12%	47%	-14	55%	12%	28%	+27	36%	13%	43%
Representative Household Survey	35%	20%	31%	+4	54%	16%	21%	+33	31%	16%	41%	-10
	Support	Neither	Oppose	Net	Support	Neither	Oppose	Net	Support	Neither	Oppose	Net

¹ The results above include all individuals who indicated that they lived in Weymouth and Portland and made responses to the relevant questions. This includes 700 respondents from the open questionnaire and 391 residents in the household survey.

² The proportion whose views are unknown for a specific option but who gave a valid response to at least one of the proposed options (option 1, option 2a, 2b or 2c) are included in the base but are not shown in tables. As a result, these percentages will not sum to 100%.

Further Comments ^[3]

All percentages shown are of those who gave further comments. Each individual may have made comments about multiple topics, so results will not sum to 100%.

Coded comment	Open Questionnaire	Representative Household Survey
	% of respondents who made comment	% of residents who made comment
Alternatives: one large unitary authority preferred/worked for Wiltshire/most cost-effective	16%	9%
Other comments: comments relating to town and parish councils (including comments about Weymouth getting a Town Council)	12%	2%
Concern about and opposition to general proposal: loss of local identity/links with local communities must be maintained/every area has different needs	11%	12%
Concern about and opposition to general proposal: loss of access/concern about loss of local services/urban areas will be prioritised over rural ones	9%	17%
Other comments: general criticism of consultation	8%	7%
Alternatives: infrequently suggested alternative proposals/other suggestions	7%	6%
Alternatives: reduce high salaries/managers and councillors should take pay cuts/pension cuts/fewer expenses/disagree with big redundancy packages	7%	8%
Other comments: need more information to make decision (e.g. need to see a business plan)	7%	2%
Concern and opposition about general proposal: loss of accountability/less direct involvement for people/more bureaucracy	7%	14%
Criticism of/issues with current situation: negative comments about current council/specific councils	7%	14%

Deliberative Workshops

This workshop took place on 21st September and had 16 attendees.

CRITERIA	AVERAGE RANK
Accountability	2
Quality of Services	4
Local Identity	5
Access	1
Value For Money	3

AREA	INITIAL OPINIONS Proportion (%) favouring reducing number of councils	FINAL OPINIONS Proportion (%) favouring reducing number of councils
Weymouth & Portland	56% (9/16)	56% (9/16)

AREA	Option 2a % support	Option 2b % support	Option 2c % support	Don't know/ Abstain
Weymouth & Portland		50% (8/16)	50% (8/16)
