Good afternoon

I can confirm that with regards to the Premises Licence Application for River's Edge Café, we have no objection from a Police perspective. Please see below the email correspondence between myself and the applicant whereby they agree to the conditions I have suggested. I would be grateful if these could please be added to the Premises Licence when granted.

Many thanks
Kirsty

Good afternoon Kirsty

Thank you for your email and call. I'm sorry I didn't catch the email in my junk box, I do normally try to keep an eye on it.

I can confirm that everything in your email will be in place before opening the Rivers Edge to the public. If you have any further questions please do not hesitate to contact me.
I look forward to meeting you when you visit us in the future.

Kind regards

Jamie

Good afternoon, Mr Brooks-Dravec

My name is Kirsty and I am one of the Alcohol Licensing Officers for Dorset Police. I have been forwarded your recent Premises Licence Application for The River's Edge to look at. Firstly, apologies for leaving it so late in the process to get in touch with you, it's been a very busy few weeks! In an ideal world I would've made an appointment to come and visit you at the premises, but unfortunately due to other commitments this has been an impossibility. Therefore, I would like to propose conditions for your Premises Licence via this email instead. They are based on what you've already put on the application form already, just worded in a particular way, so hopefully nothing is too much of a shock!

1. Challenge 25 shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence or passport, or holographically marked PASS scheme identification cards.
2. Appropriate signage advising customers of the age verification policy shall be prominently displayed in the premises.
3. All staff involved in the sale of alcohol shall receive training on the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attaching to the premises licence. Refresher training shall be provided at least once every 6 months. A record shall be maintained of all staff training and that record shall be signed by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by police, licensing or other authorised officers.
4. An incident and refusal log shall be kept at the premises. The log should include the date and time of the incident and/or refusal and the name of the member of staff involved. The log to be made available immediately on request to an authorised officer of the Council or the Police, which will record the following:

1. All crimes reported to the venue
2. All ejections of patrons
3. Any complaints received
4. Any incidents of disorder
5. All seizures of drugs or offensive weapons
6. Any faults in the CCTV system
7. Any refusal of the sale of alcohol
8. Any visit by a relevant authority or emergency service

1. The premises shall install and maintain a CCTV system. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 28 days with correct date and time stamping. Recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 28 day period.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises or contactable at all times when the premises is open. This staff member must be able to show a Police or authorised council officer recent data or footage with the absolute minimum of delay when requested.
3. CCTV shall be downloaded on request of the Police or authorised officer of the council.
4. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.
5. A documented check of the CCTV shall be completed weekly to ensure all cameras remain operational and the 28 days storage for recordings is being maintained.

I trust that these are all agreeable to you. I have made the assumption that your CCTV retains for at least 28 days, but if this is not the case please let me know as soon as possible. Equally, if there are any issues with any of the other conditions that I have proposed, please do get in touch. Hopefully though, all of

the above are achievable and you are happy to have these added to your Licence when granted. I would be very grateful if you could reply to this email confirming your acceptance so that I can forward this email chain on to the Council to show we have no objection from a Police perspective.

Unfortunately due to my lateness in getting in touch with you, I only have until the end of the day on Monday 27th October to make any comments on the application. Therefore, I would be very appreciative if you could please respond as soon as possible so that I can get everything completed in time. I look forward to hearing from you at your earliest convenience.

Many thanks
Kirsty
