Report Status: Public

Brief Summary: An application has been made for a variation to the premises licence for Chic Bar and Club, Weymouth to extend the opening hours and amendment to some conditions under Appendix 2 of the premises licence. The application has been out to public consultation and has attracted relevant representations. A Licensing Sub Committee must consider the application and representations at a public hearing.

Recommendation: The Sub-Committee determines the application in the light of written and oral evidence and resolves to take such steps as it considers appropriate and proportionate for the promotion of the licensing objectives of;

- a) The prevention of crime and disorder
- b) The prevention of public nuisance
- c) Public safety
- d) The protection of children from harm

The steps that the Sub-Committee may take are:

- a) to modify the conditions of the licence;
- b) to reject the whole or part of the application.

Reason for Recommendation: The Sub-Committee must consider the oral representations and information given at the hearing before reaching a decision.

1. Background

- 1.1 Section 4 of the Licensing Act 2003 sets out the duties of the Licensing Authority, it sets out that a Council's licensing functions must be carried out with a view to promoting the four licensing objectives of:
- (a) the prevention of crime and disorder;
 - (b) public safety;
 - (c) the prevention of public nuisance; and
 - (d) the protection of children from harm.
- 1.2 All applicants and decision are made with due regard to the [Licensing Act 2003](#) (the Act), the [Revised Guidance issued under Section 182 of the Licensing Act 2003](#) (the Guidance) and the [Dorset Council Statement of Licensing Policy](#) (the Policy).

2. **Details of the application**

- 2.1 A variation of the premises licence for Chic Bar and Club has been submitted to the Licensing Authority by Mr Parviz Panjalizadeh-Marseh for Chic Bar and Club at 3-5 Maiden Street, Weymouth. The application can be found at Appendix 1.

- 2.2 The application is to amend the following on the current licence:

Venue closing time to 0330 hours.

Licensable activities to cease at 0300 hours.

80% of patrons to have their identification to be scanned and searched.

Two Security Industry Authority (SIA) registered security during Sunday to Thursday, three SIA registered security Friday to Saturday when one floor is open, another SIA registered security when both floors are open.

Last entry of 0230 hours for patrons

Omit female SIA registered security to be present at all times.

Security risk assessment to be provided when special events are operated.

2.3 **Responsible Authorities**

- 2.4 Section 13 of the Licensing Act contains the list of Responsible Authorities who must be consulted on each application. Dorset Police, Dorset and Wiltshire Fire Service, Public Health Dorset, the Immigration Authority, Dorset Council Trading Standards, Dorset Council Children's Services, Dorset Council Planning, Dorset Council Licensing, Dorset Council Environmental Protection and Dorset Council Health and Safety have all been consulted.

3 History of the premises

- 3.1 The premises was formally known as Actors and had its licence revoked after a summary review hearing that had been brought by the police in December 2021.
- 3.2 Mr Panjalizadeh-Marseh appealed that decision, and this was settled by way of a consent order on the 6 June that reduced the times on the licence and added a suite of conditions to allow the premises to trade again.
- 3.3 The premises re-opened for business on 28 July 2022. A copy of the current licence is at Appendix 2.
- 3.4 Since the premises re-opened in July 2022 Mr Panjalizadeh-Marseh has submitted four temporary event notices (TENs) to extend the hours of Chic Bar and Club.
- 3.5 Two of these TENs were objected to by Dorset Police under the Licensing Objectives of the Prevention of Crime and Disorder and Public Safety on the basis that this would act against the agreed position at Court.
- 3.6 The Licensing Sub Committees who heard these two TENs decided to allow these Notices to go ahead by issuing a Notice (Statement of Conditions) which allowed the events to go ahead with the conditions of the premises licence attached to the TEN.
- 3.7 There were two TENs that the applicant submitted, which were not objected to by Dorset Police. This was to give the applicant an opportunity to prove that they could manage these events under a TEN, without conditions being applied via a Committee Hearing and also being able demonstrate that they could operate a safe environment for their customers and staff. Following these two TENs, Dorset Police received no complaints of any crime and disorder and public safety.
- 3.8 One representation to this application to vary the premises license was received from Dorset Police which can be found at Appendix 3.
- 3.9 There were two representations received from interested parties, including one from Weymouth Town Council. These can be found at Appendix 4.
- 3.10 The Licensing Act 2003 Section 182 Guidance (the Guidance) sets out at 8.13 the role of “other persons”:

“As well as responsible authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to applications for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographic proximity to the premises. In addition, these persons may themselves seek a review of a premises licence. Any

representations made by these persons must be 'relevant', in that the representation relates to one or more of the licensing objectives. It must also not be considered by the licensing authority to be frivolous or vexatious. In the case of applications for reviews, there is an additional requirement that the grounds for the review should not be considered by the licensing authority to be repetitious. Chapter 9 of this guidance (paragraphs 9.4 to 9.10) provides more detail on the definition of relevant, frivolous and vexatious representations.

3.11 The Guidance states at paragraph 9.4 what a "relevant" representation is;

"A representation is "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by **the** applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives."

4. Considerations

4.1 Paragraphs 9.42 to 9.44 of the Section 182 Guidance sets how the Licensing Authority should decide what actions are appropriate.

"9.42 Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.

9.43 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.44 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. While this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters. As with the consideration of licence variations, the licensing authority should

consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination.”

Good afternoon

On behalf of the Chief Officer of Police I would like to object to this full variation on the grounds of the Licensing Objective of the prevention of crime and disorder.

We believe that by reducing the percentage of patrons searched and ID checked upon entry, this could lead to an increase in crime and disorder at the premises. Since its reopening in July 2022, this has proved to be an effective deterrent in reducing the number of incidents previously seen before the 100% condition was applied. We think that the increase in times requested would be acceptable provided there still remains sufficient conditions to mitigate any potential disorder, but this would include keeping all persons entering the premises being searched and ID checked.

Many thanks
Kirsty

Good morning,

Please find below a representation from Weymouth Town Council regarding the application for a premises license for Chic Bar and Club:

This application has been considered by members of the Planning and Licensing Committee and the Council would like to object on the following grounds:

- Prevention of crime and disorder – Reducing searches and ID checks to 80% is decreasing the preventative measures for crime and disorder.
- Prevention of public nuisance – Later opening and last entry times will lead to later noise on the street, going against the cumulative impact policy.
- Public Safety – A reduction in searches and door staff will have a negative impact on public safety as they are reducing the preventative measures currently in place and thus increasing the risk.
- Protection of children from harm – The premises should be checking 100% of patron IDs.

The Council believes the license for the venue should remain unaltered.

Kind Regards

Dear Sir/Madam,

RE: Application to vary WPPL0293, Mr. Parviz Panjalizadeh-Marseh (Chic Bar)

The above application requests an extension of opening, licensed activity and last entry hours, a reduction on security staff and entry checking and removing conditions regarding female security.

The additional steps described to promote licensing objectives A and B includes 'CCTV operation, ID Scanner, Door staff and searches, Risk number control, welfare room with first aider' and continue for C to include 'noise reduction measures, CCTV' and for D to 'challenge age, staff training, license holder presence'.

There are various elements in changes and additional steps to comment on:

- **Variation:**
 - extended opening and last entry hours mean **longer periods for noise from the street** as patrons arrive and leave the premises (sometimes quite inebriated) and well into the early morning
 - fewer door checks and security staff **increases risk of illegal substances** being brought into the premises and **decreases ability to continue to effectively monitor** patron behaviour
 - SIA registered proposal (4) is **confusing in explaining** when 1 or 2 floors are open
 - removal of need for female security **increases risk to females on their own** caught in a dangerous situation
 - Security Risk Assessment will be provided for special events, but **none is included** in this application and **creates question whether any assessment of risks** have been made when applying to reduce security measures and increase risk?
- None of the steps in section M except for 'Staff Training' are **Additional** steps:
 - these activities **should be already happening under current licence** at the premises
 - in essence **no new activities are listed** to warrant licence change
- **Training:**
 - applicant **fails to show what sort** of training will be completed; ensuring that staff are qualified
 - application is **weakened** by not quoting any training courses/occasions completed; should be easily accessible as current licence requires record keeping

The applicant also makes no proposals (and currently there are no controls in place) to reduce increased risk of patron's poor behaviour, including violence, noise and litter on the street outside the premises and a worryingly lack of awareness is displayed in that surrounding area is predominantly residential while doing little to reduce effect of street noise from customers arriving, leaving or standing outside.

In the period leading up to Actors being closed, there were numerous episodes of public disorder on Maiden Str. Records will show 101 calls and submissions to Dorset Council ASB website regarding fighting, noise and other nuisances. All had an adverse effect on the quality of life especially at night. We'd go to bed hoping that any noise was not too disturbing.

When Actors (previous premises name) was closed between December 2021 and Jun 2022, the difference in day to day living was profound because there was no nuisance directly attributable to the venue and any disturbances were minimal and bearable.

Since Chic has opened this year there has been a return of poor behaviour blighting that section of Maiden Str. The videos sent with this letter show the level of noise with the window closed (Video A - the music from the club can be heard) and an example of effect of patrons congregating outside premises (Video B). This video is with the window open; in the summer, it is not unreasonable to expect to be able to sleep with an open window on a warm night.

There are **no illustrations of any improvements made** or planned by applicant to ensure a changed licence will be adhered to or that increased safety risks are mitigated, thus I object to the application.

This relates to **all four Licensing Objectives as all are potentially negatively impacted** with increased overall safety risk and I feel the variance application should be carefully considered.

Kind regards,
