

**Joint Public Health Board Forward Plan  
For the period 21 July 2020 to February 2021  
(publication date – 7 JULY 2020)**

**Explanatory Note:**

This Forward Plan contains future items to be considered by the Joint Public Health Board. It is published 28 days before the next meeting of the Committee. The plan includes items for the meeting including key decisions. Each item shows if it is 'open' to the public or to be considered in a private part of the meeting.

**Definition of Key Decisions**

Key decisions are defined in Dorset Council's Constitution as decisions of the Joint Public Health Board which are likely to -

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates (**Thresholds - £500k**); or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority."

In determining the meaning of "*significant*" for these purposes the Council will have regard to any guidance issued by the Secretary of State in accordance with section 9Q of the Local Government Act 2000 Act. Officers will consult with lead members to determine significance and sensitivity.
