Good morning, Charlotte

Thank you again for your time yesterday, it was really good to meet you all and discuss your application. Please see below the conditions we would like to see on your licence based on what you put in your application. If you are in agreement with these, we have no objections to your application from a Police Licensing perspective. I would be grateful if you could reply to this email confirming this so that I can forward these on to the Licensing Authority for them to progress the application.

- All staff involved in the sale of alcohol shall receive training on the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attaching to the premises licence. Refresher training shall be provided at least once every 12 months. A record shall be maintained of all staff training and that record shall be signed by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by police, licensing or other authorised officers.
- A log shall be kept detailing all refused sales of alcohol. The log should include the date and time of the refused sale and the name of the member of staff who refused the sale. The log shall be available for inspection at the premises by the police or an authorised officer of the Council at all times whilst the premises is open.
- The PLH/DPS will ensure that an Incident Report Register is maintained on the premises to record incidents such as anti social behaviour, admissions refusals and ejections from the premises.
- Challenge 25 shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence or passport or holographically marked PASS scheme identification cards. Appropriate signage advising customers of the policy shall prominently displayed in the premises.
- A Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times when members of the public are present on the premises. The CCTV system will contain the correct time and date stamp information. The CCTV system will have sufficient storage retention capacity for a minimum of 30 days' continuous footage. The CCTV system will be adequately maintained and be capable of transporting recorded material onto a removable media. CCTV shall be downloaded on request of the Police or authorised officer of the council. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.
- All children are to be accompanied by an adult over the age of 18 after 2100hrs in the bar area.

If you have any questions or feel any of the above are not as we discussed yesterday, please do not hesitate to contact me. I look forward to hearing from you.

Many thanks
Kirsty
