9. BUDGET STRATEGY AND MEDIUM-TERM FINANCIAL PLAN

3 - 16

To consider the Budget recommendations from Cabinet.

Appendix 2 to the report to be published as soon as it becomes available.

Addendum to Full Council report on budget strategy

1. Background

- 1.1 The Dorset Council budget strategy and medium term financial plan which was published ahead of the 14th February 2023 Full Council meeting was based on funding assumptions contained within the *provisional* local government financial settlement. The provisional settlement was published on 19 December 2022.
- 1.2 On 6 February 2023, the Secretary of State for Levelling Up, Housing and Communities, Michael Gove, provided a statement to Parliament regarding the *final* local government finance settlement for 2023/24.
- 1.3 The final settlement provided Dorset Council with an additional £362k in funding which had not been anticipated. This budget addendum provides an update to the Council Papers to take account of that additional funding.

2. The statement

- 2.1 On 6 February 2023, the Secretary of State for Levelling Up, Housing and Communities, Michael Gove, provided a statement to Parliament regarding the final local government finance settlement for 2023/24.
- 2.2 The settlement has ensured that councils across the country have further resources available to deliver services to their communities.
- 2.3 In recognition of the work undertaken by councils, this Settlement makes available an increase of 9.4% in cash terms of national level Core Spending Power. This makes available £5.1 billion in additional resources, to help local authorities to support their communities through challenging times.

This is an increase of £291k for the Rural Services Delivery Grant and £71k for the Services Grant. This money has been set aside in the contingency budget to support inflationary pressures.
