Part 1 – Summary and Articles

Summary and explanation

On 1 April 2019 a new Dorset Council took on responsibility for local government services previously delivered in Dorset through five district councils and a county council.

Dorset Council and its counterpart the Bournemouth Christchurch and Poole Council are the first new councils to be formed in England in a decade.

The Local Government Act 2000 requires a council to set out in a constitution how the council operates. Forming a new Dorset Council has provided an opportunity to start afresh. With a minimum of bureaucracy the purpose of this constitution is to provide an efficient and effective framework for:

- How the Dorset Council operates
- How its decisions are made and
- The procedures and rules which will be followed.

Some of the rules and procedures explained in this constitution are required by the law and are needed to ensure that those responsible for important public services are accountable and make their decisions in the public interest.

Wherever possible though the constitution uses plain English because the intention is to provide a clear and accessible explanation of how the council operates.

The first major review of the Constitution took place at the beginning of 2020 so that changes could be introduced with effect from the annual council meeting.

Dorset Council is a learning organisation and is committed to improving the arrangements described in this constitution. If you have suggestions for how the constitution of Dorset Council can be improved then please contact Jonathan Mair, Monitoring Officer.

CONSTITUTION OF THE COUNCIL

This Constitution sets out how Dorset Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 16 articles, which set out the basic rules governing the Council's business. More detailed procedures and some of the Council's codes of practice are provided in separate rules and protocols at the end of the document.

What is in the Constitution?

Article 1 of the Constitution commits the Council to ensure that decisions are taken in an effective and efficient manner and that those responsible for decision-making are clearly identifiable to the public. Articles 2 – 16 explain the rights of members of the public and how the key parts of the Council operate.

- Members of the Council (Article 2)
- Members of the Public and the Council (Article 3)
- The Full Council (Article 4)
- Chairing the Council (Article 5)
- The Executive (Article 6)
- Overview Committees and Scrutiny Committees (Article 7)
- Committees and Boards (Article 8)
- Standards (Article 9)
- Community Engagement (Article 10)
- Other arrangements (Article 11)
- Officers (Article 12)
- Decision making (Article 13)
- Finance, contracts and legal matters (Article 14)
- Review and revision of the Constitution (Article 15)
- Suspension, interpretation and publication of the Constitution (Article 16)

How the Council operates

The Council is composed of 82 councillors (referred to as Members) normally elected every four years. The first two terms will each be of five years, commencing in 2019. Members are democratically accountable to residents of their ward. The overriding duty of Members is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

All Members meet together as the Council. Formal meetings of the Council are open to the public except in relation to certain exempt or confidential matters. Here Members decide the main policies of the Council and set the budget each year. The Council approves the creation of Committees and Committee membership from nominations by political groups (unless in any year the Council dis-applies political balance rules). The Council also appoints one Member to be its Leader.

Strategic decisions

The Council operates a Cabinet and Leader governance model by which all executive powers vest in the Leader. The Leader then makes arrangements for others to be able to exercise executive powers on his or her behalf.

The Executive (also sometimes referred to as the Cabinet) is made up of the Leader plus a membership of between 2 to 9 (inclusive) other Members appointed by the Leader. Political balance requirements do not apply to the Executive.

When executive Key Decisions are to be made, these will normally be published on a Forward Plan, in so far as they can be anticipated.

The Executive usually takes the lead in deciding a number of strategic matters. Formal meetings of the Executive are open for the public to attend except where certain exempt, confidential or private matters are being discussed.

Certain types of decision which have been identified as being of particular importance and are expressly reserved to Full Council to decide (see - Article 4 Full Council – Part 1 of the Constitution). Such matters will often be considered by the Executive in advance who will then make recommendations for Full Council to consider.

Overview and Scrutiny

The Council has 2 Overview Committees and 2 Scrutiny Committees that support the Council. The Overview Committees and the Scrutiny Committees each have themes to which they give specific focus and each play an important role in reviewing and scrutinising the Council's policies, budget and service delivery. The Overview Committees and the Scrutiny Committees operate on their own initiative but the Overview Committees may also be consulted by Leader/Executive or the Council on forthcoming decisions and the development of policy.

The Council operates a 'call-in' procedure in respect of executive decisions. Call-in enables certain decisions that have been made but not yet implemented to be called in for review by a Scrutiny Committee which can then make recommendations to the Leader/Executive.

Other arrangements

In addition to its Overview Committees and its Scrutiny Committees, the Council has a number of other committees which make decisions, for instance deciding planning applications. The Council also has a Health and Well-Being Board through which the Council works with external partners.

The Council has also entered into arrangements with other Councils to create joint/shared opportunities for the delivery of some of its functions and activities. These arrangements take a variety of forms including Joint Committees; further details of these other arrangements can be found in Article 11 – Other Arrangements – Part 1 of the Constitution.

The Council will look to remove barriers between it and town/parish councils and our shared communities so that issues are addressed together. To that end the Leader may enter into protocols and concordats or establish area consultative forums with a focus on local issues.

The Council's Staff

The Council has people working directly and indirectly for it (called 'Officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some Officers have a specific duty to ensure that the Council acts within the law and uses its resources

wisely. A code of practice governs the relationships between Officers and Members of the Council – see Codes and Protocols – Part 4 of the Constitution.

Rights of members of the public

Members of the public have a number of rights in their dealings with the Council. These are set out in more detail in Article 3 - Members of the Public and the Council – Part 1 of the Constitution. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific Council services they may have additional rights. These are not covered in this Constitution.

Members of the public have the right to:

- vote at local elections if they are registered and eligible;
- contact their local councillor about any matters of concern to them;
- access a copy of the Constitution;
- attend formal meetings of the Council and its Committees, Boards and Sub-Committees except where exempt or, confidential matters are being discussed or the meeting is being held in private;
- normally find out from the Forward Plan what key decisions are to be discussed by the Executive or decided by the Leader, Executive or Officers, and when;
- ask questions, make statements, attend as a deputation and submit petitions at Full Council meetings to the extent identified in the Council and Committee Procedure Rules – Part 2 of the Constitution;
- see publicly accessible reports and background papers, and any record of decisions made by the Council, its Committees and Sub-Committees;
- complain to the Council about something the Council has done wrong, something that the Council should have done or if the Council has not treated a citizen in a professional or civil manner;
- complain to the Local Government and Social Care Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process; and
- Inspect the Council's accounts and make their views known to the external auditor.

Annex to Article 6:

Schedule of the Delegation of Executive functions by the Leader:

Article 6 of the Constitution describes how Executive arrangements operate within Dorset Council.

Article 6.13 requires that as Executive Leader I must maintain an up-to-date list setting out the responsibilities of others for exercising executive powers on my behalf.

As Executive Leader I have designated the following areas of responsibility to Cabinet members:

- Cllr Nick Ireland – Leader and Cabinet Member for Climate, Performance and Safeguarding.
- Cllr Richard Biggs– Deputy Leader and Cabinet Member for Property & Assets and Economic Growth.
- Cllr Simon Clifford – Cabinet Member for Finance & Capital Strategy.
- Cllr Ben Wilson – Cabinet Member for Corporate Development and Transformation.
- Cllr Jon Andrews – Cabinet Member for Place Services.
- Cllr Clare Sutton – Cabinet Member Children’s Services, Education & Skills.
- Cllr Steve Robinson – Cabinet Member for Adult Social Care.
- Cllr G Taylor – Cabinet Member for Health and Housing.
- Cllr Shane Bartlett – Cabinet Member for Planning and Emergency Planning
- Cllr Ryan Hope – Cabinet Member for Customer, Culture and Community Engagement. (including Leisure)

The Council’s Constitution defines a key decision as an executive decision, which is likely:

- (a) to result in the Council incurring expenditure which is, or the making savings which are, significant having regard to the council’s budget for the service or function to which the decision relates, or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more one or two-member wards in the area of the Council or any one or more three-member wards.

For the purpose of this definition savings or expenditure will not normally be considered to be significant if less than £500,000.

I have delegated to individual Cabinet Members the ability to make executive decisions within the areas for which they are responsible.

In making any individual executive decision the Cabinet Member must:

- follow the principles for good decision making in Article 13.2 and
- consult with the relevant local member(s).

A decision which is significant must, unless I have made a specific delegation to an individual Cabinet member or a senior officer, be made collectively by the Cabinet as a whole.

Decisions which cross areas of responsibility are likely to be significant and therefore require a collective decision by the Cabinet.

Table of significant decisions delegated to individual Cabinet members.

Date of delegation	Cabinet Member	Description of delegation	Any limitation on the exercise of delegated powers
May 2024	Cllr Shane Bartlett, Cabinet Member for Planning and Emergency Planning	To agree all steps in connection with the completion of neighbourhood plans	Final making of a neighbourhood plan is reserved to the Cabinet.

I have approved a series of delegations of executive powers to officers. These are set out in the Officer Scheme of Delegations - Part 3 of the Constitution.

From time to time the Cabinet as a whole may as part of a specific resolution delegate executive authority to a Cabinet Member or officer to act on behalf of the Executive. In such a case the minute recording the resolution shall be deemed to form part of this Schedule and/or the Officer Scheme of Delegations and the Constitution.

Nick Ireland
Leader

Date: 5 June 2024

Where circumstances mean that a member might nonetheless be involved in scrutinising their own proposal they should seek advice from the Monitoring Officer with a view to avoiding any perceived conflict. .

f. Scrutiny Officer

The Council will designate one of its Officers to be a Scrutiny Officer to discharge the functions as prescribed in the Local Government Act 2000.

g. Finance and Resources

Each Overview Committee and each Scrutiny Committee is responsible for the management of funds allocated to it to fulfil its functions.

JOINT HEALTH SCRUTINY PROTOCOL BETWEEN BOURNEMOUTH, CHRISTCHURCH AND POOLE COUNCIL AND DORSET COUNCIL 2021

Purpose: To enable the Councils to establish joint health scrutiny committees on a task and finish basis to scrutinise proposals for changes to the provision of NHS services to residents in both Councils' areas without delay and in a way that provides one consistent response.

1. The Council identified as the lead for the issue to be scrutinised will administer the Joint Health Scrutiny meeting(s) and any associated issues. The Lead Council will be identified by the relevant Directors from each Council in consultation with the relevant Chairs of each Council's Committee with the Health Scrutiny function after determining if a matter needs to be referred to a Joint Health Scrutiny Committee.
2. The Chair for any Joint Health Scrutiny Committee meeting will be provided by the Council administering meeting arrangements. The Vice-Chair will be provided by the other Council.
3. Each Joint Health Scrutiny Committee will comprise between 3 and 5 members (which would include the Chair and Vice-Chair of the Joint Committee) from each Council by agreement with the Chairs. Each Council to bear in mind its own political proportionality. If the Chair is in agreement members can be identified from outside of the Committees with the Statutory Health Scrutiny function. However, Health Scrutiny Committee members would have priority.
4. The quorum for each meeting will be 2 from each council.
5. The procedural rules for each meeting will be those adopted by the Council administering the meeting.
6. Members will adhere to their own Council's code of conduct and make appropriate declarations at meetings.
7. The Chairs of the two Committees with the Statutory Health Scrutiny function in consultation with the Directors will agree those issues that will be considered by the Joint Scrutiny Committee and the scope of the joint scrutiny will be considered at the first meeting.
8. Joint Health Scrutiny Protocol for the Committee will be considered at the first meeting of any joint committees.
9. The Chairs will work with other relevant local authorities with the Statutory Health Scrutiny function on the extent to which they should be involved with the work of the Joint Committee.
10. A Scrutiny Committee, where members hold a valid concern that a proposed variation to local health services is not in best interest of local residents, have the ability to make a referral to the Secretary of State. This is a very specific power that can be exercised by the Committee. This power can also be delegated to

the JHSC. The Joint Health Scrutiny Protocol states that it would only be in exceptional circumstances that a referral from the JHSC to the Secretary of State could be overturned by one of the constituent Councils. It would then require Full Council support to withdraw the delegated power from the JHSC and reconsider the decision made. Advice from NHS partners and in the spirit of good scrutiny practice, if Joint Health Scrutiny is held and a decision made, it is important that the outcome is validated.

11. A written report of findings and recommendations from a Joint Health Scrutiny Committee to be sent to the relevant NHS organisation(s) identifying a timeframe in which to respond.
12. It is acknowledged that there are NHS organisations outside of the county which may affect the residents of BCP and Dorset Councils and therefore would be taken into consideration when identifying any potential items for joint scrutiny.
13. That consideration be given to the involvement of representatives of Healthwatch and their role in any joint scrutiny work.
14. That a report back is provided to each Council's Committee on the outcome of any joint scrutiny undertaken.

- (b) Channel forms a key part of the national Prevent strategy. Channel is an identification and intervention safeguarding multi-agency process, providing support to individuals who are at risk of being drawn into terrorism.
- (c) Channel became a statutory requirement as part of the Counter Terrorism and Security Act 2015. **In practice, the legislation requires:**
- (i) local authorities to ensure that a multi-agency Channel Panel exists in their area;
 - (ii) the local authority to provide the chair;
 - (iii) the Panel to develop a support plan for individuals accepted as Channel cases;
 - (iv) the Panel to consider alternative forms of support, including health and social services, where Channel is not appropriate;

2. Purpose

- (a) Channel seeks to deliver prompt and tailored work in its conduct of assessing an individual's vulnerability to being drawn into terrorism, information gathering, developing, and delivering support packages to meet identified need and reduce vulnerability.
- (b) The Channel process is managed by the local authority, who will chair the Panel, in conjunction with the Police, and is the principal decision-making and co-ordinating body for the Channel Programme in Dorset.

¹ Channel Duty Guidance 2020: Protecting people vulnerable to being drawn into terrorism: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/964567/6.6271_HO_HMG_Channel_Duty_Guidance_v14_Web.pdf

- (c) Decisions made by the Panel will be based on discussions which consider shared information, assessment of vulnerability, risk and support needs and the input of all core members. Decisions will ideally be based on Panel consensus; where consensus cannot be reached, Panel majority will be used, with the chair having the deciding vote where there is no Panel majority. The rationale for all decisions will be clearly recorded in the minutes.
- (d) The Panel has the ability to work outside scheduled meetings, in response to urgent or critical incidents.
- (e) Channel is a safeguarding and public protection measure that aims to ensure that children and adults of any faith, ethnicity or background receive support before their vulnerabilities are exploited by those that would want them to embrace terrorism, and before they become involved in criminal terrorist related activity.
- (f) Success of the programme is very much dependent on the co-operation and coordinated activity of partners. It works best when the individuals and their families fully engage with the programme and are supported in a consistent manner.

3. Membership and Meeting Frequency

- (a) The Channel Duty Guidance sets out that as a minimum, the membership will consist of the local authority Channel chair and the police.
- (b) Other partners (listed in [Schedule 7 of CT&S Act](#) and also Annex B of the Channel Duty Guidance) have a duty to cooperate, as far as is appropriate and reasonably practicable, to assist the police and the Panel in carrying out its functions.
- (c) It is proposed that the core membership of the Dorset Channel Panel will be the Corporate Director – Adult Social Care (Commissioning) (Local Authority Chair) and representatives from the following:
 - Dorset Police
 - Counter Terrorism Police, South West, Dorset

- Dorset Council Adult and Housing Service's
 - Dorset Council Children's Service's
 - Dorset Combined Youth Justice Service

 - Education Establishments – as appropriate and on request
 - Child Care Providers (inc Fostering Agencies) – as appropriate and on request
- (d) Other members should be invited where they have input to the cases to be discussed, as determined by the Panel chair and invited each time.
- (e) A Council Officer within Dorset Council will chair Panel meetings. There is a named deputy chair who can deputise if the chair is absent from a meeting.
- (f) It is expected that Panel members attend regularly or ask a named deputy to take their place if they are unable to attend a meeting.
- (g) The Channel Panel will meet at least monthly where there are live cases for discussion, new referrals requiring a decision or cases requiring 6/12-month review. Where necessary, an emergency meeting can be convened if the individual's vulnerabilities require prompt consideration.
- (h) Where there are no cases/referrals requiring Panel meetings to be convened, the chair and local authority Prevent Coordinator will convene (a gap of no more than three months) wider Prevent meetings to take abreast of any changes to duties, legislation and/or knowledge, practice updates.
- (i) Panel members must also ensure that they keep up to date with any changes in duties and legislation and undertake training as required. Regular updates will be provided at Panel meetings.
- (j) Panels will constitute a single Panel, with a single chair, covering the needs of adults and children.
4. **Secretariat**
- (a) The local authority will perform all secretarial functions which include:
- Creating an agenda and circulating this to members one week before the meeting;
 - Minuting the meeting and circulating these to core members and relevant partners in good time;
 - Ensuring key discussions, Panel decisions and the basis for all decisions are clearly recorded.
- (b) Channel Case Officers (Dorset Police) will keep a record of all VAFs and Channel minutes on CMIS (Case Management Information System). All other activity is summarised in a running case log.
5. **Scope of the meetings and decision making**

- The Channel chair liaises with the Channel Case Officer before all scheduled Panels.
- The agenda and papers for the Panel are issued to all Panel Members prior to the meeting.
- For cases to be discussed at Channel, the Channel Case Officer contacts all relevant agencies to gather information held to support the writing of the Vulnerability Assessment Framework (VAF). The VAF is circulated to Panel members in advance of the Panel meeting.
- Colleagues who have made the referral may be invited to attend Channel to provide the Panel with more information and background to the referral. Other relevant professionals who could have helpful information or advice will also be invited to Panel at a specified time to join the discussion about the case.
- Meetings will risk assess referrals by using VAFs and any other information available and agree the most appropriate support to meet their needs.
- A decision will be taken by the Panel on the adoption of all referrals presented for consideration.
- Decisions made by the Channel Panel will ideally be based on Panel consensus, or if this cannot be achieved, Panel majority (with the chair having the casting vote). This will be achieved by respectful consideration of the views of partners working cooperatively.
- When deciding whether a referral should be adopted by Panel, the chair will ensure that a full discussion has taken place with the relevant specialist advice and information available. The minutes will reflect the details of each individual Panel member's contribution to the discussion and decision. Minutes will record Panel members' contributions.
- Panel members will ensure an effective support plan is put in place for any cases adopted and that consent is sought from the individual prior to the plan being activated and identify and commission a suitable intervention to offer support in order to reduce the level of vulnerability. This may include the use of a Home Office Intervention Provider. The use of an Intervention Provider will be considered for all adopted cases.
- Cases currently open to Channel will be discussed and reviewed at each Panel to decide whether Channel involvement is still necessary. For cases that are currently open to Channel there will be an updated version of the Support Plan and an updated VAF (at least every 3 months) circulated to Panel members in advance ready for review and discussion at the meeting.
- If an Intervention Provider is still working with the case, then it will automatically remain with Channel. The Intervention Provider will report its recommendations to the Panel, who will then decide if interventions should conclude. If a case has been adopted but there is no Intervention Provider, the police will be asked to review this after 3 months. On occasion, (i.e. where consent for Channel is withdrawn) the risk may not be mitigated or decreased through the Channel process and a case may be moved from Channel to police-led space.

6 Governance The Dorset CONTEST Board has overall responsibility for the local overview and monitoring of partners implementation of Channel and the wider Prevent duty. Officers in the council with responsibility for Channel / Prevent will report to councillors through Dorset Council's People and Health Scrutiny Committee. The first report will be taken to the Dorset Council's People and Health Scrutiny Committee in May 2022, and annually thereafter. There are also strong links with the Pan Dorset Prevent Partnership and Dorset Community Safety Partnership (CSP).

- (b) Governance arrangements include provision for addressing escalated concerns.

7. Accountability

- (a) Members are expected to prepare by reading the agenda, vulnerability assessments and any supporting information in advance of the meeting.
- (b) Members are expected to complete their actions in good time and to report outcomes of their actions to the Panel.
- (c) The Channel chair should be briefed by the Channel Case Officer in advance of panel to aid agenda setting, meeting preparations and identify the appropriate panel members required to be in attendance. The pre-brief should only be used to provide a summary of referrals for consideration at panel: it should be concise, brief and not treated as a decision-making forum or a filter for consideration of Channel referrals.
- (d) Police will own (are responsible for the identification and mitigation of imminent risks of individuals mobilising towards and terrorism offences) the terrorism risk and the Panel will own the terrorism vulnerability associated with all referrals and cases discussed.
- (e) It is expected that Panel members attend regularly or ask a named deputy to take their place if they are unable to attend a meeting. The named deputy chair will deputise for the chair if unable to attend the meeting.
- (f) Panel members must ensure that they keep up to date with any changes in duties and legislation and develop an improvement plan which includes identification of any training needs, at least annually. Regular updates will be provided at Panel meetings. It is expected that the Dorset Channel chair will attend relevant training, events and disseminate relevant updates or briefings to Panel members as necessary. There is an annual Dorset Channel Development Day.

8. Information Sharing

- (a) The Channel Panel will agree arrangements for sharing personal data relating to referrals, live cases and cases subject to review. An information sharing agreement to facilitate the appropriate and efficient sharing of information between partner agencies detailed within this term of reference will be developed and reviewed two yearly or in light of legislative and other changes.

9. Confidentiality

- (a) Information discussed by partners within the ambit of this meeting is strictly confidential and must be treated as such during the meeting and in the subsequent handling of any data considered at this meeting; data must not be disclosed to third parties without the prior agreement of the partners of the meeting.
- (b) Information shared should be directly or indirectly relevant to cases on a need to know basis. Clear distinctions should be made between fact and opinion.
- (c) All agencies should ensure that the minutes are retained in a confidential and appropriately restricted manner. These minutes will aim to reflect that all

individuals who are discussed at these meetings should be treated fairly, with respect and without improper discrimination. All work undertaken at the meetings will be informed by a full commitment to equality considerations.

- (d) The responsibility to take appropriate actions rests with individual agencies. The role of the Channel Panel is to facilitate, monitor and evaluate effective information sharing to enable appropriate actions to be taken to increase public safety.
- (e) Channel Panel members will sign the Confidentiality and Official Secrets Act declaration at the start of each meeting.

10. Discharging Cases

- (a) When the Panel agrees that a case no longer presents a Prevent concern, or is no longer appropriate for Channel, the following discharge process should be followed to ensure that all decisions and actions are recorded with reasons.

When discharging cases from Channel other risk factors should be considered and appropriately discharged e.g. risk to self and others

- (b) If the panel is satisfied that the terrorism vulnerability has been successfully reduced or managed, they should recommend that the case then exits the process as the intervention is complete. A closing VAF should be completed by the Channel Case Officer as soon as possible setting out the reason for the panel's recommendations. The recommendations will need to be endorsed by the Channel panel chair and the Channel Case Officer
- (c) The most appropriate Panel member is identified to liaise with the individual and notify them of the Panel's decision.
- (d) Where the Panel has agreed that broader support may be necessary:
 - If that support is from an agency/service represented at Channel it is the responsibility of the representative to advise on what support should be considered and ensure that that their agency/service follows through with any agreed actions
 - If the support is not from an agency represented at Channel, a discussion will be held, and agreement reached about how the request for support will be progressed
- (e) The Channel Panel will review all adopted cases at 6 and 12 months after exiting from Channel. The Case Officer will drive this process, updating the chair on upcoming cases to be reviewed. The review process will include a request for relevant information from Panel members, including their service engagement, police checks, change of circumstances, and contact with the initial referrer where appropriate. The Case Officer will ensure the Case Management system is updated to reflect the process and any decisions taken.

11. Security Clearance

- (a) It is recommended that the Channel Panel chair and deputy chair hold UK National Vetting clearance at 'Security Check' SC level clearance. The Home Office should be contacted to administer these requests.

12. Document Retention

- (a) The GDPR provides that personal data shall be '*kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed*'. When cases have been formally discharged from Channel Panel, the retention of data shall comply with the data retention policy of each agency.

2.1.4 include the name and address (in a legible format) and signature or email address of any person supporting the petition

2.1.5 contact details, including name, address, telephone number (and where possible, an e-mail address) of the petition organiser.

- 2.2 The petition organiser is the person the Council will contact to explain how it will respond to the petition.

3.2.1 any petition which is not about a matter for which the Council has a responsibility or which affects it area;

3.2.2 any petition relating to a planning or licensing application or decision (which will be referred by the Monitoring Officer to the relevant officer/committee so that regard may be had to it in reaching any decision where this is appropriate in accordance with arrangements that the relevant committee has agreed);

3.2.3 a statutory petition (for example requesting a referendum on having a directly elected mayor);

3.2.4 is related to confidential staffing matters; or

- 3.2.5 a petition relating to a matter where there is already an existing recourse to a review or right of appeal, such as council tax banding and non-domestic rates, where other procedures apply.

5. **How the Council will respond to a petition**
- 5.1 The Council will acknowledge receipt of a petition within 10 working days setting out what the Council plans to do with the petition. Where the subject matter of the petition affects particular wards, the Members representing those wards will be notified of the receipt of the petition.
- 5.2 If paragraph 3.3 applies to the petition then the Council's acknowledgement will include details of any previous petition on the same topic. If the Council is still considering a petition on the same or similar topic, the acknowledgement will tell the petition organiser that the new petition has been amalgamated with the first petition.

Number of signatories	Response
20 - 49	Response from relevant director/service head (treated as standard correspondence).
50 – 4,999	Response from relevant Cabinet Member

- 5.6 Where the petition is referred to the relevant Cabinet Member for a response, the petition organiser will be invited to make a written statement in support of the petition (if one has not already been included in the petition).
- 5.7 If the petition has enough signatures to be referred to a meeting of the full Council, then the acknowledgment will confirm this and inform the petition organiser when and where the relevant meeting will take place. The Council will try to consider the petition at its next meeting, although on some occasions this may not be possible, and consideration will then take place at the following meeting.
- 5.8 Where the petition is referred to a full Council meeting, the petition organiser (or any person authorised by him/her) will, if they so wish, be given a period not exceeding three minutes to present the petition at the meeting.
- 5.9 The petition will be debated by Members for a period of no more than 15 minutes unless the petition is referred, without debate, to Cabinet, a committee or Sub-committee, Overview or Scrutiny Committee for consideration.
- 5.10 If debated Members may ask questions of the petition organiser and the petition organiser (or any person authorised by him/her) will be granted a right of reply for a further period not exceeding three minutes at the end of the debate and before a final decision or vote is taken.

For the purposes of these rules reference to “the Executive” shall have the same meaning as in Part 1A of the Local Government Act 2000.

1. THE STRUCTURE FOR EXECUTIVE DECISIONS

The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once a budget or policy framework is in place, it will be the responsibility of the Executive to implement it. The adoption of most other policies will be dealt with in accordance with relevant executive arrangements.

2. THE PROCESS FOR DEVELOPING THE FRAMEWORK

- 2.1. Before a plan/strategy/budget that is part of the Budget and Policy Framework can be adopted, initial proposals will be published in accordance with relevant executive arrangements. Details of any consultation process shall be included in relation to each of these matters in the forward plan. Any representations made to any consultation shall be taken into account in formulating the initial proposals. A relevant Overview Committee will normally be notified of initial proposals and may suggest additional or alternative arrangements for consultation.
- 2.2. At the end of the consultation period, the Executive will draw up firm proposals having regard to the responses to any consultation (including any from an Overview Committee). The Executive’s report to the Council will reflect the comments made by consultees and the Executive’s response.  - (c) if the Council decides to refer the matter back to the Executive for the further consideration, that decision shall take effect immediately.
- 2.5. If the Leader objects to the decision of the Council, or that s/he intends to submit revised proposals s/he shall give written notice to the Proper Officer to that effect

before the date upon which the decision is to be effective. Where the Leader objects the notice must state the reasons why the Leader objects. Where a notice is received, the Proper Officer shall call a further Council meeting to reconsider its decision and the decision shall not be effective pending that meeting. The Council meeting must take place as soon as reasonably practicable following the receipt of the Leader's written objection.

- 2.6. Where the Council has referred the matter back to the Executive for further consideration, the Proper Officer shall convene a further Council meeting to reconsider the matter following the Executive's further consideration. The Council meeting must take place as soon as reasonably practicable following the receipt of the Leader's written objection or revised proposals.

Subject to the provisions of Budget and Policy Framework Procedure Rules 4 and 5 the Executive, individual members of the Executive and any officers, area committees (if any) or joint arrangements (if any) discharging executive functions shall only take decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council.
- 3.2. If the Executive, individual members of the Executive and any officers, area committees (if any) or joint arrangements (if any) discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy framework, then the decision must be referred by that body or person to the Council for decision.

4. VIREMENT

Above the limits set out in the Council's Financial Procedure Rules, any virement across budget heads shall require the approval of Full Council.

5. IN-YEAR-CHANGES TO THE FRAMEWORK

No changes to any policy and strategy which make up the Policy Framework may be made other than by the Council.

6. CALL-IN OF DECISIONS CONTRARY TO OR NOT WHOLLY IN ACCORDANCE WITH THE BUDGET AND POLICY FRAMEWORK

- 4.1 Where the relevant Chief Officer estimates at the beginning of the procurement the contract value to be less than £50,000 the relevant Chief Officer should seek to obtain best value which for the purpose of this Contract Procedure Rule means using an existing corporate contract or seeking one or more quotes.
- 4.2 If the expenditure has been approved in estimates and any necessary financial or other approvals have been obtained, the relevant Chief Officer may proceed with the contract.

Note to officers: further informal guidance on procuring goods, services or works below £50,000 together with template forms can be found in the informal Procurement Toolkit.

Part 3 – Scheme of Delegation

Officer scheme of delegation for Dorset Council – April 2019

Introduction

1. Local authority decisions are made by elected members but for the Council to be able to function on a day to day basis the law enables the various executive and non-executive functions to be delegated to Officers. In addition, there are some functions which the law says must be exercised by specific officers.
2. This part of the Constitution sets out the ways in which the officers of the Council can make decisions and which decisions they have the power to make. It is called the "Scheme of Delegation."

6. The Council operates a cascade principle of delegation/nomination to ensure that decisions are taken at the most appropriate level closest to those who will be affected. This means that the vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its officers.
7. To ensure the smooth functioning of the Council and the efficient delivery of services, the Chief Officers and other named Officers have been delegated various powers that they need to perform their roles.
8. Certain Officers have specific duties and/ or formal functions to ensure that the Council acts within the law, uses its resources wisely and exercises its powers properly. These officers are known as “Statutory” or “Proper” Officers and some have specific legal titles in addition to their job titles.

9. The way the Council structures its services and its Officer arrangements may change from time to time to reflect changes in service delivery and best practice. Further details of the current Officer Structure can be found in Officers – Article 12 – Part 1 of the Constitution and also in the management structure – Part 7 of the Constitution.
10. The cascade principle under which this scheme operates means that any Officer given a power (whether expressly set out in this scheme or otherwise) can nominate other Officers to exercise those powers:
 - through a local scheme of nomination (which sets out various standing nominations given to specific Officers in defined areas of the Council's service areas); and/or
 - through a specific nomination in relation to an individual decision which must be evidenced in writing, dated and signed by the officer delegating the power with a copy supplied to the Proper Officer.
11. Some powers may be delegated to an Officer directly by a Committee, Sub-Committee or through executive arrangements. In such cases, unless expressly limited otherwise, it shall be assumed that such a delegation includes power for the Officer to nominate other Officers to also exercise that delegation in accordance with the provisions of this scheme.
12. Where a power has been passed to an Officer (including where nominated through the Cascade principle), the person or body making the delegation / nomination may at any time take back responsibility for the function and may in any event also exercise the power despite the delegation/nomination.

General provisions relating to the exercise of delegated authority by Officer

13. The Chief Executive can at any time exercise any power delegated to any Officer whether specified in this officer scheme or otherwise unless expressly prohibited by law. At any time the Chief Executive is unavailable or absent, or the post is vacant, then any of the Executive Directors and/or the Director, Legal and Democratic Services can exercise any such power.
14. The powers of this Scheme are delegated to the Officers referred to by title within this Scheme of Delegation. So the delegations apply to whoever holds that post title at any time. The powers are automatically transferred to any successor officer to that post. Also, at various times, an Officer post may be left vacant, posts may be combined and/or the title changed. For the purposes of this Officer Scheme, reference to any post that is vacant, combined with any other and/or has its name changed shall be construed as referring to the Officer post which for the time being takes on the relevant responsibilities of the original post.
15. Where a delegation/nomination to an Officer overlaps with any other delegation/nomination, then the delegation/nomination can be exercised by the Officer without reference to any other Officer and free of any restriction and/or limitation that specifically relates to that other delegation/nomination.
16. These general provisions apply not only to named Officers but also to anyone else authorised or nominated by them to exercise delegated authority on their

- behalf. In authorising others to act on their behalf attention should be drawn to the requirements of these provisions.
17. Any action by an Officer under a power granted in this Scheme of Delegation must be exercised in accordance with the conditions and subject to any relevant limitations in Appendix 2. Officers should also have regard to any other relevant matters that might relate to the exercise of such a power, including:
- any relevant Council policies and procedures (compliance with some of which is mandatory), and
 - other relevant provisions in the Constitution (including Financial Regulations, the Contract Procedural Rules and the Officer Code of Conduct).
18. In deciding whether and how to exercise any power, an Officer must take advice from any other person (which might include another Officer and/or Member) that is appropriate before undertaking any specific action. This is equally true in situations where the Council acts as lead authority or host for a partnership involving the joint exercise of functions. In such cases, this could involve consulting with the appropriate Chair or lead member for the partnership in place of, or in addition to, consultation with an appropriate Executive Member.
19. Nothing in this Scheme of Delegation shall prevent an Officer from deciding not to exercise a power and to refer it to some other body /Member who also has power to exercise it.
20. Where a proposed exercise of delegated authority is such that the Leader should be consulted and the Leader is absent or otherwise unavailable then the Deputy Leader can be consulted. Similarly, in the absence of the Chair of a Committee the Vice-Chair can be consulted. In the absence of an Executive Member the Leader could be consulted as an alternative.

- (b) “Member” means an elected member of the Council at the time of any neglect, act, error or omission;
- (c) “Officer” means a person employed by the Council at the time of the neglect, act, error or omission, but does not include a person undertaking work for the Council through an agency or a person performing a service under a contract with the Council for the provision of that service other than a contract of employment directly with the Council; and
- (d) a loss or damage shall be deemed to have arisen to the Member or Officer “in his/her capacity as a Member or Officer of the Council” where:
 - (i) the act or failure to act was outside the powers of the Council, or outside the powers of the Member or Officer, but the Member or Officer reasonably believed that the act or failure to act was within the Council’s powers or within the powers of the Member or Officer at the time that he/she acted or failed to act; or
 - (ii) the act or failure to act occurred not in the discharge of the functions of the Member or Officer as a Member or Officer of the Council but in his/her capacity as a Member or Officer of another organisation, where the Member or Officer was, at the time of the act or failure to act, a Member or Officer of that organisation as a result of:
 - (A) his/her appointment by the Council; or
 - (B) his/her nomination to that organisation by the Council, or
 - (C) the Council formally accepting an invitation for a Member or Officer to be appointed to that organisation,
 but only in cases where:

- 3.2 The indemnity in paragraph 3.1 applies for the defence of defamation proceedings by Members and Officers subject to the alleged statement being made in the Member's capacity as a Member or the Officer's capacity as an Officer; but not for the bringing of defamation proceedings.
- 3.3 The indemnity in paragraph 3.1 is subject to a condition that if the Member or Officer is convicted of a criminal offence in consequence of such proceedings and the conviction is not overturned on appeal, the Member or Officer shall reimburse the Council for any sums expended by the Council under this indemnity and the Member or Officer shall, if required by the Council, sign an agreement confirming this before the release of any money by the Council.

Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area; taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidating or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering

interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable pecuniary interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it

is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a friend, relative, close associate; or
 - c. a body included in those you need to disclose under Disclosable Pecuniary Interests as set out in **Table 1**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

Arrangements for dealing with Code of Conduct complaints against Councillors

What is a Code of Conduct complaint?

Dorset Council has adopted a code of conduct for its Councillors (also known as Members) and Co-opted Members, which is available for inspection on the council's website and on request from the Monitoring Officer.

Each of the parish and town councils in Dorset have adopted a Code of Conduct for their Councillors and Co-opted Members which they publish on their own website.

A Code of Conduct complaint is one that alleges that a Dorset Council or Dorset parish or town Councillor or Co-opted Member has failed to comply with their council's code of conduct.

Dorset Council is required to have arrangements in place to investigate and reach decisions about Code of Conduct complaints.

These arrangements set out:

1. who you can complain about
2. what you can complain about
3. what cannot be complained about
4. how to make a complaint
5. how Dorset Council will deal with such complaints

1. Who you can complain about?

You can complain about Councillors and Co-opted Members of Dorset Council or any Town or Parish Council in the area of Dorset Council. A co-opted Member is a voting member of a council or one of its committees, who was appointed to their position rather than being elected.

2. What can you complain about?

You can complain about the conduct of current, individual Councillors or Co-opted Members.

The conduct complained of must be covered by the Code of Conduct and must have occurred during the Councillor or Co-opted Members time in office.

The conduct complained of must have happened in the last 20 working days. It could be a one-off incident or the last incident in a series of connected events (if a series of connected events is complained of all the connected events may be considered as

part of the complaint even if some of the events are older than 20 working days). Only in exceptional circumstances will a complaint received outside the timeframe be considered.

Types of complaint alleging breach of Code of Conduct may include:

- unlawfully discriminating against someone
- failing to treat people with respect
- bullying any person
- intimidating any person involved in any investigation or proceedings about someone's misconduct
- doing something to prevent those who work for the authority from being unbiased
- revealing information that was given to them in confidence, or stopping someone getting information they are entitled to by law
- damaging the reputation of their office or authority, where the conduct is linked to their public role and not in their private capacity
- using their position improperly, to their own or someone else's advantage or disadvantage
- misusing their authority's resources
- allowing their authority's resources to be misused for the activities of a registered political party
- failing to register an appropriate interest correctly
- failing to register any gifts or hospitality (including its source) that they have received in their role as a member worth over £50.00.

3. What cannot be complained about under these arrangements?

The following types of complaint cannot be considered under these arrangements:

- Complaints about a Councillor or Co-opted Member who is no longer in office cannot be considered.
- Complaints about the conduct which happened before a Councillor or Co-opted member were elected, co-opted or appointed to their council, or after they have resigned or otherwise ceased to be in office cannot be considered.
- Complaints about a council as a whole or people employed by it cannot be considered under these arrangements.
- Complaints about dissatisfaction with a decision or action of a Council, one of its committees or employees, a service provided by a Council or a Council's procedures, cannot be considered under these arrangements.
- Complaints which relate to conduct (one-off incident or the last in a series of connected events) which happened over 20 working days ago, unless there are exceptional circumstances.
- Where the complaint alleges criminal conduct (including failure to register or declare a Disclosable Pecuniary Interest or voting at a council meeting where such an interest exists), this is a matter for the police and cannot be dealt with under the Code of Conduct. The Monitoring Officer will consider whether it is appropriate to refer to the Police. No further action will be taken in relation to

such complaints until any related criminal/regulatory investigation, proceedings or processes have been concluded. Complainants may refer criminal allegations directly to the Police.

4. How to make a complaint

Complaints must be submitted in writing to Dorset Council's Monitoring Officer using the [Code of Conduct complaint form](#).

You will need to set out details of your complaint including:

- identify the Councillor(s) or Co-Opted Member(s) complained about
- the conduct that caused you to complain
- what part of the code of conduct do you think has been breached
- when the incident complained of took place
- what remedy you are asking for

It is very important that you set your complaint out fully and clearly and provide all the information at the outset.

For complaints concerning the conduct of a parish or town councillor you will also be asked if you have raised your complaint with the clerk of the council and what attempts have been made to resolve your complaint before submission of a complaint to the Monitoring Officer.

When complete, your form should be sent to the Monitoring Officer:

E-mail: councillorcomplaints@dorsetcouncil.gov.uk

The Monitoring Officer will not normally consider a complaint unless it is in writing and a complaint form has been received. This is to ensure that all of the relevant information is provided and, where necessary, consent to share information has been obtained so that the complaint can be processed.

If you do not have access to the internet or have difficulty completing the form, please contact 01305 224181 for assistance.

Where a complaint is made against more than one councillor, a separate complaint form must be completed in respect of each councillor.

If you are making the complaint on behalf of a number of individuals, please nominate one person as the single point of contact to whom all correspondence will be addressed.

Before you complain

Before you send us your complaint, you should be aware that anonymous complaints will not normally be investigated.

You may request that your identity is withheld but this will only be agreed by the Monitoring Officer in exceptional circumstances. The Monitoring Officer has to balance the right of the Councillor complained of to properly understand the complaint against them and respond to it, with your rights as Complainant. This normally means that the Councillor will need to be told who is making the complaint. You will be informed if your complaint cannot be investigated without disclosing your identity and be provided with the opportunity to proceed or withdraw your complaint.

5. How Dorset Council will deal with complaints

Initial Check

The Monitoring Officer will check that your complaint is covered by these arrangements and consult with an Independent Person before making a decision.

(An Independent Person is someone appointed by the Council to give an independent view on complaints about councillors and co-opted members. They are not employed by the council and act voluntarily. An independent person must be consulted by the Council before it makes its decision on an allegation that it has decided to investigate. The Independent person is also available to be consulted by a councillor or co-opted member if their behaviour is the subject of a complaint.)

The initial checks are:

- Is the complaint about a current, individual Councillor or Co-opted Member
- Is the conduct complained of is covered by the council's Code of Conduct?
- Did the conduct complained of occur during the Councillor or Co-opted Members time in office?
- Did the conduct complained of happened in the last 20 working days (one-off incident or the last incident in a series of connected events even if some of them are older than 20 working days) and/or whether there are any exceptional circumstances for considering a complaint received outside this timeframe.
- Is the complaint about criminal conduct.

Within 5 working days of receiving your complaint the Monitoring Officer will write to you to acknowledge receipt of your complaint and confirm if it is covered by the complaint process or not.

If the complaint is covered by the complaint process, then within 5 working days of receiving your complaint the Monitoring Officer will also write to the Councillor or Co-opted Member with details of the complaint. In exceptional circumstances, the Monitoring Officer may keep your identity confidential if considered necessary or may

delay notifying the Councillor or Co-opted Member of the investigation where this may prejudice the investigation.

The Councillor or Co-Opted Member will be invited to respond within 5 working days, or longer at the discretion of the Monitoring Officer, including providing details of witnesses and relevant information and documents.

The Councillor or Co-Opted Member will be advised of their right to seek the views of the Independent Person throughout the process and contact details will be provided.

Monitoring Officer Assessment

At this stage the complaint is confidential. You and the Councillor or Co-Opted Member complained of are asked not to disclose information about the complaint to anyone else.

The Monitoring Officer will consider the complaint and after consultation with an Independent Person (either in person or electronically), take a decision:

1. That no further action should be taken, and the complaint is dismissed.

Where a complaint is dismissed the case is closed and a letter will be sent to you and the Councillor or Co-opted Member complained of with an explanation for the decision. (Where the complaint relates to a town or parish Councillor or Co-opted Member the Monitoring Officer will also write to the town or parish clerk with the decision). The Councillor or Co-Opted Member has the option to request that details of the complaint and outcome be published. If not, details of the complaint remain confidential. The decision is final and there is no right of appeal.

Below are some examples of circumstances where no further action may be appropriate:

- The complaint is the same or substantially the same as a complaint previously dealt with and there is nothing further to be gained;
- The complaint is trivial or discloses such a minor or technical breach of the Code that it is not in the public interest to pursue
- The complaint is or appears to be malicious, politically motivated, tit-for-tat or otherwise submitted with an improper motive and the complaint is not considered to disclose sufficiently serious potential breaches of the Code to merit further consideration
- The councillor has provided a satisfactory remedy to the complaint
- There is evidence to suggest a potential breach of the Code, but the circumstances do not warrant further action

2. Refer the complaint for local resolution (which might involve an apology or training or some other form of mediation)

Where the Monitoring Officer considers a potential breach has occurred, they can decide to refer your complaint for informal resolution. This might include councillor training or referral to the political group leaders or the town or parish council or an apology.

Where the Monitoring Officer decides on local resolution you and the Councillor or Co-opted Member complained of will be sent the decision with an explanation. (Where the complaint relates to a town or parish Councillor or Co-opted Member the Monitoring Officer will also write to the town or parish clerk with the decision).

The Councillor or Co-opted Member has the option to request that details of the complaint and outcome be published on the council's website. If not, details of the complaint remain confidential.

If the Councillor or Co-opted Member agrees with the local resolution and carries it out, the decision will be final, will conclude the complaint and there is no right of appeal.

If the Councillor or Co-opted Member does not agree with local resolution or fails to carry it out the Monitoring Officer will refer the complaint for investigation and inform you and the Councillor or Co-opted Member.

Below are some examples where local resolution may be appropriate:

- Less serious complaints where the Councillor or Co-opted Member wishes to put their actions right;
- A general breakdown in relationships at the Council where other action such as mediation might help;
- Complaints where the public interest in conducting an investigation does not justify the costs of such an investigation;
- Where there is a lack of experience or the Councillor or Co-opted Member may benefit from training or mentoring;
- Where the issue appears to be in the political arena and therefore appropriate for referral to a leader(s) of a political group to deal with;
- Where it appears that the town or parish council would be best placed to resolve the issue;
- Where there is the same alleged breach of the Code by many of the council's Councillors or Co-opted Members, indicating a poor understanding of the Code and authority's procedures;

3. Refer the complaint for investigation

Where the complaint has raised a potential breach, that the Monitoring Officer, in consultation with the Independent Person, decides:

- cannot be resolved by local settlement and / or
- is serious enough to warrant investigation,
- or where a Councillor or Co-opted Member has failed to agree or carry out local resolution,

the Monitoring Officer will appoint an investigator.

This could be an appropriately skilled council officer from this or another council, or an external investigator. The investigation will be proportionate and include interviews with everyone the investigator decides will help them assess the complaint and reach a conclusion on whether there has been a breach of the Code of Conduct.

The Monitoring Officer will write to notify you of the decision to refer your complaint for investigation, with an explanation. (Where the complaint relates to a town or parish Councillor or Co-opted Member the Monitoring Officer will also write to the town or parish clerk with the decision).

In exceptional circumstances, we may keep the identity of the complainant confidential if we agree it is necessary, or we may delay notifying the Councillor or Co-opted Member of the investigation where this may prejudice the investigation.

Investigation Report

The Investigating Officer will prepare a report setting out:

- (a) the agreed facts;
- (b) any facts which are not agreed and the conflicting evidence; and
- (c) their conclusion on whether or not there has been a breach of the Code of Conduct.

The report will be supplied to you, the Independent Person and the Councillor or Co-opted Member for any comments to be provided to the Investigating Officer within 10 working days.

The report will then be finalised and sent to the Monitoring Officer, Independent Person, you and the Councillor or Co-opted Member.

The Monitoring Officer will arrange a meeting of the Audit and Governance (Hearing) Sub-Committee.

Meeting of the Audit and Governance (Hearing) Sub-Committee

This will be a public meeting unless the Councillor or Co-opted Member request the hearing takes place in confidential session and the Committee agrees. The Investigating Officer will be invited to present their report. You and the Councillor or Co-opted Member, any representative or witnesses may be asked to attend and be questioned by the Committee. The Independent Person will be invited to attend for the Committee to seek their view before making a decision.

The Committee will decide whether there has been a breach of the Code of Conduct and, if so, what action is appropriate.

Within 5 working days of the hearing the Monitoring Officer will write to notify you and the Councillor or Co-opted Member of the Committee decision with reasons.

Where the Council makes a decision on an allegation of misconduct following a formal investigation, a decision notice will be published as soon as possible on our website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied

The decision of the Hearings Sub-Committee is final and there is no right of appeal.

6. How Dorset Council will Learn from Complaints

Things do not always happen in the way they should and councillors and co-opted members do not always behave as they should, in accordance with their Code of Conduct.

Dorset Council is a learning organisation. Sometimes a hearing might result in sanctions being imposed upon a councillor but it is also important for all councillors to be able to learn from complaints.

In addition to acting upon individual complaints the Council will, through the Audit and Governance Committee, receive monitoring information about complaints and an annual report on councillor and co-opted member conduct. The focus in doing so will be upon helping individual councillors, Dorset Council as a whole and the 163 Parish and Town Councils in Dorset to maintain high standards of conduct.

MEMBERS AND OFFICERS PROTOCOL

1. Introduction

- 1.1 The conduct of both Members and officers is governed by the Codes of Conduct detailed in Part 5 of the Council's Constitution. The purpose of this Protocol is to guide Members and Officers of the Council in their relations with one another in such a way that ensures that the Council runs smoothly.
- 1.2 The relationship between Members and Officers is based on the following principles:
- (a) the Council is a democratically-elected local authority delivering a range of services to the people of Dorset;
 - (b) the Council is a single entity;
 - (c) the separate functions of the Council are part of the Council as a corporate body;
 - (d) in everything they do, Members and officers of the Council must act within the law and comply with relevant codes of conduct;
 - (e) dealings between Members and officers are based on mutual trust and respect;
 - (f) the relationship must exist on a professional basis only so that the ability of an officer to deal impartially with Members or political groups cannot be questioned;
 - (g) officers should not approach Members on matters to do with employment matters except as agreed by the Head of Paid Service.
- 1.3 Officers and Members each have their own roles to play in the work of the Council and care should be taken to avoid one encroaching upon the other.

The role of Members

- (a) To provide the political direction and leadership of the Council. Members are accountable through the ballot box for their actions as Members.
- (b) As part of the controlling group to see that services are delivered by officers in accordance with the policies and plans approved by the Council.
- (c) To receive appropriate professional advice from officers and to have that advice recorded, so that all Members are fully aware of the implications of their decisions and have the assurance that their decisions comply with the law.
- (d) To make reasonable comment and ask questions about the Council's decisions and performance both at formal meetings and informally. An officer's seniority and area of responsibility will determine what are reasonable comments and questions.

The role of Officers

- (a) To serve the whole Council as a single corporate body while recognising the differences between the Council's functions.

- (b) To provide wherever practicable, support to all Members in their representational role and act to uphold the rights of Members in law and under this Constitution.
- (c) To take decisions within their area of responsibility which have been delegated and/or nominated to them but recognising that, where functions have not been delegated/nominated to officers, it is the right of Members to take the final decisions in the light of officers' advice.
- (d) To provide factual, honest and objective advice. The advice and the actions officers take should be politically neutral and should serve the interests of the Council as a whole. Officers do not give advice on party political matters.

2. Officer advice to Members and Party Groups

- 2.1 For the proper functioning of the Council as a whole, officers will normally be permitted to share information freely between them.
- 2.2 Where the information has been given on the basis of party political confidentiality:
 - (a) officers will respect that confidentiality unless they believe that any action appears to be in conflict with the law, or would amount to an abuse of the processes of the Council and in those circumstances may share that information with other officers where they believe it to be necessary to check the legality, financial probity or procedural regularity of any action disclosed by that information.
 - (b) The request for party political confidentiality will be honoured by any officers with whom the information is shared.
- 2.3 Where party political confidentiality has been requested, officers may invite those Members requesting confidentiality to agree to the information being shared with the other political groups on the grounds that it would assist the more effective functioning of the Council; however, in the absence of any such agreement to waive confidentiality, officers will continue to respect it.
- 2.4 Where there is a change in the controlling party, officers will act in relation to the new controlling party and opposition parties in the same way as they did for the old and will continue to respect any continuing party political confidentiality.
- 2.5 Officers are not required to attend political party group meetings. They will only do so by invitation, with the express authority of the Chief Executive, an Executive Director and/or a Corporate Director. The Chief Executive, Executive Director and/or Corporate Director will have the right to nominate other officers to attend at his sole discretion.
- 2.6 Where it is possible that persons other than Members will be present at a political party group meeting to which an officer has been invited, the Chief Executive, Executive Director and/or Corporate Director will be informed before the meeting, and s/he will take this into account in arriving at his/her decision.

3. Support services to Members and Party Groups

- 3.1 Support services and resources must only be used on Council business and should never be used in connection with any political or campaigning activity or for private purposes.

4. Members' access to information and to Council documents

- 4.1 Members have various statutory and common law rights to access information.

Members may ask the Chief Executive, an Executive Director and/or any Corporate Director or other officers nominated by them for such information, explanation and advice as they may reasonably need in order to assist them in discharging their role as a Member. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.

- 4.2 A Member does not have a right to "a roving commission" to examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". This question must initially be determined by Officer holding the document in question. In the event of dispute, the matter shall be determined by the Head of Paid Service, an Executive Director or a Corporate Director,
- 4.3 In addition to the above a Member may request information under the Freedom of Information Act 2000, and various other legislative provisions including the Local Government Acts of 1972 and 2000 provide a statutory right of access to documents. Any document which is in the Council's possession and contains material relating to any business to be transacted at a meeting of the Council, a Committee or Sub Committee is to be open to inspection by any Member. However, there is no right of inspection where it appears to the Chief Executive that a document discloses certain classes of exempt information as set out in Access to Information Procedure Rules.
- 4.4 The Code of Conduct limits the ability of a Member to disclose confidential information. Further information of rights of access can be found in the Access to Information Procedure Rules – Part 2 of the Constitution.

5. **Correspondence**

- 5.1 Openness and transparency should underpin the work of the Council. Accordingly, blind copies ie correspondence where some of the intended recipients are deliberately hidden from others, should not be sent.
- 5.2 Official letters on behalf of the Council should normally be sent in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain circumstances (eg, representations to a Government Minister) for a letter to appear in the name of a Member, but this should be the exception rather than the norm. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

6. **Involvement of Ward Members**

- 6.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the Ward or Wards affected shall normally, as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members shall normally be notified at the outset of the exercise.

7. **Access to Premises**

- 7.1 Officers have the need as part of their work to enter the Council's land and premises. In some instances access to certain Council land and premises will be limited for operational reasons to specific officers only.

- 7.2 Members have a right to access the Council Chamber and meeting rooms at County Hall.
- 7.3 Members are also provided with passes that enable them to access staff offices and other Council premises. Members are reminded that these offices and premises are people's place of work. The Chief Executive as Head of Paid Service owes a duty of care towards staff and there may be circumstances where it is necessary to remove or place limitations upon a member's access to offices and premises.
- 7.4 Sometimes members take part in visits to operational premises, either as part of a wider visit open to other members or as an individual. When making an individual visit members should, notify and make advance arrangements with the appropriate manager or officer in charge. For any visit members must:
- Comply with health and safety, security and other workplace rules and;
 - Not interfere with the services or activities being provided at the time of the visit

OFFICER CODE OF CONDUCT

1. Introduction

- 1.1 This Code together with the policies described in paragraph 3 set out the standards of conduct expected of all council employees ("Officers").
- 1.2 Officers should be aware that a failure to comply with this Code could result in disciplinary action in accordance with the Council's disciplinary policy

2. Officers' obligations

- 2.1 All Officers have a general obligation to maintain the Council's reputation and should not do anything to adversely affect this – whether in work or outside of work.
- 2.2 Officers are expected to:
 - (a) give the highest possible standard of service to the people of Dorset and to provide appropriate impartial advice. This applies whether the service is provided in person, over the phone, via email or any other method.
 - (b) be responsible for their own actions and behaviour and should seek to avoid any conduct that would lead any reasonable person to question their motivation or intentions.
 - (c) raise any concerns about service provision or practice which affect the integrity of the Council, including any fraud, bribery, corruption or other malpractice. Where appropriate, and where raising the concern is in the public interest, the Council's Whistle-blowing Policy should be followed.
 - (d) be politically neutral when advising Members or the Council.
 - (e) avoid inappropriate relationships with Members, Contractors or other Officers.
 - (f) treat everyone with the same professional standards regardless of gender, gender identity, age, marital or civil partnership status, colour, race, nationality or other ethnic or national origin, religion or belief, disability, sexual orientation, pregnancy or maternity, criminal background, trade union activity or political belief.
 - (g) in accordance with arrangements determined by the Council, declare any interest, outside employment or receipt of gifts or hospitality that would have to be declared by Members.
 - (h) avoid conflicts of interest between work for the Council and other employment and interests outside of work. This includes the not using of Council information, resources and intellectual property for personal gain or for the benefit others who might use it in such a way.
 - (i) use public funds in a responsible and lawful manner.
 - (j) to comply with the Supporting Policies where applicable.

3. **FRAUD, CORRUPTION AND BRIBERY**

3.1 The Council, the Head of Paid Service, Executive Directors and all Corporate Directors have a zero-tolerance commitment to issues of bribery and corruption.

3.2 Officers should report to their line manager or any Executive Director any corrupt offer that is made to them. Officers should also inform their line manager of any situation that they identify which they consider could result in the Council, its Members or Officer being vulnerable to fraud, corruption or bribery.

Introduction

Dorset Council is committed to providing an inclusive and supportive working environment for everyone who works here including officers and councillors. This includes a zero-tolerance approach to sexual harassment and what appropriate steps should be taken to achieve this. All workplaces should be free from any form of harassment and Dorset Council is no exception. We will treat such matters very seriously.

A separate policy on sexual harassment is available to officers. This document is based on the officer policy but is specifically focused towards councillors and includes ways that members can seek support and report any unwanted behaviours.

The policy aims to:

- reinforce Dorset Council's commitment to take prompt and appropriate action in response to any allegation of sexual harassment
- ensure everyone understands what sexual harassment is, can openly and confidently discuss concerns about inappropriate behaviour in the workplace, and are clear on Dorset Council's policy and practices.
- reinforce the council's role in setting a wider example to our communities, aiming to set a structural example as part of wider change in the community regarding sexual harassment and assault.

The policy is part of Dorset Council's commitment to equality and diversity. We are committed to creating a workplace that respects and values differences, that promotes dignity and combats prejudice, discrimination, and harassment.

Councillors are not employees but the policy aims to make clear the standards of behaviour expected from councillors, consistent with the [council's core behaviours](#) and the [LGA's model code of conduct](#).

Issuing this guidance to councillors is one of the ways in which the Chief Executive as Head of Paid Service discharges his duty of care and responsibility to ensure a safe working environment for employees.

We do not tolerate sexual harassment at Dorset Council, and we will always investigate and take appropriate action.

What is sexual harassment?

Sexual harassment is unwanted behaviour of a sexual nature.

The law (Equality Act 2010) protects the following people against sexual harassment at work:

- employees
- agency workers and contractors
- self-employed people hired to personally work for the council
- job applicants

While not employees or other types of workers referred to in the Act, we also expect our councillors to be able to carry out their duties within the council without harassment.

To be classed as sexual harassment, the unwanted behaviour must have either:

- violated someone's dignity, whether it was intended or not
- created an intimidating, hostile, degrading, humiliating or offensive environment for them, whether it was intended or not

It can be carried out or experienced by anyone of the same gender or different gender. The person engaging in unwelcome behaviour does not have to intend to be sexually harassing the other person for the behaviour to be considered sexual harassment. Regardless of what was intended, sexual harassment is defined by the nature and the impact of the behaviour, not the intention behind it.

A key element of sexual harassment is that it is unwelcome.

It is important to note that if a person does not object to inappropriate behaviour at the time; it should not be assumed that they are giving their consent. Consent exists where clear and unambiguous consent has been freely given and continues to be given.

It is possible that a person does not object to inappropriate behaviour at the time due to reasons such as, feeling of shame, powerlessness, embarrassment, lack of confidence and inability to feel as though they can challenge a colleague or superior.

Sexual harassment has many forms of variable seriousness. A person sexually harasses someone when they:

- insinuate, propose or demand sexual favours of any kind.
- invade another person's personal space (e.g. inappropriate touching).
- stalk, intimidate, coerce, or threaten another person to get them to engage in sexual acts.
- send or display sexually explicit objects or messages.
- online sexual harassment, where digital technologies are used to facilitate both virtual and face to face harassment, for example the sharing of unsolicited sexual images, videos, messages, the non-consensual creation and/or distribution of sexual images, or sexual coercion, threats and intimidation online.
- comment on someone's looks, dress, sexual orientation, or gender in a derogatory or objectifying manner or a manner that makes them uncomfortable.
- make obscene comments, jokes or gestures that humiliate or offend someone.
- pursue or flirt with another person persistently without the other person's willing participation. Also, flirting with someone at an inappropriate time (e.g. in a meeting) is considered sexual harassment, even when these advances may have been welcome in a different setting.

The most extreme form of sexual harassment is sexual assault. This is a serious crime and Dorset Council will support employees and councillors who want to press charges against offenders.

Roles and responsibilities

All councillors are responsible for:

- modelling appropriate behaviour
- taking personal responsibility to raise concerns about any sexual harassment in the workplace, whether this was experienced personally or witnessed. Concerns should be raised with the Monitoring Officer or the Deputy Monitoring Officer
- contributing to a respectful and productive working environment
- being willing to help and support their colleagues
- treating any allegations or complaints of sexual harassment with appropriate confidentiality
- ensuring that a person is not victimised for making or being involved in a complaint of sexual harassment

Councillors have a defining influence on the working culture and setting the tone for expectations around dignity and respect. It is expected that councillors will take a visible lead on the issue and set the tone for fostering a working environment where people feel empowered to speak up. The role-modelling of respectful behaviour will be instrumental in setting the right expectations for everyone.

If you've been sexually harassed at the council

If you've experienced sexual harassment at the council from an officer, councillor or member of the public, you can make a complaint. Please inform Jonathan Mair, the Monitoring Officer. (01305 838074 or jonathan.mair@dorsetcouncil.gov.uk) or Grace Evans, Deputy Monitoring Officer (01305 225021 or grace.evans@dorsetcouncil.gov.uk)

Dorset Council will take your complaint very seriously and will handle it fairly, sensitively and confidentially.

Make a note of what happened

It's a good idea to make a note of what's happened. This should include dates, times and names, including any witnesses. Making a note can be especially helpful if you find talking about the experience particularly distressing.

If you're thinking about recording what's happened you should be aware of the risks of recording, or secretly recording – for example on your phone. This is a complicated area of the law. It is advised that you follow guidance provided by Dorset Police or the [Sexual Trauma and Recovery Service \(STARS\)](#).

Witnessing sexual harassment in the council

If you see someone being sexually harassed at the council, you could step in and try to stop it happening, if you feel it's safe to do so.

After it's happened, you can:

- support a complaint made by the person who experienced the sexual harassment
- report what you've seen
- give evidence as a witness, for example at a hearing
- make a sexual harassment complaint yourself because what you've seen has violated your dignity or created an intimidating, hostile, degrading, humiliating or offensive environment for you

If you're making a complaint yourself, you do not need the permission of the person who's been sexually harassed.

You must not be victimised if you make or support a complaint, or act as a witness. This means you must not be:

- stopped from giving evidence
- treated unfairly because you've made a complaint, given evidence or supported a complaint

Ways you could support someone else's complaint include things like:

- making a statement, which may or may not mean you appear as a witness at a hearing

- giving evidence that the person accused of sexual harassment had also sexually harassed you in another incident
- comforting or supporting someone who's experienced sexual harassment

Bystander intervention

Bystanders, including colleagues, who witness or are aware of sexual harassment, can play an important role in preventing sexual harassment in the workplace. When grounded in behaviours of integrity and respect, action taken by colleagues can positively impact on defining workplace culture.

When safe to do so, bystanders that are aware of sexual harassment are encouraged to:

- provide support to the colleague who is being subjected to sexual harassment,
- challenge concerning behaviour, and
- report sexual harassment

In some situations, a witness may wish to remain anonymous and where appropriate, anonymity will be provided. However, it may not be possible in all circumstances to keep the identity of a person, or people providing information, confidential.

In some situations, it may be the case that full details of allegations are required for appropriate inquiries to be made or so that a respondent is afforded procedural fairness and natural justice.

If you are witness to a problematic or potentially problematic situation you should:

- Notice: pay attention to what is going on around you
- See it as a problem: recognise the situation as a problem
- Assume personal responsibility: do not assume someone else will do something
- Know how to help: make sure you can keep yourself safe
- Implement the help: act in one of the following ways:
 - Direct – this involves direct intervention, for example, going and talking in a calm way to the people involved
 - Distract – point out something else, distract the instigator, for example with re-directing them with a work issue
 - Delegate – if there is someone else with more power available, make them aware
 - Delay – always make sure that the person who experienced harassment is ok afterwards and check in on them

Confidentiality

Disclosures of sexual harassment will be treated in confidence. However, in some instances, a matter may need to be escalated or referred without agreement from the employee, particularly in circumstances that may:

- constitute a criminal offence,
- constitute an occupational health and safety risk, or
- require disciplinary action

If for instance a complaint needs to be escalated to the police we will work with them to ensure that the confidentiality of victims and witnesses are respected as part of their processes. If we need to escalate a complaint we will notify the person who made the disclosure who it is we have escalated it to and why.

PROTOCOL FOR MEMBERS AND OFFICERS ON PLANNING PROCEDURES**1. Introduction**

- 1.1. Public confidence in the planning system, whether that is determining planning applications or taking enforcement action against breaches of planning control, is essential to the acceptance of the restrictions which it imposes upon individuals, and that confidence can only be achieved if Members and officers not only act, but are seen to act in a manner which is fair, impartial and in the general public interest of the area as a whole.
- 1.2. Determination of a planning application is a formal administrative process involving rules of procedure, rights of appeal and an expectation that decision makers will act reasonably and fairly. Procedural unfairness can leave planning decisions vulnerable to legal challenge in the High Court.
- 1.3. This Code applies to every Member irrespective of whether or not he or she is a member of the Planning Committee and to all Officers. It is supplemental to the Members' Code of Conduct.

2. Pre-determination

- 2.1. Since any planning matter must be determined on its merits, taking into account all material planning considerations, Members must not make up their minds on a planning issue before they all have all the relevant information. Decisions can only be taken after full consideration of the officer's report and information and discussion at the Planning Committee meeting. This does not mean that Members cannot hold strong views about an application.
- 2.2. However, if a Councillor fully commits him- or her-self to a particular view on a planning application, such that their mind is no longer open to the consideration of the merits of the case, that Councillor should not take part in the debate or vote on an application.

3 Pre-application discussions

- 3.1 Members have an important part to play in community engagement. Members who take part in pre-application discussions either with applicants or objectors need to be aware of the:
 - (a) need to remain impartial;
 - (b) danger of giving inconsistent or inappropriate advice particularly when not all the facts are known so advice should be limited to matters of process;
 - (c) need for an officer to be present during any such discussions where practicable; and
 - (d) the fact that they are not negotiators.
- 3.2 On the basis of "no surprises" where potential issues are brought to Members' attention during any pre-application discussion at which it was not practicable for an

Officer to be present they should alert Officers to the issue as soon as possible and not leave it to the Planning Committee meeting.

4 Lobbying of Members

- 4.1 Lobbying, whether by applicants, objectors or those in support of an application, is a normal part of the political process and can take the form of meetings, both private and public, formal presentations or correspondence. It is an essential part of the process that local concerns can be expressed. However, care must be taken to ensure that lobbying does not call into question the integrity and fairness of the planning process or an individual Councillor. When lobbied, members of the Planning Committee should take care about expressing an opinion which could be taken as an indication that they have already made up their mind on the issue and are no longer open to consideration of the merits of the application. Instead they should give procedural advice including suggesting that contact is made with the case officer.
- 4.2 If Members do express an opinion, care should be taken to state that this is a preliminary view only and the final decision will be reached when all the facts are available at the Planning Committee meeting.
- 4.3 Any written or electronic correspondence received should be passed by the Member who is main addressee (if the e-mail is addressed to all members of the Planning Committee, this will be the Chair of the Planning Committee) immediately to the case officer for recording on the file and for communication to all Planning Committee members.
- 4.4 Members of the Planning Committee should take care when attending meetings in connection with development proposals or submitted planning applications unless such meetings have been arranged as Councillor briefings as part of the formal process. Members should take advice from the Monitoring Officer before deciding whether to attend meetings that appear to have been organised for lobbying purposes.
- 4.5 Members of the Planning Committee consider whether any contact with an applicant, objector or landowner is significant, and if so, disclose such contact prior to any decision being taken on the application. This should be formally recorded in the record of the Planning Committee meeting.

5 Lobbying by Members

- 5.1 Ward Members have an important role to play as representatives of their communities and to bring local information to the decision-making process. Ward Members may therefore become involved in discussions with Officers about individual applications. However, they should remember that it is very easy to create the impression that they are using their position to influence the progress of the application. Any discussions with Officers should be seen to be open and above Planning Committee. Officers should make a note on the file of any such discussions.
- 5.2 Ward Members who are not members of the Planning Committee can make representations on planning applications in their Ward and may attend meetings of the Planning Committee and, with the Chair of Planning Committee's agreement, can address the Planning Committee on such applications in accordance with the

protocol on public speaking at Planning Committee meetings. Any representations or address should relate to the planning merits of a planning application. This will not apply if the Councillor is also a Parish/Town Councillor and the Parish/Town Council is the applicant.

- 5.3 When making representations on behalf of their constituents, Members should make it clear that it is their constituents' views and not their own that are being expressed. Furthermore, any representations on behalf of constituents must be expressed in such a way that no individual or group feels that they have been unfairly represented.
- 5.4 Members should avoid lobbying Planning Committee Members and exerting of undue pressure on planning officers for a particular recommendation.

6 Membership of another local authority

- 6.1. A Councillor who is also a member of another tier of local government should have regard to the guidance on interests in this Code. If in doubt about the nature of their interest, Members are recommended to seek further advice from the Monitoring Officer.
- 6.2. Members of the Planning Committee who are also members of another tier of local government should adopt the practice of making it clear, when they participate in a debate on development proposals at a Parish/Town meeting, that the views they express are based upon information before them at that time, and might change in the light of further information at the Council's Planning Committee Meeting.

7 Political group meetings

- 7.1 Given that the point at which a decision on a planning application is made cannot be before the Planning Committee meeting when all available information will be to hand and has been duly considered, any political group meeting prior to the meeting of the Planning Committee should not be used to decide how Members should vote. Furthermore, the Ombudsman takes the view that the use of political whips at group meetings in this way may be considered as maladministration.

8 Scheme of delegation

- 8.1 The detail of the Scheme of Delegation is set out in Part 3 of the Constitution.

Applications by the Council or in respect of Council-owned land

- 8.2 Applications submitted by the Council or made by any person in respect of Council-owned land will be determined in the same way as any other application.

Applications by Members and Officers

- 8.3 Whilst it is perfectly legitimate for any Member or Officer to submit a planning application, it can easily give rise to suspicions of impropriety unless handled properly. Accordingly:

- (a) all applications by Members, their spouse or civil partner and applications by a Chief Officer or an officer directly involved in the processing or determination of the application (or their spouse or civil partner) will be reported to and determined by the relevant Planning Committee.
- (b) while any application from a Member or an Officer identified under paragraph (a) above, should usually be identified as part of the registration process, Members and Officers are encouraged to draw the fact that such an application has been submitted to the attention to both the Head of Service for Planning (or any other Officer nominated by him/her) in writing and also the relevant case officer within 21 days of the date of the application being submitted to help ensure its identification.
- (c) where an application is submitted by someone other than a Member, but in relation to land or a building in which the Member has a registered legal interest (which for the purpose of this code means a legal interest registered at HM Land Registry in the name of the Member), the Member is also encouraged to provide such notification as identified above. Note that this is in addition to any duty the Member may have regarding the disclosure of any interest including any Disclosable Pecuniary Interest for the purposes of the Member Code of Conduct.
- (d) any Member or Officer who submits a planning application must not take part in or seek to influence the decision-making process relating to that application.
- (e) any Member or Officer who acts as an agent for people pursuing a planning matter with the Council must not take part in the decision-making process for that proposal, nor seek in any way to influence it.

Reports to the Planning Committee

- 8.6 All planning applications to be determined by the Planning Committee will be the subject of a written report from the case officer. The report should aim to be as accurate as possible and include a summary of the substance of representations received, the relevant policies, identify any other material considerations, contain an appraisal of the application and give a recommendation. Where the recommendation is contrary to policy or is a departure from the development plan, the report will identify this and provide reasoned justification.
- 8.7 Officers may report additional information received after the publication of the Planning Committee report at the meeting.

9 Decision-making

The legal framework

- 9.1 The Town and Country Planning Act 1990 requires the Council to have regard to the provisions of the development plan, so far as material to the application and to any other material consideration. Furthermore, the application is to be determined in accordance with provisions of the development plan unless material considerations suggest otherwise.

Determination of applications contrary to Officer's advice

- 9.2 Decisions should be based on any written report prepared by Officers. However, Members are not obliged to accept and follow the professional advice given by Officers. Nevertheless, when Members are minded to determine an application contrary to the Officer recommendation they should ensure that they have sound and convincing planning-based reasons for doing so, with evidence to support those reasons whether they are reasons to refuse an application, or to grant planning permission as a departure from the development plan.
- 9.3 The mover of the motion must set out their reasons as part of the motion and if seconded, it may be appropriate for the Planning Committee to adjourn for a few minutes to allow Officers to consider the reasons. Where officers have doubts about the validity of the reasons given, then consideration should normally be given to the deferral of the application to the next meeting so that the reasons may be considered and tested further.
- 9.4 Before a vote is taken or consideration is given to deferral, the Chair of the Planning Committee should ensure that the Officer is given the opportunity to explain the likely implications of any subsequent decision.
- 9.5 When Members decide to determine an application contrary to the Officer's recommendation, the minute will state the reasons for the decision and if those reasons are to be based on development plan policies, identifying the relevant policies and stating in what way the application supports or infringes those policies. A copy of the minute will be placed on the application file.

10 Site visits

- 10.1 It is the responsibility of each Member to familiarize himself/herself with the location of any proposed development. This might well include seeking to view the site from areas that are accessible to the public. In no circumstance should a Member enter onto private land without the permission of the owner and occupier. Exceptionally, where the impact of the proposed development is difficult to visualise both from the submitted plans and other supporting material a committee site visit may be agreed. The site visit will be carried out in accordance with arrangements that will ensure that it is conducted fairly and without risk of bias or predetermination.

11 Interests

Fundamental principle

- 11.1 It is a fundamental principle that those who have a significant interest in the outcome of a particular planning application or enforcement matter should not make decisions in relation to that application or matter. This applies to Members and Officers alike.

Declaration

- 11.2 Members should declare and register those interests identified in the Code of Conduct for Members. Members with a Disclosable Pecuniary Interest in a planning application or enforcement matter should not take part in any discussions about the application or matter and leave the room during any discussions.

- 11.3 Where a Councillor has a personal interest e.g. the applicant is a relative, friend or close associate or there has been previous personal dealings acrimonious or otherwise, they should think whether their involvement in the decision-making process would compromise the General Principles set out the Code of Conduct for Members. If it would they should not take part.
- 11.4 Officers who discover that they have an interest in a planning matter should, in addition to any requirement of the Officers' Code of Conduct, cease to act and report the interest to their immediate manager who will reallocate the matter to an Officer without an interest in it. The Officer having an interest will not take part in any part of the decision-making process in respect of that application.

Monitoring Officer to advise.

- 11.5 Members and Officers who are unsure whether to declare an interest should seek advice from the Monitoring Officer, before the Planning Committee meeting, although the final decision whether to make a declaration and/or to withdraw from the meeting will always be one for the individual.

12 Councillor training

- 12.1 Town and Country Planning is a specialised field and both the Local Government Association and the Royal Town Planning Institute place particular emphasis on the need for Members to have an adequate knowledge of the planning process. The Council will provide training that all members of the Planning Committee must undertake before taking part in any Planning Committee meetings. Members have a responsibility to ensure that they understand the fundamental principles and keep up-to-date with developments.
- 12.2 Training will be arranged for Members when there is a change in the composition of the Planning Committee or when there are material changes in legislation, policy guidance or practice.

13 Officers' professional obligations

- 13.1 Many Planning Officers are Chartered Town Planners and are bound by the Code of Professional Conduct of the Royal Town Planning Institute (RTPI) which imposes certain professional obligations including conflicts of interest and continuing training. Breaches of that Code may be subject to disciplinary action by the RTPI.

14 Breach of this code

- 14.1 If anybody wishes to make an allegation that a Councillor has breached this Code, such allegation should be made to the Monitoring Officer.

Part 5. Scheme of Allowances

Dorset Council Members' Allowances Scheme 2024/25

1. The payment of allowances to elected members of local authorities is governed by the Local Government (Members' Allowances England) Regulations 2003 ("the Regulations"). This scheme is for 2024/25 and is effective from 1 April 2024.

Subsistence Allowances

6.1 Subsistence allowances for meals and accommodation can be reimbursed to Dorset Council Councillors for duties undertaken outside the ceremonial Dorset county (which includes the unitary council area of Bournemouth, Christchurch and Poole). This allowance reflects the scheme in place for officers of Dorset Council.

6.2 Councillors of Dorset Council are entitled to claim subsistence if their duties mean that they are away from the ceremonial Dorset county for at least 5 hours, preventing them from following their normal meal arrangements AND they have to incur expenditure which is in addition to their normal outlay.

6.3 Any claims for subsistence costs must be for the actual amount paid (up to the maximum amount claimable) and supporting receipts of this cost must be kept by the councillor. The amounts claimable are cumulative across mealtimes. Therefore, one amount can be claimed depending on the length of time away. The reimbursement of costs associated with alcohol will not be paid under any circumstances.

6.4 The maximum amounts that be claimed are as follows:

	Maximum amount claimable
At least 5 hours outside of the ceremonial county*	£5.00
At least 10 hours outside of the ceremonial county*	£10.00
	£15.00

At least 15 hours outside the ceremonial county*

* Supplement where journey ends After 8pm £10.00

Overnight (room only) £91.63 including VAT (or £120.25 including VAT for Greater and Inner London)

****Where the qualifying journey in respect of the claim lasts beyond 8pm an additional supplementary amount of up to £10 can be claimed to cover additional expenditure expenses incurred as a result of working late, this additional expenditure must be supported by receipts.***

- 6.5 Where a member is suspended or partially suspended from their duties as a Dorset Councillor in accordance with Part III of the Local Government Act 2000, or regulations made under that part, the part of subsistence allowance payable to them in respect of the period for which they are suspended or partially suspended shall be withheld.

Dependant Carers' Allowance

7. A dependent carers' allowance paid to members of up to £13* per hour, i.e. actual expenditure incurred up to a maximum of £13 per hour, or in exception and by prior arrangement with the Service Manager for Democratic and Electoral Services invoiced expenditure above £13 per hour, will be paid for care of dependants, whether children, elderly people or people with disabilities, while a member is on Dorset Council business where travelling allowances are payable. The allowance will not be payable to a member of the claimant's own household. Members who claim a carers' allowance are required to certify that the amounts claimed (up to the permitted maximum) have actually been incurred by signing the declaration on the reverse of the claim form. Receipts should also be provided.

Note: The hourly rate equivalent is to 110% of the minimum wage, rounded up to the nearest whole pound, i.e. actual expenditure incurred subject to a maximum of £13 per hour. *As at April 2024*

Co-opted and Independent Members' allowance

- 8.1 Co-opted and independent members of committees and other persons appointed to sit on panels and for a constituted meeting by the council, are entitled to claim travelling and carer's allowances in accordance with this scheme. They may also claim subsistence allowance for attendance at meetings.

In the case of claims submitted on a claim form, these should be attached.

9.4 Hard copy claim forms will be made available for co-opted members.

Forgoing Allowances
