Place and Resources Scrutiny Committee – 11 May 2021

Agenda item 5 – Questions from Members

Questions from Councillor Carole Jones re: Grid Capacity

1. What is the cost to Dorset Council for the lack of capacity on the North Dorset Business Park and in general for the town if house building is unable to proceed, & can this be clawed by from the provider at all? If not, is the provider not taking their responsibility seriously and can we do anything about it?
2. As there are a number of areas with a lack of grid capacity, - does there have to be some sort of priority list drawn up if so, whose responsibility is this and how would this be decided upon.
