Good afternoon

[REDACTED]

I have been asked by Tim Warren to contact you regarding the application of a licence Chesil Rocks annual event for Thursday to Sunday in June at Higher Farmhouse, Langton Herring.

This annual event contributes a substantial part of our annual income. As a charity reliant totally on our own fundraising it is core to our ability to maintain our branch and the service to distressed and despairing people. We are profoundly grateful to the organisers of Chesil Rocks for this annual source of income as it provides stability to our plans each year.

We look forward to our participation in making this year's Chesil Rocks as successful as earlier years.
