Place and Resources Scrutiny Committee – 12 May 2021

Agenda item 3 - Public Participation

Question received from Helen Sumbler

"At the last Scrutiny Committee I asked a question about the lack of a current Implementation Plan for LTP3, which was responded to by Portfolio Holder Cllr Ray Bryan. While the answer was informative and interesting, it did not answer why it is acceptable to the Scrutiny Committee that no current Implementation Plan exists for LTP3.

Although it is not recorded on the Minutes, one of the committee members commented that questions directed at the Scrutiny Committee were not answered by the committee. I believe it was mentioned that the committee would be able to review the questions and answers later.

I am endeavouring to understand how the full impact of the decision not to produce, and make available to the public, the next scheduled Implementation Plan for LTP3 was considered, and what mitigating actions have and are being taken to inform the public about the implementation of LTP3 in the absence this Implementation Plan, until such time as a new Local Transport Plan is published.

Could I ask if the Scrutiny Committee has reviewed my question and the answer given and once again ask for an explanation of why it is acceptable that no current Implementation Plan exists for LTP3?"
