Dear Kirsty Gatehouse,

Thanks for explanation, I understand all. But now I have question: **What can I do to sort all of issues?**

From my side:

- I can control level of music volume on basement to be on adequate low level on ground floor level
- I can ask all clients buying alcohol to show ID
- I can ask guests for staying reasonable quiet when are on premise
- I can do all reasonable steps you propose to keep premise on proper level

The party (closed) in October was finished just before 11pm. We only allow to guests sit outside for a while when we are closing (asking to be quietly). But restaurant was closed, guests went out – so can't be responsible for all other people – especially at early morning?).

About your last paragraph: "Despite an apparent change in ownership, we have still received similar reports to those we were getting prior to the revocation. We therefore do not feel we can support this TEN application". That's very worried me! I – as the owner not understand WHY I have not information about. I should be the first who should be asked for. So – if I was not asked yet – I understand it is no issues.

So – Please one more time revise your statement, let me know what steps I can do to prevent any antisocial behaviour, and hope – we will be happy to demonstrate that is now good place!

Kind Regards
Radoslaw Kakuba

Good afternoon

On behalf of the Chief Officer of Police, we would like to object to this Temporary Event Notice on the grounds that we feel it would undermine the Licensing Objective of the Prevention of Crime and Disorder.

As per the attached decision notice, this premises recently had their Premises Licence revoked following a review hearing in September 2022. We submitted an objection alongside Environmental Health after it had been proposed by local residents. The committee decided that revocation was the appropriate action following the evidence put forward.

Since the revocation, a Section 19 closure notice was served on the Premises as they still had alcohol out for sale and were still advertising its sale once the Premises Licence had been removed at the end of September. This was however rescinded at the start of October when proof had been received that all alcohol had been removed from display. Despite the Section 19 being withdrawn, it showed that the Premises Licence revocation had not been understood and complied with.

At the end of October, we were informed of a large gathering of young people outside the premises in the early hours of the morning, seemingly after a party had been held. During a follow up visit, empty beer bottles could be seen around the room alongside a large cannister of nitrous oxide. In an email from Mr Kakuba received after this visit, we were told this was an 18th birthday party where they said they were not selling alcohol but the party goers had brought their own alcohol with them.

Despite an apparent change in ownership, we have still received similar reports to those we were getting prior to the revocation. We therefore do not feel we can support this TEN application.

Many thanks
Kirsty
