Dear Fiona,

Thank you for your prompt and helpful reply to my email enquiry about our Neighbourhood Plan. This is our formal application for the designated boundary:

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Church Knowle Parish Council gives notice that it wishes to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for The Church Knowle Neighbourhood Plan.

The application is accompanied in the appendix by a map identifying the area to which the application relates, being the entire parish area of Church Knowle.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

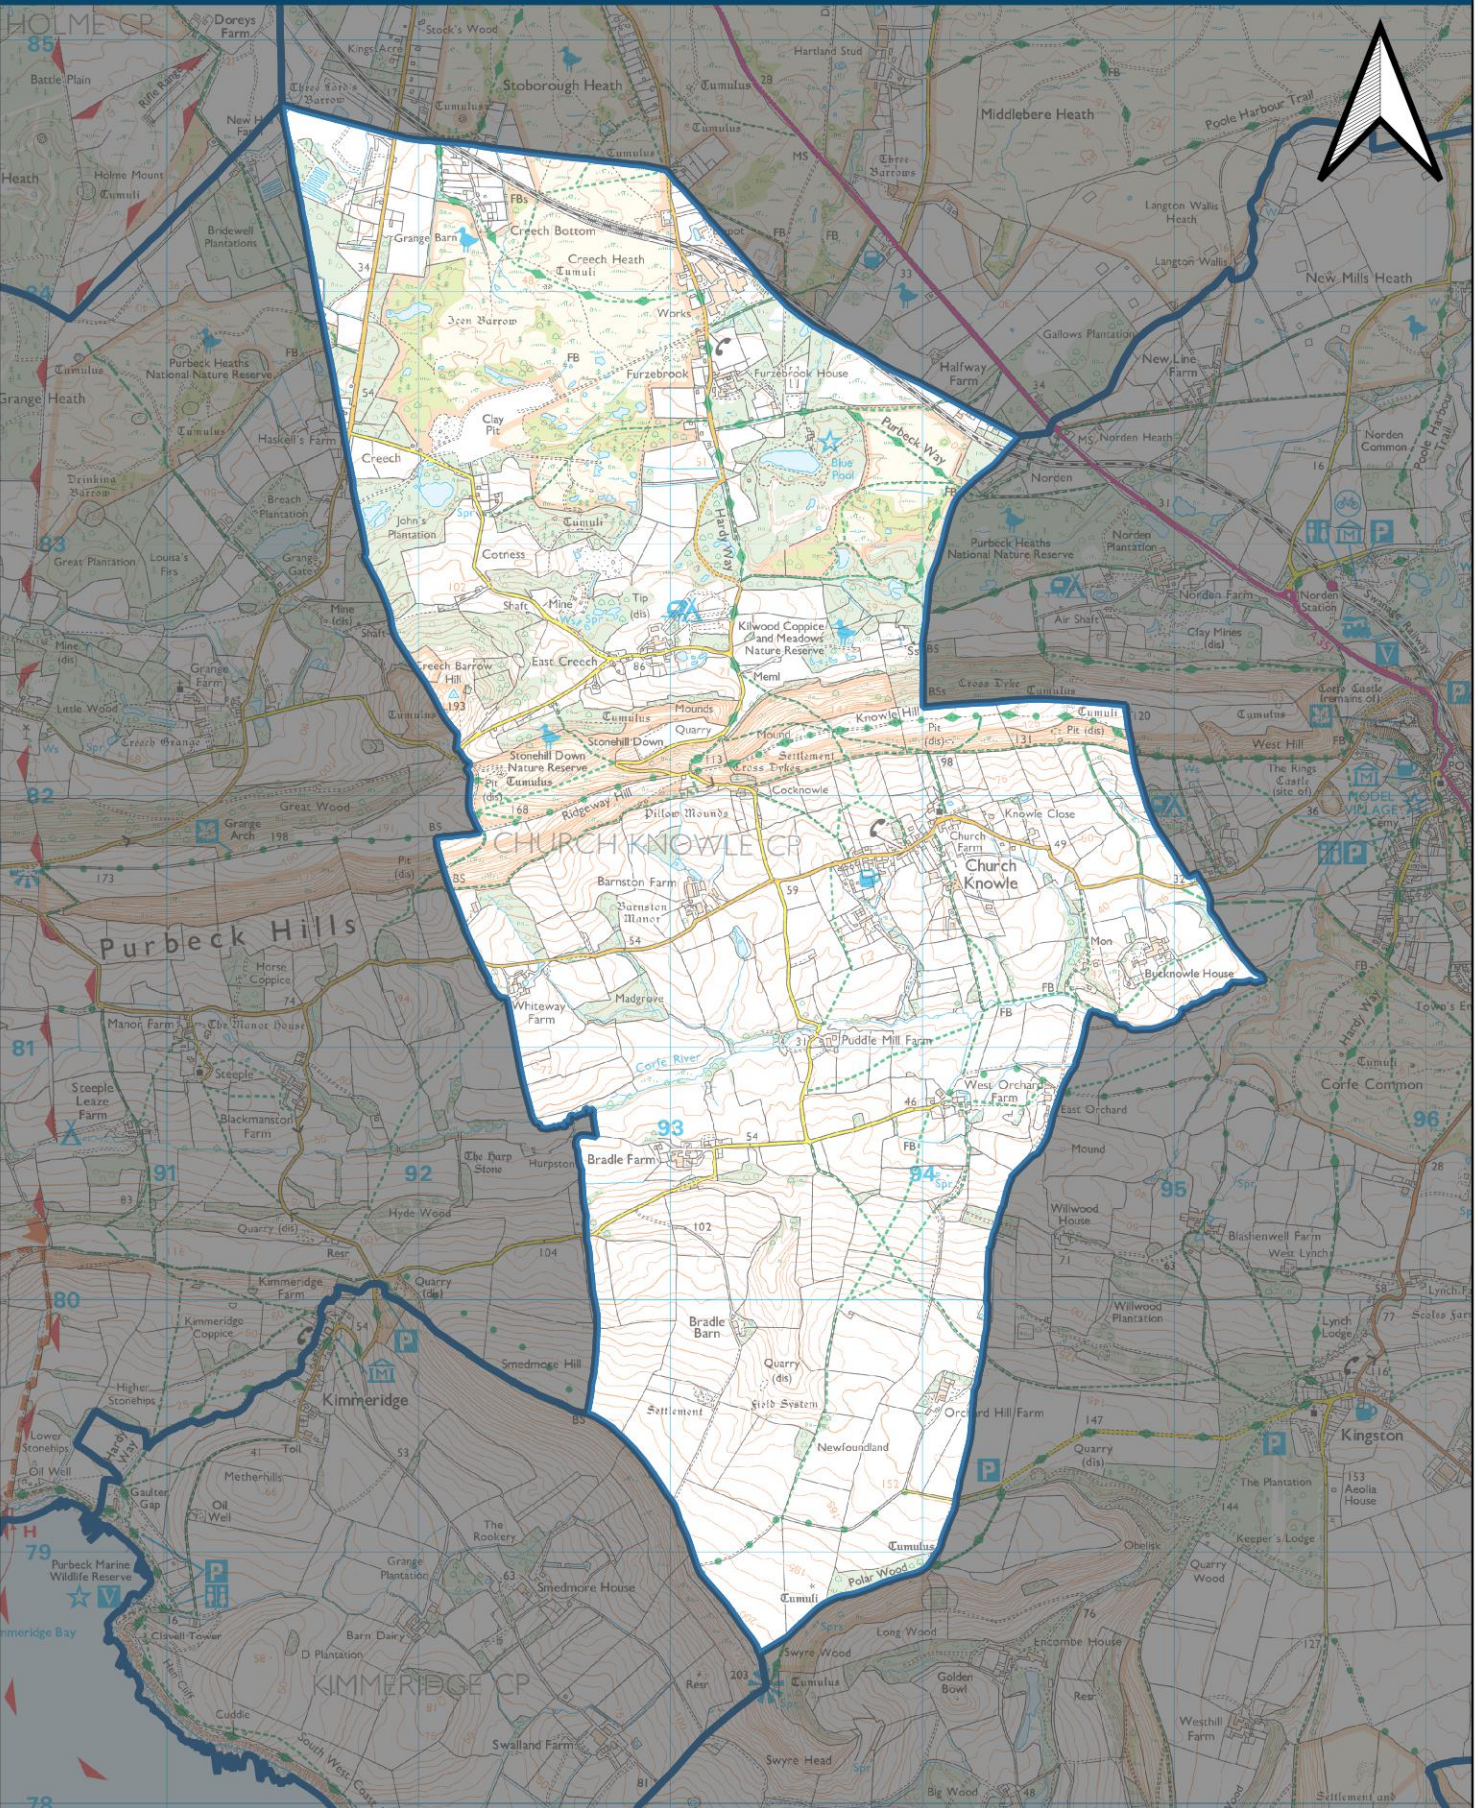

- It is an area with a special rural character and environment, which should be safeguarded
- We want to ensure that new development has a positive effect
- We want to formulate more detailed local policies to influence the type, scale, design, and form of development which may come forward in the area

Church Knowle Parish Council is a relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.

Yours sincerely

Andrew Parsons Ceng LLB
