Good afternoon

I can confirm that from a Police Licensing perspective, we have **no objection** to the Premises Licence Application for Nina's Bistro.

Please see below the email chain between myself and the applicant, Ms Sofian, where I have proposed conditions to be applied which she has accepted. I would be grateful if these could please be included on the Premises Licence when granted.

Many thanks
Kirsty

Good afternoon, Geanina

Thank you again for your time this afternoon, it was great to speak to you. As discussed, please see below the conditions I would like to propose for Nina's Bistro:

- Challenge 25 shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence or passport, or holographically marked PASS scheme identification cards. Appropriate signage advising customers of the policy shall prominently displayed in the premises.
- A Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times when members of the public are present on the premises. The CCTV system will contain the correct time and date stamp information and will have sufficient storage retention capacity for a minimum of 28 days of continuous footage. Weekly checks will be made and documented to ensure the system is functioning as required and all details are correct, including the time and date shown. CCTV shall be downloaded on request of the Police or authorised officer of the council. A staff member who is conversant with the operation of the CCTV system will be on the premises at all times when the premises is open to the public. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.
- All staff involved in the sale of alcohol shall receive training on the Licensing Objectives, the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attached to the Premises Licence. Refresher training shall be provided at least once every six months. A record shall be maintained of all staff training and that record shall be signed and dated by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by Police, Licensing or other authorised officers.
- A log shall be kept detailing all refused sales of alcohol. The log should include the date and time of the refused sale and the name of the member of staff who refused the sale. The log shall be available for inspection at the premises by the police or an authorised officer of the Council at all times whilst the premises is open.
- The DPS will ensure that an incident report register is maintained on the premises to record incidents such as anti-social behaviour. The incident report register will be kept on the premises and produced for inspection immediately on the request of an authorised officer or Police. The register will be checked and signed on a weekly basis by management.
- After 1700hrs, alcohol shall only be served to patrons who are sitting to eat.

I hope these are all agreeable to you. If you have any queries, please do not hesitate to ask, my phone number is at the bottom of this email if you would rather call. If the proposed conditions are ok, I would be grateful if you could reply to this email confirming your acceptance of them so that I can forward this on to Dorset Council and state that we have no objection to this application. I look forward to hearing from you.

Many thanks

Kirsty
