**Notes**

- Contributions may not arise until after 2024/25.
- Capital receipts estimate is based on a prudent estimate of the Assets workstream forecast over the next three years.
- The revenue contributions to capital expenditure are based on the Councils' current RCCO budgets.
- By agreeing the 2019/20 budget, members are also agreeing the full costs of these particular projects either because of contractual or constructive obligations. Conversely, this does not mean that there is no case for years 2, 3, and 4 for the remaining projects but just that the council are not committed to these later years.
