

Appendices 3 Young People Feedback

Here are some feedback comments from our young people who have experienced advocacy support in the last 3 months

"Thank you again for the support you've given to k you have been a massive help to her, and she's felt very supported by yourself. "

since you have supported me I feel I have got more confident and clearer at expressing my worries and questions and I think the meeting went well because I had you to support me if I needed some help, but I think lots have improved since when I first started

R liked speaking to you before, he said you were very kind and listened to everything he said, thank you for that and I look forward to hearing what R says now he is back at school full time

Thanks for your email today and for all the support you have provided to L during what has been a difficult period for her. It is good to note that a clear outcome has been provided to L by Dorset Council following her complaint and that Lucy confirms she feels she has been

My advocate has definitely helped me put my thoughts into words. I know what I want to say, and my advocate helps me put it into words that can be understood.

Here are some feedback comments from our young people who have had an independent visitor in the last 6 months

They have helped me understand why I have been taken into care and why things happen... the best thing about my IV is that she understands my situation more than anyone. (Young person)

My IV is fun, very relaxed and kind. We have been to football matches, tried different sports (golf). I enjoy eating out and we have a good conversation.
