1. **Executive summary (maximum of 500 words)**
 - 1.1 The Supported Housing (Regulatory Oversight) Act 2023 introduced the intention to begin regulation and licencing of Supported Housing services in England.
 - 1.2 The first requirement of the act is that Local Authorities produce a Supported Housing Strategy.
 - 1.3 In February 2026 MHCLG published statutory guidance on production of the Supported Housing Strategy, confirmed that all Local Authorities must publish their strategies by the deadline of 31 March 2027, and provided new burdens funding to support this work.
 - 1.4 Dorset Council has engaged the Housing Learning Improvement Network (Housing LIN) to undertake the Needs Assessment and produce a first draft of the strategy, using the new burdens funding available to us.
 - 1.5 Officers will deliver a presentation to the Board summarising the Act, the statutory guidance, and Dorset Council's approach to delivering this strategy by the deadline.
2. **Recommendation(s)**

- 2.1 That the board are brought up to date with progress of this work, and the next steps and timescales for delivering a Supported Housing strategy by 31 March 2027

3. Reason for the recommendation(s)

- 3.1 No decisions are required at this stage, but the completed draft strategy will be brought back for review and approval at a later stage.

4. The report

- 4.1 The board will hear a short presentation explaining the Supported Housing (Regulatory Oversight) Act 2023, the requirements of the statutory guidance for production of a Supported Housing Strategy, and an update on Dorset Council's progress.
- 4.2 The presentation will cover the needs assessment methodology, the approach to stakeholder and community engagement, and will explain that the Housing Learning Improvement Network (Housing LIN) have been commissioned to support production of the needs assessment and strategy via the new burdens funding.
- 4.3 The strategy will cover a 10-year period, dating from 2026 to 2036. There is a requirement to review the strategy after 5 years, but by covering a longer period this will give confidence to supported housing providers to invest in Dorset over the long-term.
- 4.4 The strategy will cover a wide range of supported housing service types, providing services to a wide range of cohorts of people. This will be fully explained in the presentation.
