WESTERN AND SOUTHERN AREA PLANNING COMMITTEE

MINUTES OF MEETING HELD ON THURSDAY 13 OCTOBER 2022

Present: Cllrs Kelvin Clayton, Susan Cocking, Dave Bolwell, Jean Dunseith, Nick Ireland ((arrived at 09:59)), Louie O'Leary, Bill Pipe (Vice-Chairman), David Shortell (Chairman), Sarah Williams and John Worth

Apologies: Cllrs Paul Kimber and Kate Wheller

Officers present (for all or part of the meeting):

Ann Collins (Area Manager – Western and Southern Team), Bob Burden (Senior Planning Officer), Philip Crowther (Legal Business Partner - Regulatory), Matthew Pochin-Hawkes (Lead Project Officer), Steve Savage (Transport Development Manager), Emma Telford (Senior Planning Officer), Guy Tetley (Engineer (Development Liaison)), Elaine Tibble (Senior Democratic Services Officer) and Katrina Trevett (Development Management Team Leader)

38. **Declarations of Interest**

Cllr Bolwell declared an interest in items 5c, as Chair of Bridport Town Council Planning Committee he was predetermined. He was open minded on items 5d and 5h but elected to leave the committee and not take part in the debate or vote.

Cllr Clayton declared an interest in items 5c, 5d and 5h as he was predetermined. He did not take part in the debate or vote. He elected to speak as ward member on item 5c

Cllr Williams declared an interest on item 5d as a member of the Harbours Committee, the application had not been discussed and she had an open mind on the item.

Louie O'Leary was predetermined on Littlemoor and had have spoken against the application. He elected to, not partake in debate or vote, but to speak as ward member.

39. **Minutes**

The minutes of the meeting held on 4 August 2022 were confirmed and signed as a correct record.

40. **Public Participation**

Cllr Bolwell read a statement on behalf of Cllr David Rickard (Leader of Bridport Town Council) in relation to item 5c on the agenda.

41. **Planning Applications**

Members considered written reports submitted on planning applications as set out below.

Application No: P/RES/2021/04983 Land to the north of Littlemoor Road, Weymouth

- a) Cllr O'Leary had declared an interest in this item and did not take part in the debate and vote.

The Lead Project Officer introduced the application which sought approval of reserved matters for access, layout, scale, appearance and landscaping of 500 dwellings and associated works in relation to outline applications WD/D/16/000739 and WP/16/00253/OUT comprising: up to 500 dwellings, including affordable housing; up to 8 ha of employment land (to include a new hotel, residential care home, car show rooms and other employment land); land for a new primary school; a new local centre; public open spaces, new accesses and roads, and associated infrastructure.

This was the first reserve application for the scheme which was for the residential element only.

The Planning Benefits of the application were outlined in detail by the Lead Project Officer, including the provision of affordable housing, open spaces, and contributions to education, medical surgeries and other associated infrastructure.

The Lead Project Officer detailed the housing mix summary and advised that the affordable housing was front loaded and would therefore, be provided in the early stages of development.

In his summary the Lead Project Officer highlighted the principle of development, sustainability factors, the key planning issues of the proposed scheme, the access, layout, open spaces, scale and size of dwellings, the appearance of the urban character and landscaping. These were all supported by artist impressions and drawings of the application.

The reserved matters application was recommended for approval subject to conditions.

Oral representation was received from Mr Brett Spiller the agent for the applicant in support of the application.

Oral representation in objection to the application was received from Cllr Roland Tarr.

Cllr Louie O'Leary addressed the committee as ward member and asked for a number of amendments to be added.

The Transport Development Liaison Manager responded to Cllr O'Leary's

highways requests by explaining that there was no justification at the present time to ask for the speed limit on the Littlemoor Road to be reduced from 40mph to 30mph, or for the upgrading of the pedestrian crossings, however, there would be the opportunity to look at the other crossings as the phasing took place.

In response to committee questions, members were advised that 80% of the apartment blocks would have dual aspect windows. In cases where both parties were in agreement variations could be made to the section 106 agreement through a deed of variation.

Cllr Worth suggested that members encourage colleagues on Weymouth Town Council to pursue a lower speed limit on the Littlemoor Road as a separate matter.

Proposed by Cllr Bolwell, seconded by Cllr Pipe

Decision: That the application be granted subject to the conditions outlined in the appendix to these minutes.

Cllr Ireland did not take part in the debate and vote as he was not present for the first part of the officer presentation.

**Application No: P/FUL/2022/03801 - Weymouth Angling Society,
Commercial Road Weymouth DT4 8NF**

- b) The Development Management Team Leader presented the application to Erect an extension to the front porch area of the existing social club to extend the existing cellar. The application had come to committee as Dorset Council was the landowner and it was recommended for approval subject to conditions.

In response to member questions the Development Management Team Leader confirmed that the application was to extend the porch area with its own external access to be used as a cold store and not create an underground cellar

Proposed by Cllr O'Leary, seconded by Cllr Bolwell.

Decision: That the application be granted subject to the conditions outlined in the appendix to these minutes.

**Application No: P/FUL/2021/04548 - Waitrose and Partners 42-44 West
Street Bridport DT6 3QP**

- c) Cllrs Bolwell and Clayton had declared an interest in this item, they did not take part in the debate or vote.

The Development Management Team Leader presented the application for the removal of existing boundary and internal walls at the site, and creation of 6 no. parking spaces for home delivery vans and associated electric

charging points, 2 no. customer collection parking spaces and 2 no. taxi waiting spaces. The erection of free standing canopy in loading bay area, replacement trolley and staff shelters and associated development including boundary treatments and access were also outlined.

The application had been brought to committee for determination as part of the application site is owned by Dorset Council

The Development Management Team Leader explained that the application site was very visual in the Bridport Conservation area. Members were shown an ariel view of the site with the burgage walls and the view from the road.

The Conservation Officer had considered the walls to be a non-designated heritage asset although not on the local list of heritage importance. It was accepted that Waitrose wanted to move forward with the site and Officers hoped to be able to negotiate with Waitrose on the materials to make it visually more pleasing and enhance the conservation area. As it stood the current proposal would result in less than substantial harm to the character and appearance of the Bridport Conservation Area, which would not be outweighed by any public benefit

The application was therefore recommended for refusal.

Oral representation was received from Mr Simon Gregory on behalf of Waitrose and from Cllr Clayton as ward member, in support of the application.

The Development Management Team Leader was invited to respond to the comments from the speakers.

In response to member questions the Development Management Team Leader advised that the Conservation Officer had been to inspect the wall and had accepted that it could be removed and a plaque installed with the historic information relating to the wall, it was the materials to be used in the replacement that was not considered to enhance or preserve the area. A financial viability assessment had not been supplied by the applicant.

The committee felt that the wall looked unsightly and being behind a supermarket considered that the improvements proposed by Waitrose would outweigh the potential costs to the heritage site. It would create a better public amenity, be more accessible, offer better car parking options, taxi spaces and electric car charging points. They did not believe there would be any substantial negative impact on the area which was currently a service yard, it would enhance the business and not harm the conservation area.

Adjournment 11:59 – 12:05 in order for Planning Officers to put together some suggested conditions.

Proposed by Cllr O'Leary, seconded by Cllr Worth.

Decision: That authority be delegated to the Service Manager for Development Management and Enforcement to grant subject to conditions which will have first been agreed in writing with the chair of the Southern and Western Area Planning Committee.

Application No: P/FUL/2022/04612 Boat Shed Boat Park George Street West Bay DT6 4EY

- d) Cllrs Bolwell and Clayton had declared an interest in this item, they did not take part in the debate or vote.

The Development Management Team Leader presented the report for the demolition of existing and erection of replacement boat shed on land owned by Dorset Council.

The requested change was modest and would upgrade the building. Being well distanced from the nearest residential neighbour it was not considered to have any impact on visual amenity and was therefore recommended for approval.

Proposed By Cllr O’Leary, seconded by Cllr Williams.

Decision: That the application be granted subject to the conditions outlined in the appendix to these minutes

- e) **Lunch Break 12:20 to 13:30**

Application No: P/FUL/2021/05299 - Parnham Estate Parnham Beaminster DT8 3LZ

- f) The Senior Planning Officer presented the report which sought approval to erect 4.No. River Lodges and realignment of the existing access track. The committee were given a description of the site and a resume of its history including the fire damage caused in 2017.

In August 2022 the committee had approved an application for 6 orchard rooms. The proposed River Lodges would be two storey, they had been amended and reduced in height since originally submitted and each would have its own car parking space.

Visual presentations highlighted the floor plans and elevations and the key planning issues were summarised.

The recommendation was to delegate authority subject to completion of a Section 106 agreement.

Oral representation was received from Mr Ed Grant the Agent and Cllr Rebecca Knox, ward member, in support of the application.

Members considered that the viability of the site needed to be maintained and were supportive of the application.

Proposed by Cllr O'Leary, seconded by Cllr Pipe.

Decision: That authority be delegated to the Head of Planning or the Service Manager for Development Management and Enforcement to grant subject to planning conditions as set out in the appendix to these minutes.

And

That authority be delegated to the Head of Planning or the Service Manager for Development Management and Enforcement to refuse planning permission for the reasons set out in the appendix to these minutes if S106 agreement not completed within 6 months.

Application No: P/RES/2021/01944 Land North of Broadwindsor Road, Broadwindsor Road, Beaminster DT8 3PP

- g) The Senior Planning Officer presented the application for approval of reserved matters of appearance, landscaping, layout and scale of Outline approval WD/D/18/000115 for 100 dwellings with associated infrastructure and public open space.

The Senior Planning Officer referred to the amendments on the update sheet that had been circulated to the committee members

Details of the proposed layout, scale, appearance and landscaping proposals were presented with the location plan slides, including an aerial view of the site

The housing mix ranged from 1 bed flats up to 4 bed houses, with a 35% allocation of affordable housing. Public open space, a green and play areas were included within the proposal together with an attenuation area with a large underground storage tank.

A variety of designs and materials would feature with some variations in building heights. The main planning issues were summarised.

Oral representation in support of the application was received from Ms Julie McLaughlin on behalf of the applicant.

In response to questions as to why there was no cycle path included and the current 60mph speed limits on the Broadwindsor Road, Officers explained that the outline permission application had not required cycle access, just a footpath link, and that the current position of the 30 MPH speed limit would be moved to the west of the site if this development proceeds.

Proposed by Cllr O'Leary, seconded by Cllr Bolwell.

Decision: That the reserved matters application be approved subject

to the conditions outlined in the appendix to these minutes.

Application No: P/FUL/2022/03702 West Bay Holiday Park, Forty Foot Way, West Bay, DT6 4HB

- h) Cllrs Bolwell and Clayton had declared an interest in this item, they did not take part in the debate or vote.

The Senior Planning Officer presented the application to provide 16 glamping pitches and associated parking area

Members were shown an aerial view of the site which was located within the Area of Natural Beauty (AONB) and advised that glamping pitches had previously been approved on the adjacent site. This additional proposed site has previously been used for touring pitches and each glamping pitch would have one allocated parking space.

The glamping units were considered less visually intrusive than the touring vans currently permitted on site.

Key planning issues were summarised and the recommendation was to grant subject to conditions, two of which had been amended on the update sheet.

Members were advised that there would still be space for touring vans on the site, with reduced capacity, but the number was unknown.

Proposed by Cllr O'Leary, seconded by Cllr Cocking.

Decision: That the application be approved subject to the conditions outlined in the appendix to these minutes.

42. Urgent items

There were no urgent items.

43. Exempt Business

There was no exempt business.

44. Appeals Report for Information only

**Decision List 13 October 2022
Update Sheet**

Duration of meeting: 9.30 am - 2.40 pm

Chairman

.....

Western & Southern Area Planning Committee 13 October 2022 Decision List

Application Reference: P/RES/2021/04983

Application Site: Land to the north of Littlemoor Road Weymouth

Proposal: Application for approval of reserved matters for access, layout, scale, appearance and landscaping of 500 dwellings and associated works in relation to outline applications WD/D/16/000739 and WP/16/00253/OUT comprising: up to 500 dwellings, including affordable housing; up to 8 ha of employment land (to include a new hotel, residential care home, car show rooms and other employment land); land for a new primary school; a new local centre; public open spaces, new accesses and roads, and associated infrastructure

Decision:

Grant subject to the following conditions:

1. The development hereby permitted shall be carried out in accordance with the following approved plans:

- Tree Planting Sections Ref: 505 (dated 07.07.2022)

Neighbourhood Equipped Area for Play

- NEAP Ref: 201 (dated 23.09.2022)

Reason: For the avoidance of doubt and in the interests of proper planning.

2. No development above damp proof course level within a phase of development shall take place until samples of materials to be used in the construction and finish of walls and roofs for the relevant phase have been made available on site for the inspection and approved in writing by the Local Planning Authority. The samples must include sample panels measuring 1 metre by 2 metres of each principal facing material, which must include details of coursing, mortar mix and pointing. The sample panels must be retained on-site until they have been approved in writing by the Local Planning Authority. The development shall thereafter accord with the approved materials.

Reason: To safeguard the character of the locality.

3. No development above damp proof course level within a phase of development shall take place until a scheme showing details of all external vents, flues, soil and vent pipes and utility meter boxes and substations for the relevant phase has been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter accord with the approved scheme.

Reason: In order to ensure that the details are of sufficient standard and design quality.

4. Before each plot listed in this condition is first occupied the following windows shown on the relevant approved house type drawings shall be fitted with

obscure glass and shall either be fixed shut or hung in such a way as to prevent the overlooking of immediately adjacent dwellings and shall thereafter be permanently retained as such:

- Plot 18 – east elevation
- Plot 81 – north elevation
- Plot 155 – north elevation
- Plot 168 – south elevation
- Plot 189 – north elevation
- Plot 170 – south elevation
- Plot 171 – north elevation
- Plot 199 – west elevation
- Plot 199 – east elevation
- Plot 187 – west elevation
- Plot 188 – east elevation
- Plot 221 – bathroom and en-suite rooms
- Plot 222 – bathroom and en-suite rooms
- Plot 225 – bathroom and en-suite rooms
- Plot 297 – south elevation
- Plot 257 – east elevation
- Plot 485 – south elevation
- Plot 459 – south elevation

If windows are not fixed shut, details of window hanging shall be submitted to and approved in writing by the Local Planning Authority prior to installation.

Reason: To preserve the amenity and privacy of occupiers of adjacent dwellings.

5. Dwelling plots 1, 400, 417, 418, 447, 463, 464 and 474 within 10m of the southern boundary of the site shall be constructed with high specification glazing and provided with alternative means of ventilation in accordance with Chapter 9 of the Environmental Statement (April 2016) submitted in association with WP/16/00253/OUT. The details of these measures shall be submitted to and approved in writing by the Local Planning Authority prior to the construction of the relevant plots above damp course level and thereafter the development shall be carried out and the measures permanently maintained in accordance with the approved details.

Reason: In the interests of residential amenity.

6. Notwithstanding the details shown on the Boundary Treatments Masterplan drawing (ref. LIT-BSL-ZZ-XX-DR-A-1423-PL), no development above damp proof course shall be carried out within a phase of development until details of the means of enclosure to the plot boundaries for each relevant dwelling and (where relevant) apartment block together with details of any frontage boundaries to provide privacy for occupants have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the proposed height and materials for the relevant phase. Masonry garden walls shall be provided on the boundary with Littlemoor Road unless otherwise first agreed in writing under the terms of this condition. Thereafter the dwellings

and apartment blocks shall not be first occupied until the associated means of enclosure and boundary treatments have been provided in accordance with the approved details.

Reason: In the interests of visual amenity and to ensure appropriate residential amenity in compliance with the Design Code.

- 7 Notwithstanding the details shown on the NEAP drawing ref. 201 dated 23 September 2022 and set out within the updated NEAP Overview, Specification and Maintenance/Management Plan dated September 2022, details of the following shall be submitted to and approved in writing by the Local Planning Authority prior to construction of the NEAP: fencing; surfacing; and seating. Thereafter, the NEAP shall be constructed in accordance with the approved details and the play equipment specification detailed on the NEAP drawing ref. 201 dated 23 September 2022 and updated NEAP Overview, Specification and Maintenance/Management Plan dated September 2022 unless otherwise first agreed in writing under the terms of this condition

Reason: In order to ensure that the details are of sufficient standard and design quality.

8. Before the relevant phase of development hereby approved is first occupied or utilised the following associated junction works shall have been constructed to the agreed written specification of the Local Planning Authority: the western access junction serving Phases 1 and 2: and the eastern access junction serving Phases 3 and 4, as shown on Drawing refs. 2121 Rev PL02 and 2122 Rev PL02 that shall have been first submitted to and approved in writing by the Local Planning Authority.

Reason: These specified works are seen as a pre-requisite for allowing the development to proceed, providing the necessary highway infrastructure improvements to mitigate the likely impact of the proposal.

9. External lighting shall be provided and operated in accordance with the Street Lighting Strategy (4270-LB-EX-XX-DR-E-7080-61 Rev P02 and 4270-LB-EX-XX-DR-E-7080-62 Rev P02).

Reason: To minimise light spill and associated disturbance in the interests of amenity and ecology.

10. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order) (with or without modification) no roof enlargement(s) or alteration(s) of the dwellinghouses on plots 227-229, 276-278, 306-312, 333-344, 351, 363 and 364 hereby approved, permitted by Class B and Class C of Schedule 2 Part 1 of the 2015 Order, shall be erected or constructed.

Reason: To protect the character of the area within AONB.

11. With the exception of preliminary works comprising site investigations, remediation, installation of services and construction site set up, details of the proposed finished floor levels of all buildings within a phase shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of development within the relevant phase. The submitted levels details shall be measured against a fixed datum and shall show the existing and finished ground levels. Thereafter, the development of the relevant phase shall be carried out in accordance with the approved finished floor levels.

Reason: For the avoidance of doubt and in the interests of proper planning and to protect the character of the area within AONB.

Informative Notes:

1. Informative: National Planning Policy Framework Statement
In accordance with paragraph 38 of the NPPF the council, as local planning authority, takes a positive approach to development proposals and is focused on providing sustainable development.
The council works with applicants/agents in a positive and proactive manner by:
 - offering a pre-application advice service, and
 - as appropriate updating applications/agents of any issues that may arise in the processing of their application and where possible suggesting solutions.In this case:
 - The applicant was provided with pre-application advice.
 - The applicant/agent was updated of any issues and provided with the opportunity to address issues identified by the case officer.
2. Informative: The applicant is reminded of the need to ensure all relevant conditions on the outline planning permission WP/16/00253/OUT are addressed.
3. Informative: This permission is subject to an agreement made pursuant to Section 106 of the Town and Country Planning Act 1990 dated 4 December 2020 including obligations relating to affordable housing, financial contributions towards community infrastructure, open space provision, play space and crossings over Littlemoor Road.
4. Informative: The highway improvement(s) referred to in the recommended condition above must be carried out to the specification and satisfaction of the Highway Authority in consultation with the Planning Authority and it will be necessary to enter into an agreement, under Section 278 of the Highways Act 1980, with the Highway Authority, before any works commence on the site. The applicant should contact Dorset Council's Development team. They can be reached by email at dli@dorsetcc.gov.uk, or in writing at Development team, Infrastructure Service, Dorset Council, County Hall, Dorchester, DT1 1XJ.
5. Informative: Street Naming and Numbering
Informative: The Council is responsible for street naming and numbering within our district. This helps to effectively locate property for example, to deliver post or in the case of access by the emergency services. You need to register the new or changed address by completing a form. You can find out more and download the form from our website www.dorsetcouncil.gov.uk/planning-buildings-land/street-naming-and-numbering

Application Reference: P/FUL/2022/03801

Application Site: Weymouth Angling Society, Commercial Road Weymouth DT4 8NF

Proposal: Erect extension to form cellar

Decision:

Grant planning permission, subject to the following conditions:

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: This condition is required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. The development hereby permitted shall be carried out in accordance with the following approved plans:

2904: 405/001 Rev A

2904: 405/003 Rev A

Reason: For the avoidance of doubt and in the interests of proper planning.

3. Prior to first use of the cellar extension hereby approved, the flood resilience measures as outlined at paragraph 9.2 of the Flood Risk Assessment shall have been installed/carried out and thereafter shall be retained.

Reason: To ensure the approved extension remains resilient to existing/future flooding.

Application Reference: P/FUL/2021/04548

Application Site: Waitrose and Partners 42-44 West Street Bridport DT6 3QP

Proposal: Removal of existing boundary and internal walls, and creation of 6 no. parking spaces for home delivery vans and associated electric charging points, 2 no. customer collection parking spaces and 2 no. taxi waiting spaces. Erection of free standing canopy in loading bay area, replacement trolley and staff shelters and associated development including boundary treatments and access.

Decision:

Delegate authority to the Service Manager for Development Management and Enforcement to grant subject to conditions will shall have first been agreed in writing with the chair of the Southern and Western Area Planning Committee. The conditions shall cover the following:

1. Time limit
2. Plans List
3. Informative plaque
4. Fencing finish
5. Turning, parking and manoeuvring
6. EV charging installation
7. Taxi rank provision

Application Reference: P/FUL/2022/04612

Application Site: Boat Shed Boat Park George Street West Bay DT6 4EY

Proposal: Demolition of existing and erection of replacement boat shed.

Decision:

Grant, subject to the following conditions.

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: This condition is required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. The development hereby permitted shall be carried out in accordance with the following approved plans:
22/008/01 Location & Block Plan
22/008/03 Proposed floor plans & elevations

Reason: For the avoidance of doubt and in the interests of proper planning.

3. Prior to the installation of the walls and roof, details of the colour of the profiled steel sheeting to be used in the construction of the building shall be submitted to and approved in writing by the Local Planning Authority. Development shall thereafter proceed in accordance with the approved details.

Reason: To ensure a visually satisfactory form of development.

Informative Notes:

1. Informative: National Planning Policy Framework Statement
In accordance with paragraph 38 of the NPPF the council, as local planning authority, takes a positive approach to development proposals and is focused on providing sustainable development.
The council works with applicants/agents in a positive and proactive manner by:
- offering a pre-application advice service, and
- as appropriate updating applications/agents of any issues that may arise in the processing of their application and where possible suggesting solutions.
In this case:

-The application was acceptable as submitted and no further assistance was required.

2. Please check that any plans approved under the building regulations match the plans approved in this planning permission or listed building consent. Do not start work until revisions are secured to either of the two approvals to ensure that the development has the required planning permission or listed building consent.

Application Reference: P/FUL/2021/05299

Application Site: Parnham Estate Parnham Beaminster DT8 3LZ

Proposal: Erect 4.No. River Lodges and realignment of the existing access track.

Decision:

A) Delegate authority to the Head of Planning or the Service Manager for Development Management and Enforcement to grant subject to planning conditions as set out in this report and the completion of a legal agreement under section 106 of the Town and Country Planning Act 1990 (as amended) in a form to be agreed by the Legal Services Manager to secure the tying of the development to Parnham House so that it cannot be sold off separately.

And the following conditions:

1. The development hereby permitted shall be carried out in accordance with the following approved plans:

Proposed Location Plan – drawing number 101-A-B11-PR-000 B

Proposed Location Plan – drawing number 101-A-B11-PR-001 B

Proposed Site Plan – Roof – drawing number 101-A-B11-PR-002 B

Proposed Site Plan – Ground Floor – drawing number 101-A-B11-PR-003 B

Proposed Site Section – drawing number 101-A-B11-PR-004 B

Proposed General Elevation – drawing number 101-A-B11-PR-005 A

Proposed Ground Floor Plan – Type A – drawing number 101-A-B11-PR-100 B

Proposed First Floor Plan – Type A – drawing number 101-A-B11-PR-101 B

Proposed Roof Plan – Type A – drawing number 101-A-B11-PR-102 B

Proposed Section – Type A/B – drawing number 101-A-B11-Pr-200 B

Proposed West & East Elevations – Type A – drawing number 101-A-B11-PR-300 B

Proposed South Elevation – Type A – drawing number 101-A-B11-PR-301 B

Proposed Ground Floor Plan – Type B – drawing number 101-A-B11-PR-103 B

Proposed First Floor Plan – Type B – drawing number 101-A-B11-PR-104 B

Proposed Roof Plan – Type B – drawing number 101-A-B11-PR-105 B

Proposed East Elevation – Type B – drawing number 101-A-B11-PR-304 B
Proposed North Elevation – Type B – drawing number 101-A-B11-PR-302 B
Proposed West Elevation – Type B – drawing number 101-A-B11-PR-303 B
Proposed South Elevation – Type B – drawing number 101-A-B11-PR-305 B

Reason: For the avoidance of doubt and in the interests of proper planning.

2. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: This condition is required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

3. (i) The river lodges shall be occupied for holiday purposes only and
(ii) The river lodges shall not be occupied as a person's sole, or main place of residence;
(iii) the owners/operators must maintain an up-to-date register of the names of all owners/occupiers of the river lodges on the site, and of their main home addresses, and must make this information available at all reasonable hours at the request of a duly authorised officer of the Local Planning Authority.

Reason: To ensure that approved holiday accommodation is not used for unauthorised permanent residential occupation.

4. Prior to development above damp proof course level, samples and product details of all external materials for the walling, cladding, roofing (including covered entrance porches) and balustrading shall have been submitted to and agreed in writing by the Local Planning Authority. Thereafter, the development shall proceed in strict accordance with the agreed materials and retained as such thereafter.

Reason: To ensure a satisfactory visual appearance of the development and the setting of the heritage assets.

5. Prior to the installation of any external windows or doors, detailed drawings and specifications showing the design and construction of external doors and windows (elevations at 1:10, sections 1:5) shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, development shall be carried out in accordance with the agreed details and retained as such thereafter.

Reason: To ensure a satisfactory visual appearance of the development and the setting of the heritage assets.

6. Prior to installation of any extracts, vents and drainage outlets, detailed drawings showing their locations, materials and colours shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, development shall be carried out in accordance with the agreed details and retained as such thereafter.

Reason: To ensure a satisfactory visual appearance of the development and the setting of the heritage assets.

7. Prior to commencement of development, a method statement detailing the process and materials for the installation of the pad foundations shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, the development shall be carried out in strict accordance with the agreed details.

Reason: To protect the designated heritage asset during construction.

8. Prior to the installation of any hard surfacing around the lodges hereby approved or for the new vehicular access track, samples and product details shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, development shall be carried out in accordance with the agreed details and retained as such thereafter.

Reason: To ensure a satisfactory visual appearance of the development and the setting of the heritage assets.

9. Prior to any works to the boundary wall, a method statement detailing the knocking through of the boundary wall including proposed materials and mortar mixes for making good shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, development shall be carried out in accordance with the agreed details and retained as such thereafter.

Reason: To ensure a satisfactory visual appearance of the development and the setting of the heritage assets.

10. Prior to development above damp proof course level, a soft landscaping and planting scheme shall be submitted to, and agreed in writing, by the Local Planning Authority. The approved scheme shall be implemented in full during the first planting season November-March following completion of the river lodges or within a timescale to be agreed in writing with the Local Planning Authority. The scheme shall include details of the green walls and roof of the lodges, all trees, hedgerows and other planting to be retained; a planting specification to include numbers, size, species and positions of all new trees and shrubs, details of proposed protective stock/deer proof fencing and the provision for maintenance and replacement as necessary of the green walls and roofs, trees and shrubs for a period of not less than 5 years. Maintenance and replacement as necessary of the trees and shrubs shall be carried out in accordance with the approved soft landscaping and planting scheme.

Reason: To ensure the provision of amenity afforded by appropriate landscape design and maintenance of existing and/or landscape features.

11. Prior to commencement of the development a meeting will be held with the Local Planning Authority to agree the contents of an arboricultural supervision statement. The arboricultural supervision statement shall include the content agreed at the meeting and shall be submitted to and agreed in writing by the Local Planning

Authority prior to the first use of the lodges. The development shall be carried out in accordance with the approved arboricultural supervision statement.

Reason: To safeguard trees and natural features which are important to the visual amenities of the area.

12. The development hereby approved shall be carried out in accordance with the details to protect and manage the trees before, during and after development as set out in the Arboricultural Method Statement, Version 6, dated April 2022.

Reason: To safeguard trees and natural features which are important to the visual amenities of the area.

13. The development shall be carried out in accordance with the submitted flood risk assessment (prepared by Simpson tws, Issue 04 dated 16th November 2022), and drawing 101_A_B11_PR_003 Rev B, including the following measures:

- Finished floor levels shall be set no lower than 43.90m AOD for the lodges, and the access route shall be no lower than 43.50m AOD.
- There shall be no temporary or permeant ground raising on existing land below the FRA's estimated 1 in 100-year flood level of 43.20m AOD.
- The layout will be in line with the proposed site plan 101_A_B11_PR_003 Rev B and no additional structures or hard landscaping will be located within 8 metres of the top of the bank of the river Brit.

These mitigation measures shall be fully implemented prior to occupation retained and maintained thereafter throughout the lifetime of the development.

Reason: To reduce flood risk to future users and prevent increasing flood risk elsewhere.

14. Before the development hereby approved is occupied a Flood Warning and Evacuation Plan shall be submitted to and agreed in writing by the Local Planning Authority. The approved Flood Warning and Evacuation Plan must be displayed in each of the river lodges before any part of the development hereby permitted is occupied or is brought into use. Thereafter, the Flood Warning and Evacuation Plan must be permanently displayed in the lodges.

Reason: To minimise the impact of future occupiers to the risk of flooding.

15. Prior to commencement of development, a Construction Environmental Management Plan that identifies the steps and procedures that will be implemented to avoid or mitigate constructional impacts on special habitats including addressing the impacts of storage of construction materials/chemicals and equipment, dust suppression, chemical and/or fuel run off from construction into the nearby watercourse, waste disposal, noise and vibrational impacts shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, the construction shall be carried out in accordance with the agreed Construction Environmental Management Plan.

Reason: In the interests of biodiversity.

16. Prior to the erection of any external lighting on the lodges hereby approved or surrounding the lodges or access track, a lighting scheme shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, the external lighting shall be carried out in accordance with the agreed scheme.

Reason: In the interests of visual amenity.

17. Prior to commencement of development a timetable for the implementation of the measures of the Biodiversity Plan has been submitted to and agreed in writing by the Local Planning Authority. Thereafter, the development shall be carried out in accordance with the agreed timetable and the approved Biodiversity Plan, signed by Guy Lowndes, dated 21/07/2022, and agreed by the Natural Environment Team on 26/07/2022, unless a subsequent variation is agreed in writing with the Council.

Reason: In the interests of biodiversity.

Informatives:

Informative: NPPF

Informative: Legal Agreement

Informative: CIL

Informative: Environmental Permit

All works (permanent and temporary) in, under, over or within 8m of the Main River will be subject to our Environmental Permitting process. An Environmental Permit is separate to and in addition to any planning permission granted. Further details and guidance are available on the GOV.UK website: <https://www.gov.uk/guidance/flood-riskactivities-environmental-permits>. To discuss the scope of the controls please contact the Environment Agency on 03708 506 506.

Informative: Building Control

The application needs to be aware that concerns have been raised by Building Control regarding fire brigade access, this will need to be investigated by the applicant and any solution agreed by the Fire Authority during consultation as part of the Building Control application.

B) Delegate authority to the Head of Planning or the Service Manager for Development Management and Enforcement to refuse planning permission for the reasons set out below if the agreement is not completed within 6 months if the committee resolution or such extended time as agreed by the Head of Planning or Service Manager for Development Management and Enforcement:

1. In the absence of a satisfactory completed legal agreement to secure the tying of the development to Parnham House to ensure it cannot be sold off separately, the

development cannot be considered intensification of an existing hospitality business and would be new built tourist accommodation in an unsustainable location outside of any defined development boundary contrary to policy ECON6 of the West Dorset, Weymouth and Portland Local Plan (2015).

Reason: For the avoidance of doubt and in the interests of proper planning.

2. Prior to development above damp proof course level, full details and samples of all external facing materials for the wall(s) and roof(s) shall be submitted to, and approved in writing by, the Local Planning Authority. Thereafter, the development shall proceed in accordance with such materials as have been agreed.

Reason: To ensure a satisfactory visual appearance of the development.

3. The dwelling boundary enclosure materials shall be as indicated on plan DBML.01 E. Prior to the commencement of any dwelling hereby approved above damp course level, details of the design of the means of enclosure, shall first be submitted to, and approved in writing by the Local Planning Authority. The development shall thereafter be implemented in full accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: In the interests of the amenities of the area.

4. The landscaping shall be carried out in accordance with the submitted landscaping drawings (1 of 2, 2 of 2) 13796/PO1 Rev G unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that due regard is paid to the continuing enhancement and maintenance of amenity and the protection of the Area of Outstanding Natural Beauty.

5. No development above damp-proof course level shall be carried out until a detailed scheme to enable the charging of plug-in and other ultra-low emission vehicles in safe, accessible and convenient locations within the development has been submitted to and approved in writing by the local planning authority. The submitted details shall include a timetable for the implementation of the scheme. Thereafter the development shall be carried out in accordance with such details and timetable as have been approved by the local planning authority.

Reason: To ensure that adequate provision is made to enable occupiers of and visitors to the development to be able to charge their plug-in and ultra-low emission vehicles.

6. Before the development is occupied or utilised the first 15 metres of the vehicle access, measured from the rear edge of the highway (excluding the vehicle crossing – see informative noted) must be laid out and constructed to a specification which shall have first been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that a suitably surfaced and constructed access to the site is provided that prevents loose material being dragged and/or deposited onto the adjacent carriageway causing a safety hazard.

Informatives-

This Reserve Matters approval shall be read in conjunction with the outline approval WD/D/18/000115 dated 21/11/2019 and the associated s106 agreement.

Informative: This development constitutes Community Infrastructure Levy 'CIL' liable development. CIL is a mandatory financial charge on development and you will be notified of the amount of CIL being charged on this development in a CIL Liability Notice. To avoid additional financial penalties it is important that you notify us of the date you plan to commence development before any work takes place and follow the correct CIL payment procedure.

Informative: The applicant is advised that the granting of planning permission does not override the need for existing rights of way affected by the development to be kept open and unobstructed until the statutory procedures authorising closure or diversion have been completed. Developments, in so far as it affects a right of way should not be started until the necessary order for the diversion has come into effect.

Street Naming and Numbering

The Council is responsible for street naming and numbering within our district. This helps to effectively locate property for example, to deliver post or in the case of access by the emergency services. You need to register the new or changed address by completing a form. You can find out more and download the form from our website www.dorsetcouncil.gov.uk/planning-buildings-land/street-naming-and-numbering

Dorset Highways - The vehicle crossing serving this proposal (that is, the area of highway land between the nearside carriageway edge and the site's road boundary) must be constructed to the specification of the Highway Authority in order to comply with Section 184 of the Highways Act 1980. The applicant should contact Dorset Highways by telephone at 01305 221020, by email at dorsethighways@dorsetcouncil.gov.uk, or in writing at Dorset Highways, Dorset Council, County Hall, Dorchester, DT1 1XJ, before the commencement of any works on or adjacent to the public highway.

Application Reference: P/FUL/2022/03702

Application Site: West Bay Holiday Park Forty Foot Way West Bay DT6 4HB

Proposal: Development to provide 16 glamping pitches and associated parking area

Decision:

Grant, subject to the following conditions:

1. The development hereby permitted shall be carried out in accordance with the following approved plans:

Location Plan – drawing number 8380-LPA

Proposed Site Plan – drawing number 8380-05

Tent Base Details – drawing number 080513/001 A1

End and Side Section – drawing number WPT1

Reason: For the avoidance of doubt and in the interests of proper planning.

2. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: This condition is required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

3. No glamping pitch and/or safari tent hereby approved shall be occupied at any time between 15th January and 28th February, inclusive, in any year.

Reason: To ensure that the scheme does not result in a worsening of flood risk or recreational impact on the Special Area of Conservation (SAC), Chesil & the Fleet.

4. No more than 16 glamping pitches (safari tents) in total shall be permitted on the site and no other holiday caravans/cabins/tents/units. The glamping pitches (safari tents) hereby approved shall be used for holiday purposes only and not used as a person's main or permanent residence.

Reason: The site is considered unsuitable for permanent residential development and to protect visual amenity within the AONB.

5. A register of all persons occupying the safari tents hereby approved shall be kept by or on behalf of the owners of the safari tents. The said register shall be made available for inspection during all reasonable hours at the request of a duly authorised office of the Local Planning Authority.

Reason: To ensure that the accommodation is used for holiday purposes only.

6. The bases on which the safari tents shall be pitched shall be no larger than 10m by 5.5m and the safari tent no higher than 3.5m above ground level.

Reason: In the interests of clarity and to protect the visual appearance and the AONB.

7. Prior to the erection of any the safari tents hereby approved details of the finished external canvas colour shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, the safari tents shall be maintained in accordance with the agreed details.

Reason: In the interests of visual amenity and to protect the visual appearance of the AONB.

8. Prior to the erection of any external lighting on the glamping pitches (safari tents) or surrounding the pitches, a lighting scheme shall be submitted to and agreed in writing by the Local Planning Authority. Thereafter, the external lighting shall be carried out in accordance with the agreed scheme and retained as such thereafter.

Reason: In the interests of visual amenity and biodiversity.

9. Before the development is occupied or utilised the manoeuvring and parking shown on the submitted plans must have been constructed. Thereafter, these areas must be permanently maintained, kept free from obstruction and available for the purposes specified.

Reason: To ensure the proper and appropriate development of the site and to ensure that highway safety is not adversely impacted upon.

10. Prior to first use of the glamping pitches (safari tents) a timetable for the implementation of the measures of the Biodiversity Plan shall have been submitted to and agreed in writing by the Local Planning Authority. Thereafter, the development shall be carried out in accordance with the agreed timetable and the approved Biodiversity Plan, signed by Richard Bates, dated 11/06/2022, and agreed by the Natural Environment Team on 23/08/2022, unless a subsequent variation is first agreed in writing with the Council.

Reason: In the interests of biodiversity.

Planning Committee – Update Sheet

Planning Applications

Application Ref.	Address	Agenda ref.	Page no.
P/RES/2021/04983	Land North of Littlemoor Road	5a	25-78
<p>Amend final paragraph on page 59 to read:</p> <p>In this case approximately 65% just over half (52%) of homes fall below NDSS. This is due to six <u>five</u> 2-bed and 3-bed house types falling below NDSS. In some instances, the shortfall is negligible (House Type Q – FOG: -1%) or relatively minor (House Types A: -6% and E: -4%). House Types B, <u>D</u> and L have the biggest shortfalls at -9%, -10% and -10% below NDSS respectively. Comparing compliance by tenure, a significantly higher proportion of affordable homes (79%) do not meet NDSS compared to open market homes (61<u>38</u>%). This difference between tenure is stark. Compliance with NDSS is summarised below:</p> <p>Update subsequent table to show House Type D as 63sq.m, -7sq.m below / 90% of space standard.</p> <p>Amend first sentence of second paragraph on page 60 to read:</p> <p>A requirement to comply with NDSS must <u>cannot</u> be applied at reserved matters stage.</p>			

Application Ref.	Address	Agenda ref.	Page no.
P/RES/2021/01944	Land North of Broadwindsor Road, Beaminster	5g	137 - 162
<p>Additional condition:</p> <p>6. Before the development is occupied or utilised the first 15 metres of the vehicle access, measured from the rear edge of the highway (excluding the vehicle crossing – see informative noted) must be laid out and constructed to a specification which shall have first been submitted to and approved in writing by the Local Planning Authority.</p> <p>Reason: To ensure that a suitably surfaced and constructed access to the site is provided that prevents loose material being dragged and/or deposited onto the adjacent carriageway causing a safety hazard.</p> <p>Additional informative:</p> <p>Dorset Highways - The vehicle crossing serving this proposal (that is, the area of highway land between the nearside carriageway edge and the site's road boundary) must be constructed to the specification of the Highway Authority in order to comply with Section 184 of the Highways Act 1980.
