**Subject:** 31587 - Brewery Cottage TEN

Dear Mr Morgan

I write in response to the recent TEN application:

***john morgan - Garden and car park by Brewers Cottage shaftesbury SP7 8AD***

***The car park and Crown Inn garden within the curtilage of Mustons Yard - google map with red line boundary has been sent to Environmental Health cross referenced with TEN Application Number***

***A celebration of North Dorset's young musical talent - proceeds to ensure all performers are paid and a local mental health charity to benefit from takings.***

***Mon 21 June 2021 14:00 - 23:00***

***Acoustic and amplified recorded performance by musicians and DJs***

Having checked the location and the details given for the TEN, Environmental Health have some concerns:

- 8hr event, held outdoors, in a court yard area enclosed on three sides by residential premises
- 2300 finish time on a Monday night
- Lack of any Noise Management Plan, which would support how the applicant may intend to meet the Licensing Objectives and, importantly, demonstrate how they intend on protecting neighbouring residents from a potential noise nuisance
- EP have received a further noise complaint in relation to activities in this vicinity on the 26-27<sup>th</sup> May indicating ongoing disturbance to neighbouring properties in the vicinity

The history of complaints in the vicinity of the proposed event suggests, were the event to go ahead as described, that it is likely that nuisance would be caused to neighbouring residents.

Therefore, Dorset Council's Environmental Protection object to the proposed TEN.

I have addressed this email to Mr Morgan as the applicant on the TEN. However, the contact details given for both Mr Morgan and Mr Goldstein are virtually identical with one having a Tiscali address and the other having a Hotmail address in addition to using the same mobile number. I am therefore, unsure of the relationship and clarification on this would be appreciated please.

Please note that I have copied in the Council's Licensing team for their attention.

If I can be of any further assistance, please do not hesitate to contact me.

Kind regards

**Michael Hale**
