

Ref	Domestic Abuse Strategy 2021 - Recommendation	Domestic Abuse Strategy - Objective	Prevent / Prepare / Protect / Pursue	Category	Actions	Lead	Timescale	Progress
1	Local Partnership Board (LPB) should explore strengthening the sanctuary / target hardening offer, including coordination.	Work together to strengthen the local housing offer, bringing coordination to ensure people remain in their own home safely, through sanctuary support.	Prepare	Prevention, Victims	Use the New Burden's Funding to fund the existing Target Hardening Project (currently grant funded and led by Harts District Council). Consideration to be given to bolstering the current offer, bringing together better coordination across Dorset, taking account of all other TH offers.	Dorset Council	Oct-21	Target Hardening Provision (inc TH Coordinator) being considered as part of the New Burden's Funding proposal. Led by Dorset Council.
					Review and develop the current sanctuary offer in Dorset, focusing on improving the coordination of provision across Dorset.	CSP Strategy Group	Apr-22	Not started
2	LPB should explore giving security to the provision to support children and young people in accommodation-based settings.	Work together to provide greater security to the provision of support for children and young people in accommodation-based settings.	Prepare	Prevention, Victims	Use the New Burden's Funding to fund the existing children and young person's workers (currently grant funded and led by Harts District Council) in safe accommodation-based settings	Dorset Council	Oct-21	Children and Young Person workers being considered as part of the New Burden's Funding proposal. Led by Dorset Council.
					Review the current offer and explore what more can be done to support children and young people in safe accommodation based settings.	CSP Strategy Group	Apr-22	Not started
3	LPB should explore national innovation and good practice to help inform local housing offer, including prevention, male provision, and housing options for perpetrators.	Seek to learn from latest research, innovation, and best practice, to ensure the local offer is at the cutting edge and relevant to local need.	Prepare	Prevention	Research best practice in offering sanctuary support	CSP Strategy Group	Apr-22	Research post is being considered as part of the new burdens funding proposal
				Victims	Research best practice on housing options, including DAHA / Whole housing approach	CSP Strategy Group	Apr-22	Research post is being considered as part of the new burdens funding proposal
				Offenders	Research best practice when it comes to housing options for perpetrators	CSP Strategy Group	Apr-22	Research post is being considered as part of the new burdens funding proposal
4	Any future needs assessment should consider demand, needs and provision across other counties in the UK.	Will work with other areas of the UK to better understand demand, ensuring no one is turned away from support due to where they live.	Prepare	Victims	Work with the South West Domestic Abuse Coordinators Group to consider demand and provision across the South West.	Ian Grant, Dorset Council	Mar-22	Standard reporting template has been created and circulated to SWDAC Group
5	Commissioners should work together to design services / system and seek joint commissioning opportunities.	Commissioners will work together to design services / system and seek joint commissioning opportunities, providing greater security and sustainability.	Prepare	Prevention, Victims, Offenders	Create a joint commissioning group. Commissioning group to consider strategy, local information and ambitions to continue the whole systems work.	Ian Grant, Dorset Council	Dec-21	Commissioning Charter in Draft and will be taken to CSP shortly.
6	LPB should consider the impact of COVID.	Partners will use evidence and learning from the COVID 19 pandemic to influence future service design.	Prepare	Prevention, Victims, Offenders	Task and finish group to assess and explore the learning from COVID 19. Findings to be used to inform local approach including commissioning.	CSP Strategy Group	Mar-22	Not started

7	LPB should work to balance the system between prevention, perpetrator offer and reactive services.	Partners will always consider the whole system when designing services, ensure early intervention, prevention and reactive services are well balanced across the system and take account of the whole family.	Prevent / Prepare	As per 5.	As per 5.	As per 5.	As per 5.	As per 5.
8	LPB should create an approach that enables people experiencing / who have experienced domestic abuse, their families, and the community to shape provision and the local response.	Partners will work alongside our communities to create a strong and resilient community response, ensuring those who use the services shape future provision.	Prevent / Prepare	Prevention , Victims, Offenders	Dorset Domestic Abuse Forum to work and consult with the community to help shape local offer, seeking their views, experiences and wishes	Dorset Domestic Abuse Forum	Apr-22	Not started
					Review the Standing Together Coordinated Community Response and how this could apply to Dorset	Dorset Domestic Abuse Forum	Apr-22	Not started
9		Continually raise awareness of domestic abuse, setting out the local offer, and how to respond in a way that is accessible to all.		Prevention , Victims, Offenders	Continue with comms work.	CSP Strategy Group. All Partners	Ongoing	Partners across Dorset have and continue to achieve innovative ways of communicating the issue and signposted to support across Dorset.
