9. Details

9.1. A Temporary Event Notice (TEN) was served on the Licensing Authority on 14 October 2021 for an event at No. 10 Café Bar, 10 East Street, Bridport, DT6 3LF by Craig Horton. The Notice is attached at appendix 1.

9.2. The TEN is for a Halloween on Saturday 30 and Sunday 31 October between 02:00 and 04:00. This would be to extend the current premises licence which finishes at 02:00. The premises licence is attached at appendix 2.

- 9.3. The TEN is for the sale of alcohol on the premises, regulated entertainment and late-night refreshment. The numbers attending will be 60 people including any staff performers or organisers.
- 9.4. The Notice was served on the Dorset Police and Environmental Protection Team on the 15 October.
- 9.5. Objection notices were served on Mr Horton by Environmental Health and Dorset Police within the statutory three working days consultation period. The notices are attached at Appendices 3 and 4.

10. Considerations

- 10.1. "The system of permitted temporary activities is intended as a light touch process, and as such, the carrying on of licensable activities does not have to be authorised by the licensing authority on an application. Instead, a person wishing to hold an event at which such activities are proposed to be carried on (the "premises user") gives notice to the licensing authority of the event (a "temporary event notice" or "TEN")." Paragraph 7.2 of the Section 182 Guidance.
- 10.2. "The police or EHA ("relevant persons" for the purposes of TENs) may intervene to prevent such an event taking place by sending an objection to the licensing authority, which the licensing authority must consider on the basis of the statutory licensing objectives and decide whether the event should go ahead. ... If a relevant person sends an objection, this may result in the licensing authority imposing conditions on a TEN but only where the venue at which the event is to be held has an existing premises licence or club premises certificate. When giving a TEN, the premises user should consider the promotion of the four licensing objectives." (Part of Paragraph 7.6)
- 10.4. Paragraph 7.34 of the Guidance states "Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions which already apply to an existing premises licence or club premises certificate at the venue or issue a counter notice to prevent the event going ahead."

11. Recommendation

11.1 The Sub-Committee considers the notice in the light of written and oral evidence and resolves to take such steps as it considers appropriate and proportionate for the promotion of the licensing objectives of;

- a) the prevention of crime and disorder
- b) the prevention of public nuisance
- c) public safety
- d) the protection of children from harm.

11.2. The steps that the Sub-Committee may take are:

- a) issue a counter notice for the event which will not allow it to occur.
- b) issue a Statement of Conditions setting out any conditions from the relevant remises licence that are to be imposed on the TEN
- c) not to issue counter notices and allow the event as applied for.

Footnote:

Issues relating to financial, legal, environmental, economic and equalities implications have been considered and any information relevant to the decision is included within the report.

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);

- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or
- the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is not displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);

the standard scale, currently £1,000);

- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine not exceeding level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance; and
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 10 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours or seven days.

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 includes not only the audience, spectators or consumers but also, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 13

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 10 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1st January to 31st December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year. However, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an “associate”.

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user. Note 14 below sets out the definition of an “associate”.

Note 14

An “associate” of the proposed premises user is:

- a. the spouse or civil partner of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or

d. the spouse or civil partner of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

Note 15

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the further police force and local authority exercising environmental health functions.

Note 16

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 17

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement.) To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 18

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of its receipt of the notice.

Good Morning Aileen,

On behalf of Dorset Police I wish to object to the recent Temporary Event Notice (TEN) submitted on behalf of No.10, Bridport on the grounds that to allow the TEN to take place would likely undermine the licensing objectives, specifically the licensing objective to Prevent Crime & Disorder.

I have attached a summary of the concerns that I have and I would be grateful if you could arrange for the notification and attachment to be sent to the operator at No.10 on my behalf.

Many Thanks,

Gareth

Temporary Event Notice - Objection

.....

No.10

This report is to be considered alongside the notice of objection submitted to the Licensing Authority. It is the intention of Dorset Police to avoid any repeat of information previously submitted and to provide both the licensee (or their representative) and members of the Licensing Sub-Committee with additional information, context and evidence in support of the objection. This report is being completed and submitted as soon as practicable for the benefit of all parties. Whilst all details are correct at the time of completion, Dorset Police reserve the right to amend / introduce additional information and evidence in advance of the hearing.

Background

This premise is located in Bridport, Dorset and enjoys a generous licence which permits a variety of licensable activities between 8.00am and 11.59pm on weekdays and up to 2.30am at weekends. The premises are one of only two premises that have extended hours permitted in this area.

The operators at No.10 have in the past applied for and operated under Temporary Event Notices (TENs) for several specific weekends over the past 12 months, extending the operating hours and licensable activity further until 4.00am.

Concerns

To permit the TEN as applied for would disapply the Annex 2 and Annex 3 conditions that are attached to the Premises Licence at No. 10. These conditions have been agreed previously with the licence holder to ensure that the licensing objectives are promoted, the safety of the public is maintained and the demand upon emergency services is minimised. Undertakings by the person serving the Temporary Event Notice to uphold the conditions of the Premises Licence is unenforceable and should be avoided where there are existing concerns regarding the premises.

Dorset Police have been advised by the Town Council of Bridport that there is concern amongst residents regarding the frequent applications to extend the licensable activities at No.10, particularly at times that are already busy for the local area. As Dorset Police and Environmental Health are the only permitted authorities entitled to make representations in respect of Temporary Event Notices, it would be inappropriate to elaborate further on these concerns.

It is evidently the intention of the licence holder at No.10 to extend their licensable activity from 2.00am until 4.00am during specific occasions throughout the year, this occasion being for two days associated to 'Halloween'. Dorset Police believe this type of extension, which we know to have a significant impact on the residents in the area, should be applied for under a Variation to the Premises Licence.

The key benefits to this approach would be the following –

- Greater opportunity for the licence holder to plan future events
- Enable an enhanced opportunity for engagement and consultation with key stakeholders in the community who are most affected by the extensions to the hours
- Opportunity for responsible authorities to work with the licence holder to agree tailored conditions to enable the licence holder to better promote the licensing objectives during extended hours.

The continued use of Temporary Event Notices for extensions to the licensable activities place an additional strain on emergency services, often at short notice. It is always the intention of the Local Inspector to allocate resources pro-actively to locations which present the highest risk of demand and this planning often takes place far in advance of receipt of Temporary Event Notices.

Annex 2 Licence Conditions

Please see below conditions that are currently attached Annex 2 – Prevention of Crime & Disorder of the existing Premises Licence at No.10. These conditions are not automatically applied to the TEN.

1. The Management of the premises will complete a written Risk Assessment giving the reasons as to why there is no requirement for extra door supervisors other than the minimum of two SIA door supervisors stipulated, or the reasoning behind no requirement for door supervisors, giving clear reasons as to why this is the case. Examples of these events are, but this is not an exhaustive list, Saint Days, World Cup and Major National and International Sporting Events. This written Risk Assessment to be kept at the premises and made available for inspection by Police and authorised Licensing Authority Officers.
2. A minimum of two SIA registered door supervisors shall be dedicated door supervisors on duty on each occasion, one located on the main entrance and one to supervise the outside garden and back area of the premises and also to assist inside the premises when further assistance is required.
3. All SIA registered door supervisors on duty to wear High Viz clothing and to clearly identify them as Security staff. (This clothing can be long or short sleeved).
4. For all SIA registered door supervisors working at the premises to sign in a book, giving date, start and finishing times, their names and details of their SIA badge numbers and expiry date. For this to be made readily available to Police and authorised Licensing Authority Officers upon request.

Annex 3 Licence Conditions – Attached after a Hearing by the Licensing Authority

Please see below conditions that are currently attached Annex 3 following a hearing by the Licensing Authority of the existing Premises Licence at No.10. These conditions are not automatically applied to the TEN.

1. The maximum number of persons resorting to the premises at any one time, including staff, shall not exceed 60. The premises licence holder will implement measures to ensure that this limit is strictly adhered to, with a written record kept and checked hourly from 2000 hours until close of business each evening. This log must be made available to the Police or an authorised officer on request.
2. An effective CCTV shall be installed on the premises and maintained in good working order at all times with a minimum of 28 days continuous recordings. There must be sufficient cameras able to cope with operating illumination and located to cover all public areas. The cameras covering the main entrance must be to identification standard, with the remainder capable of recognition. There shall be sufficient members of trained staff available during the hours of operation to be able to copy/download recordings at the request of the police or an authorised officer.
3. There will be a minimum of 2 SIA registered door supervisors deployed at the premises from 2200 hours until the close of business, on every Friday, Saturday, New Year Eve, Carnival Day (from 1700 hours), bank holidays and any other occasion or event where considered necessary to promote the licensing objectives.
4. All staff will be trained upon induction and at least every six months thereafter, regarding their lawful and social responsibilities for the sale of alcohol. A written record of training will be kept and made available upon request to the Police or an authorised officer.

Summary

The above conditions have been carefully agreed to reflect the operating hours and licensable activities as originally applied. Whilst most of these conditions are appropriate to any extension to the premises, some of the conditions would ordinarily be enhanced to reflect the increased concern.

Available Outcomes for the Sub-Committee

To assist the members of the Sub-Committee, Dorset Police make the following submissions in relation to the available outcome options in respect of this objection to a Temporary Event Notice –

Allow the Temporary Event Notice as applied for

Dorset Police do not consider that this option would be appropriate. This is a licensed premise with generous operating hours, exceeding many of the neighbouring businesses operating in the same sector.

It would be inappropriate for the Temporary Event Notice to take place without any conditions to assist the operator to promote the licensing objectives.

Attach Conditions to the Temporary Event Notice if –

- **Appropriate for the promotion of the licensing objectives**
- **The conditions are also imposed on a premises licence that has effect on this or part of the same premises, and**
- **The conditions would not be inconsistent with the carrying out of the licensable activities under the Temporary Event Notice**

Dorset Police are of the view that if the Sub-Committee were inclined to permit the event with attached conditions, that all conditions of the existing licence should be applied. This is appropriate to promote the licensing objectives.

There are no conditions that are inconsistent with the extension of operating hours.

Please note that to further promote the licensing objectives, Dorset Police would ordinarily encourage conditions for the following areas of concern to be applied to a Premises Licence, to further assist the licence holder to promote the licensing objectives, where they operated into the early hours of the morning –

- Implementation of a dispersal policy to reduce the impact of customers leaving at 4.00am.
- Requirement for an enhanced minimum number of SIA Door Supervisors.
- Time of last admission/re-admission / Queuing policy - Prevent adverse disturbance outside premises.
- Search / Drug policy – Late night premises often attract a greater proportion of individuals intent on using/distributing drugs and other illicit substances.
- Welfare procedures/policy – To ensure that those most at risk of harm, in particular lone women, are protected from harm as much as possible by the premises operators.

Attaching additional conditions to a Temporary Event Notice is not permitted by the Licensing Act 2003 and this outcome may therefore not be appropriate if the Sub-Committee were inclined to support our concerns regarding the above areas of concern.

It would therefore be inappropriate to elaborate further on these conditions during the hearing.

To reject the Temporary Event Notice as applied for and issue a Counter Notice

Dorset Police remain of the view that to permit the extension of the existing licensable activities to 4.00am risks undermining the licensing objectives. This option remains our preferred outcome.

Conclusion

The operator should be encouraged to seek a variation of the premises to enable the extension of licensable activities on certain occasions as a sustainable alternative to applying for Temporary Event Notices. A variation application will enable a consultation to take place between the operator, Responsible Authorities, stakeholders and the local community.

Dorset Police do not intend to elaborate a great deal on the above during the Sub-Committee hearing, however, we will ensure our availability to answer and queries and provide any further support/advice to the Sub-Committee as required.

Dear Mr Hortin,

I have reviewed your TEN application for No.10, 10 East Street, Bridport, DT6 3LF for the 30th and 31st October 2021 (Halloween parties 2am-4am). On behalf of the Environmental Health Department I wish to object to this TEN under the Licensing Objectives of The Prevention of Public Nuisance.

As you are already aware our department have an open noise complaint in relation to the venue and the evidence currently being gathered appear to indicate that excessive noise is audible in nearby residential properties and remains uncontrolled by the DPS (or their representatives) on site, extending your hours further will only exacerbate the problems that are likely to arise, particularly as you have requested 2 nights and the requested extension is the day before a 'working' weekday for the majority of working people.

If I can be of any further assistance, please do not hesitate to contact me. I have cc'd in licensing colleagues (and blind copied the other responsible authority) who will be able to inform you of your next steps on this matter.
