1. Question Submitted by Jenny Murray on behalf of Women of Dorset

In light of data from NHS England indicating that Dorset ICB has the highest child referral rate (per 1000 head) to NHS child gender clinics, can Clare Sutton, and Sunita Khattrra-Hall assure the committee that all Dorset Council/PDSCP/DSCP resources and training have been reviewed, updated and aligned with the findings of the CASS review, KCSIE statutory guidance and the government's commitment to implementing the recommendations made.
