Subject: Re: TEN - No.10, Bridport - OBJECTION

Hi all

I am emailing you today about the objection for our TEN for new year eve/day.

We will follow all conditions that our already on our premises license.

I have already got three door staff booked for this night with is more then what is on our license.

And with the noise complaints, I have taken the decision not to have a DJ/band on this night so we can keep the noise to a minimum for our neighbours.

If you would to talk to me about this feel free to call me

Craig Horton

Subject: RE: TEN - No.10, Bridport - OBJECTION

Dear Mr Horton,

I don't intend to repeat the concerns beyond what has already been highlighted in my report. Whilst I am pleased that you have recruited an additional member of SA staff, it will be a matter for you to reassure the Sub-Committee at the hearing as I will not be reconsidering my stance at this time as my concerns remain as per the report.

Regards,

Gareth Gosling 2551
