

Question to Cabinet 5 April 2022

1. Question from Councillor Kate Mason (on behalf of Alderholt Parish Council).

Alderholt Parish Council would like to know the date in April 2022 when the Dorset Local Plan Pre-submission stage will be published or, if not in April, then the date at which this will take place.

Response from the Portfolio Holder for Planning

The pre-submission publication of the Dorset Local Plan will no longer be taking place this spring, due to the length of time required to finalise some of the evidence base work. We will be updating the Local Development Scheme in due course but the earliest that publication could now take place would be the autumn.
