Good Afternoon John

Were you expecting a response from Jurassic Fields?

I understood it as a response to Licensing that you would like those conditions on the license.

Please let me know what you require from myself. Obviously the event management plan and other supporting documentation containing almost all of these conditions was submitted with the application.

I look forward to hearing from you

Regards

Dan

Subject: Premises Licence Application

Good afternoon,

I refer to the above and note within the application a number of steps that are offered to uphold the licensing objectives.

To ensure that all eventualities are covered, I shall be pleased if the following could also be noted on the licence as a condition, as this will provide added surety to the Responsible Authorities that all matters linked to the event have been considered:-

No later than 12 weeks before the start of the event the licence holder will submit to the Licensing Authority for approval an Event Management Plan for that event. The Event Management Plan will include:

- a. Key Contact List
- b. Site Plan
- c. Security and Crime Reduction Plan
- d. Major Incident Plan
- e. Noise Management Plan
- f. Risk Assessments
- g. Venue and Bar Operating Times
- h. Security and Crowd Management
- i. Traffic Management Plan
- j. Emergency Procedures
- k. Medical Plan

- I. Child Protection Policy
- m. Event Safety Plan
- n. Fire Safety Management Plan
- o. Site and Production Plan
- p. Alcohol Sales & Management Plan
- q. Drug and Alcohol Policy to include search policy, amnesty point and Drugs awareness & Control

All licensable activities at each event will take place in accordance with the relevant approved Event Management Plan which will act as the operating schedule for the premises.

The final approved Event Management Plan will be given to the Licensing Authority and the responsible authorities at least 5 working days prior to the event and made available upon request to the Safety Advisory Group. Any change, or any deviation from the plan during the event, will only be made in exceptional circumstances and is to be approved in advance by the Licensing Authority and the relevant responsible authorities at an Event Control Meeting.

I look forward to hearing from you in due course.

Regards
