Definition of Key Decisions

Key decisions are defined in Dorset Council's Constitution as decisions of the Cabinet which are likely to -

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates (**Thresholds - £500k**); or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority."

In determining the meaning of "*significant*" for these purposes the Council will have regard to any guidance issued by the Secretary of State in accordance with section 9Q of the Local Government Act 2000 Act. Officers will consult with lead members to determine significance and sensitivity.
