24 March 2023

Dear [REDACTED]

**Licensing Act 2003
New premises licence application – Jurassic Fields 2023 – West Bay Fields, Bridport**

Thank you for your letter regarding the above mentioned premises. I have passed your comments to the applicant, so that the issues you raised can be addressed and I have closed their response.

There are a couple of other issues that were raised that need to be clarified: the number of venues in the area which are used for outside events cannot be taken into account as each application is considered on its own merit and other licensed premises in the area are irrelevant.

The comment regarding the limited parking in the area cannot be taken into consideration as it does not relate to any of the four licensing objectives (Prevention of crime and disorder; Public Safety, Prevention of public nuisance; Protection of children from harm).

I am required under the Licensing Act to ask if the above points have, or have not, alleviated your concerns and if you are now satisfied with the application. Due to the time constraints surrounding an application I would be grateful if you could please let me know by **31 March 2023** whether or not you wish to have your representation withdrawn.

If you wish to continue with your representation, I arranged for a Licensing Sub Committee hearing to take place on 11 April 2023 at 10.00, at Dorset Council Offices, County Hall, Dorchester, DT1 1XJ, a formal invite will be sent out to you in due course

I would also like to inform you that any premises that holds a licence under the Licensing Act 2003, can be subject to a review at any time if an establishment fails to satisfy one or all of the four licensing objectives. (The prevention of crime and disorder, public safety, prevention of public nuisance and the protection of children from harm). A review would be heard at a Licensing Sub Committee where conditions or restrictions may be added to the licence to resolve outstanding issues.

Please do not hesitate to contact me if you have any additional queries or would like to discuss the matter further.

Yours sincerely

[REDACTED]

Kathryn Miller
Senor Licensing Officer
