Description of development:

Removal of existing roof to main station and sheds. Replace with a new, insulated, cladding with an open, covered ridge. Front, brick elevation of shed number 0043 to be partly demolished and re-built to match the front elevation of the adjacent shed (0042) in a saw-tooth design. Window to be bricked up to workshop 0050. Front elevation of brick to store areas 0088, 0089 & 0090 to be extended vertically to allow for the continuation of the roof line from store area 0091.
