Decision List

Application Reference: P/OUT/2021/03226

Application Site: 481 Chickerell Road Chickerell Dorset DT3 4DQ

Proposal: Outline application for the erection of 6 no. 3 bedroom units (all matters reserved except access).

Recommendation: Delegate Authority to the Head of Planning and Service Manager for Development Management & Enforcement to grant subject to a deed of variation to the S106 being completed to secure the correct GCN licensing regime and updated BP and subject to conditions:

Decision: That Delegated Authority be granted to the Head of Planning and Service Manager for Development Management & Enforcement to grant subject to a deed of variation to the S106 being completed to secure the correct GCN licensing regime and updated BP and subject to the following conditions.

1. The development to which this permission relates must be begun not later than the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: This condition is required to be imposed by Section 92 of the Town and Country Planning Act 1990 (as amended)..

2. Applications for approval of 'reserved matters' must be made not later than the expiration of three years beginning with the date of this permission.
Reason: To safeguard the character and amenity of the area and living conditions of any surrounding residential properties.

Reason: This condition is required to be imposed by Section 92 of the Town and Country Planning Act 1990.

3. No part of the development hereby approved shall commence until details of all reserved matters (landscaping, layout, scale, appearance) have been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure the satisfactory development of the site.

4. The development hereby permitted shall be carried out in accordance with approved plan: 1484/01, 1484/06 Rev A.

Reason: For the avoidance of doubt and in the interests of proper planning.

5. The detailed biodiversity mitigation, compensation and enhancement/net gain strategy set out within the approved Biodiversity Plan certified by the Dorset Council Natural Environment Team on 26 September 2022 must be strictly adhered to during the carrying out of the development.

The development hereby approved must not be first brought into use unless and until:

- i) the mitigation, compensation and enhancement/net gain measures detailed in the approved biodiversity plan or LEMP have been completed in full, unless any modifications to the approved Biodiversity Plan or LEMP as a result of the requirements of a European Protected Species Licence have first been submitted to and agreed in writing by the Local Planning Authority, and
- ii) evidence of compliance in accordance with section J of the approved Biodiversity Plan/the LEMP has been supplied to the Local Planning Authority.

Thereafter the approved mitigation, compensation and enhancement/net gain measures must be permanently maintained and retained in accordance with the approved details.

Reason: To mitigate, compensate and enhance/provide net gain for impacts on biodiversity.

6. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order) (with or without modification) no enlargement(s) of the dwellinghouse hereby approved, permitted by Class A of Schedule 2 Part 1 of the 2015 Order, shall be erected or constructed.

Reason: To protect amenity and the character of the area.

7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order) (with or without modification) no roof enlargement(s) or alteration(s) of the dwellinghouse hereby approved, permitted by Class B and Class C of Schedule 2 Part 1 of the 2015 Order, shall be erected or constructed.

Reason: To protect amenity and the character of the area.

8. Before the commencement of development the precise levels of the finished floor slabs of the buildings hereby approved, with reference to a plan of a scale not less than 1:200 showing the fixed datum point, shall be submitted to and agreed in writing by the local planning authority. Thereafter the development shall be constructed in accordance with the agreed plan.

Reason: To ensure that the buildings relate properly to neighbouring buildings and road levels in the locality and to safeguard the character and visual amenity of the area.

9. Before the development is occupied or utilised the turning/manoeuvring and parking shown on the submitted plan 1484/06 Rev A. must have been constructed. Thereafter, these areas must be permanently maintained, kept free from obstruction and available for the purposes specified.

Reason: To ensure the proper and appropriate development of the site and to ensure that highway safety is not adversely impacted upon.

10. Before the development is occupied or utilised, the first 5.00 metres of the northern access crossing and drive must be constructed to a gradient not exceeding 1 in 12.

Reason: To ensure that the public highway can be entered safely.

11. Before the development is occupied or utilised the first 5.0 metres of the vehicle access, measured from the rear edge of the highway and into the site, must be laid out and constructed to a specification which shall have first been submitted to and approved in writing by the Planning Authority.

Reason: To ensure that a suitably surfaced and constructed access to the site is provided that prevents loose material being dragged and/or deposited onto the adjacent carriageway causing a safety hazard.

12. Prior to the commencement of development, a detailed surface water management scheme for the site, based upon the hydrological and hydrogeological context of the development, and providing clarification of how drainage is to be managed during construction shall be submitted to and approved in writing by the Local Planning Authority. The surface water scheme shall be implemented in accordance with the submitted details before the development is completed.

Reason: To prevent the increased risk of flooding and to protect water quality.

13. No development shall commence until details of the enhanced sound insulation (for example double glazing with secondary glazing or triple glazing) to all windows in the development and details of the acoustic insulation performance of these windows compared to typical window elements shall have been submitted to, and approved in writing by, the Local Planning Authority. Thereafter the windows shall be installed in accordance with the approved details and shall be retained as approved and if any windows are replaced

these shall as a minimum have the same sound insulation properties as the approved units.

Reason: In order to protect the living conditions of future residents of the new dwellings having regard to neighbouring land uses.
