**Re: Chesil Rocks, Langton Herring**

To the Licensing Office,

I support the licence application by Timothy Warren for Chesil Rocks, the annual not-for-profit music event held at Higher Farmhouse grounds in Langton Herring.

This family orientated event raises considerable funds for the Dorset branch of the Samaritans, and is run on a professional basis by a local team. Although 3 events form the basis of Chesil Rocks, the main event is on a single day each year, which is enjoyed by villagers and visitors alike.

Thanks,
