

- NOTES**
1. All dimensions to be checked on site and any discrepancy to be verified with the client.
 2. All work shall comply with BS 5839 Part 1.
 3. Use the symbols for cable trays, ducts and conduits, when referencing refrigeration cabinets use the latest CSES drawing, if the CSES drawing does not match this plan, please contact the Store Planner.
 4. For all BMS items please contact the Architect.
 5. If the Store Planner is to be positioned on site to call the contractor, call back.
