Please supply the general steps that would apply to all four licensing objectives	We have given a detailed breakdown below of how we will be promoting the four licensing objectives. In general promoting the four licensing objectives is very important to us and we have made every attempt to ensure that we are doing all we can to support this. With staff training on all four of the objectives and the measures we have taken below, we believe we have taken all of the required steps to support and promote the four licensing objectives.
The steps you will be taking to promote the prevention of crime and disorder	- The store has 24 hour CCTV recording with 30 day recording. The includes cameras showing the inside of the store, front of the store and back area of the store and we have put a sign in place in customer view which says CCTV recording in place. - We have provided training to the staff who will be working on how to handle potentially disruptive situations - We have provided training to the staff on how to lock the door from inside to refuse entry to any intoxicated individuals - The door which enters the kitchen from the customer area is locked at all times so only staff can enter. The rear exit door is also closed at all times so only staff can enter.
The steps you will be taking to promote the prevention of public nuisance	- Windows double glazed and no music allowed. The oven is the latest technology oven that makes minimum noise. - We will put signs to make sure the customers keep the noise down for the neighbours and also staff are trained to tell the customers to leave quietly. We will also train and inform our delivery staff to leave the store quietly when going for a delivery. - All staff have been trained to pick up any litter from the customer area or outside of the store before closing to ensure there is no litter. There are also bins in front of the store which customers can use and our staff will also as part of their cleaning checklist make sure any litter not put into the bin is put in a bin.
The steps you will be taking to promote the public safety	- Risk assessment ready to view, fire exit signs in place

	and fire training courses completed - We have provided training to the staff on the emergency evacuation plan including fire safety procedures - The premises is well lit and there is no dark areas, there is emergency lighting in the store which is serviced every year by our fire team. They also service our fire extinguisher and fire blanket so we have these all in place. We also have a fire alarm in the store which is tested every week. We also have a intruder alarm in the store.
The steps you will be taking to promote the protection Of children from harm	- The store has 24 hour CCTV recording with 30 day recording. The store also has a CCTV recording sign on the front. - Staff have been trained to avoid providing a place for underage customers to hang out. If any underage customers are seen hanging outside of the store our staff will ask them to leave quietly. - All staff have been trained to ensure they are aware of the importance of protecting children and underage customers.
