Part 3 Operating Schedule

When do you want the premises licence to start?

DD	MM	YYYY
2	7	092023

If you wish the licence to be valid only for a limited period, when do you want it to end?

DD	MM	YYYY

Please give a general description of the premises (please read guidance note 1)

The premises will be home to a new business, C Side which I am setting up as a Sole Trader in my name. It will be adjacent to Vinyl Van Record Shop with some shared areas and will be an evolving community space where people can come together with music as a common theme.

C Side will operate as a retail space selling preloved clothing, recycled jewellery and selling items that other people have created, especially young people.

Some hot and cold drinks will be served and a selection of wellbeing, craft, music-themed and other workshops and events will be held to benefit all ages and sections of the community. The space will also provide work experience opportunities for young people and those in need of work skills and confidence to help them re-engage in society.

C-Side will also co-host a selection of music-themed events, dancing workshops, live music on occasion, and offer itself as a space to community groups and organisations.

The hope is to make this a viable business cum social enterprise that is able to maintain more of a social and community focus. Having a licence will help us to increase our potential income to cover our running costs and support these community activities to make them as accessible as possible to everyone. We plan to be open from Tuesday to Saturday from 10am – 5pm and Sunday 11am - 4pm as a retail / drinks operation but are looking to expand our offer with occasional evening events, music nights, live music and potentially a food offer at a later stage. We would like to obtain a licence so that we can serve alcohol at these social events and music themed daytime / evening sessions. We estimate that the premises can comfortably hold around 60 people at a time although most events will be less than this number. We anticipate that events will be during our normal trading hours and evenings but we are applying for a licence to cover all days of the week to account for the odd occasions where we might want to hold events on a Sunday or Monday.

There is one toilet (wheelchair accessible), a main front entrance, a small kitchen / storage area and an exit to the rear of the shop that leads to a service corridor and exit. We have serviced fire equipment and a fire alarm with detectors in the toilet, kitchen, main shop and entrance.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

- Alcohol will be served in line with licensing objectives and responsibly to reduce the risk of drunken behaviour
- The events we plan to hold will be small and the purpose is to enjoy music and social evenings with accompanying drinks. Our stock is in the shop and we will be very keen to avoid any unruly or drunken behaviour which could be a risk in terms of spillages and damage to our stock
- The Licensee will keep a written record of all staff authorised to sell alcohol, which will be kept on the licensed premises and made available for inspection by the Licensing Officer, Trading Standards or the Police.
- There shall be few occasions when alcohol is supplied for consumption off the premises
- A Personal Licence Holder, Premises Licence Holder, or the DPS is to be present at the premises at all times during licensing hours

b) The prevention of crime and disorder

- CCTV and 24hr security is operational in Brewery Square with a Security Guard / Concierge service on site
- All the relevant authorities will be informed of the premises licence application
- Numbers of people attending the premises will be kept to a manageable amount (60 maximum but less than this mostly)
- Alcohol will be served responsibly and any person who appears intoxicated will not be served
- Anyone who seems to be getting too drunk or acting in unacceptable ways will be asked to leave the premises
- We will operate the Challenge 25 initiative and ask for ID to ensure that laws aren't broken in terms of serving to underage people
- There will be no drinks promotions or low priced alcohol that encourage excessive alcohol consumption

c) Public safety

- The premises will be kept in good, maintained order and will be a safe space for people to be
- Fire equipment and a fire alarm is in place and is checked / maintained annually
- People will be monitored to ensure appropriate behaviour when at or leaving the premises
- If any issues arise, we will contact the Police who are based very close to Brewery Square and the premises requesting a license
- The Square is well lit in the day and evening and there is CCTV surveillance in place so that any matters can be dealt with quickly by on site security staff
- It's a busy square with a night time economy and people around a lot of the time so it feels like a safe place to be, even after dark

d) The prevention of public nuisance

- The premises has good soundproofing to avoid any disturbance to residents who live near the property
- Music will be kept to a reasonable level to avoid sound disturbing other people within the area
- The premises has 2 doors at the entrance which prevents a lot of sound travelling out into the street
- Numbers of people attending events and music / social evenings will be kept to a manageable amount (60 Maximum)
- Taxi numbers will be made available to ensure people have the means to get home

e) The protection of children from harm

- Children will be allowed in the premises during events but will not be allowed to buy alcohol
- All children under the age of 12 will need to be accompanied by an adult
- All children under the age of 12 shall vacate the premises by 22.00 hours.
- If parents are in charge of children, suitable measures will be taken to ensure that appropriate care is provided by adults and that they don't get intoxicated
- Any concerns will be notified to the relevant authorities
- We will operate the Challenge 25 initiative and ask for ID to ensure that laws aren't broken in terms of serving to underage people. Notices will be displayed and anyone serving alcohol will be trained to ask for ID if someone appears under 25
- Acceptable ID will be Proof of Age cards, a UK Driving licence or a passport
- A Refusals log will be kept of any refusals to serve alcohol and this will be kept on the licensed premises and made available for inspection by the Licensing Officer, Trading Standards or the Police.
- I have worked in Child Protection Services as a Social Worker and understand the processes involved if any child is thought to be at risk from harm

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along

with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
