Dear ██████████

**Licensing Act 2003 – Application for Variation of Licence
The Regulatory Reform (Fire Safety) Order 2005**

Address of Premises: Bredy Gate, Bredy Farm, Bredy Lane, Burton Bradstock, Bridport,
DT6 4ND

I refer to your application dated 4th May 2022 for a Variation of Licence for the above premises.

Based on the information received, I write to inform you that I have no adverse comments to make. However, additional information or action may be required relating to the Regulatory Reform (Fire Safety) Order 2005 and will be addressed separately.

The Regulatory Reform (Fire Safety) Order 2005

Articles 9 & 11 of The Regulatory Reform (Fire Safety) Order 2005 require that a suitable and sufficient fire risk assessment is completed, and the significant findings are recorded.

- Further guidance can be found in the “Fire Safety – Risk Assessment” publication for this premises type, available as a free download from www.gov.uk (fire safety law and guidance documents for business).

I take this opportunity to remind you that fire safety is a dynamic process to be considered on a daily basis, and the assessment of fire risk should be constantly under review and updated as required, especially where the risk in the premises has been affected by alterations, changes in procedures, use or occupancy.

Chief Fire Officer ██████████
