Question to Cabinet 26 July 2022

1. Question from Jenny Maraspin – Head teacher at The Swanage School

Home to School Policy 2022-23

The Swanage School is an excellent example of how the free school programme has been exceptionally successful. The school is truly an asset for the children and parents of Swanage and rural Dorset. It is therefore puzzling that the Dorset Council Home to School Transport policy continues to discriminate against it.

In summary - The key points we are raising are as follows:

- **Climate Change** - Every year, Dorset Council spends a significant amount of money transporting students who live in Swanage, which has its own established and successful secondary school, to a school which is not their nearest secondary school. Contrary to all established national practice and policy. This has a huge detrimental impact on the environment and is an unnecessary, unethical financial burden on the local transport budget, which is only going to get more costly given the huge inflation in fuel costs.
- **Parent Concern** - Parents who live outside Swanage whose children attend The Swanage School are not given the same deal and have to pay for their transport. They correctly argue this is discriminatory. Some have appealed and have been awarded bus passes on these grounds. This is the biggest concern raised in the School's parent survey each year.
- **Discriminates** - The proposed Dorset transport policy has a 'special clause', 1.1.3 which explicitly discriminates against The Swanage School, disregards its catchment area and is completely contrary to national and local school transport policy. The council explained it was implemented to give Swanage parents a choice, a commitment dating back to 2011. Surely 10 years is long enough!
- **Treating All Equally & Fair** – Dorset Council abide by this phrase, yet in this case fail to do so!

Just before the pandemic broke I had a meeting with Mark Blackman who assured her that moving forward Dorset Council would be addressing this issue on the principle that Dorset Council should only be providing free transport to the nearest school and recognised that the current practice was a very costly luxury that they could no longer afford to fund or continue to try and justify. But then the pandemic broke out and we all had bigger things to worry about.

The current transport policy consultation has brought this issue to the forefront again.

The Swanage School asks for a common-sense approach to this longstanding issue, but also feels the time has come to take legal action if the matter is not resolved in the current policy review process.

Question:

Given the above facts, how can the chamber reconcile the hypocrisy?

Councillor Questions for Cabinet 26 July 2022

Question 1 from Cllr B Heatley

The forecast overspend for the current year, excluding the Dedicated Schools Grant, is £6.6m (para 18.1, Quarter 1 Financial Management Report 2022/23). Para 9.3 reports that CPI inflation has now reached 9.1% as the report was written (but now 9.4%). What assumptions about monthly inflation for the rest of the year and the local government pay settlement underlie the £6.6m forecast?

Question 2 from Cllr B Heatley

A further £14.9m overspend is predicted for the Dedicated Schools Block (para 10.9, Quarter 1 Financial Management Report 2022/23). Where will this money come from?
