

Following the objection to the Premises Licence application my client has re-considered the matter.

Notwithstanding the letter responding to the objection, he would like to change the hour within which alcohol can be sold at the premises to be between 11:00 and 17:00 on any day.

This will ensure the licensing hours do not exceed the opening hours stipulated on the planning permission and will also ensure that the amenity of neighbours is not adversely affected.

I would be grateful if you could advise the objectors of this change.
