Dear Kathryn,

Further to Environmental Health's earlier response of 23rd March in relation to this TEN for 6th-9th April 2023 at the Closet, 38A Maiden Street, Weymouth, DT4 8BA, we wish to clarify the conditions we would seek to be extended to the TEN are 12,13,16,17,19,20,23-28 at Annex 3 of premises licence WPPL0407.

Please find our report in relation to this and our objection attached.

Kind regards,
