Dear Licensing,

Further to the TEN application attached for the Festival event at Gaunt Estate, Wimborne - 26-29 June 2025, Environmental Health are objecting to this application.

The application gives no detail on how the licensing objective, Prevention of Public Nuisance, will be upheld.

A written and agreed Noise Management Plan (NMP), details of which have been provided to the applicant previously, should give Environmental Health sufficient assurances to withdraw our objection.

Regards
